INVOCATION

Lord, we are meeting today to conduct matters of business. Guide our hearts and our minds in the spirit of fairness, right thought and speech.

Impact your supreme wisdom upon our activities so that our affairs may reach a successful conclusion.

Thank you for being our source of guidance today and to the rest of the remaining days. AMEN.

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

The Four-Way Test

of the things we think, say or do.

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest
And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,
in a way help obtain Peace in the world
Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

PRESIDENT'S CORNER

RICHARD AZARES

PRESIDENT, RY2020-2021

My Fellow Rotarians and Guests,

Good day to all, WELCOME to the BER months. As the month of SEPTEMBER started, as we hear Christmas songs like the Christmas Carols of Jose Marie Chan being sung, it is also Rotary International's Basic Education and Literacy month chaired by no less than our Past Assistant Governor Manuel Gordon and he has exciting projects lined up for this area of focus. Let us also all welcome the new members of our club who will be inducted tonight Ms. Fritz Go-Abiera and Mr. Al Cedeno ... Welcome to the Club and our CONGRATULATIONS ...

It is a great opportunity that for these past weeks the club was able to do some service projects in partnership with some of the non-profit organizations like JCI Cebu and the 209th squadron, CGAD-CV of the Philippine Coast Guard Auxiliary (PCGA) in coordination with the Philippine Coast Guard (PCG), CGD-CV for the "TINABANGAY TA BAI FOR THE LSI", six days of providing breakfast to a total of 1800 Locally Stranded Individuals in the Cebu Ports from 25 August to 30 August 2020. And also Last 30 Aug 2020(Sunday) The JCI San Juan Dambana, Task Force - Cebu, Bohol and Siquijor and the Crisis Military Operations Batalion in Camp Lapu-lapu have turned over to us 1000 pcs. Of various books from elementary to K12 for our future donations to various schools in Cebu City and the province. We also donated a Desktop Computer through the support of Visioneer Homes Development Corporation to Tulay Day Care Center and the pinning of Rotary pins on our very dynamic couple for Public Image Directors Rtn. Honeyleen Rosaroso and Wolfren Rosaroso. All of these projects will not be a success without the financial support and the generosity and the attendance of our fellow Rotarians. Know that the time given to attend these events, in the middle of the week, in the middle of the morning, and traveling from as far as Liloan and Lapu-Lapu to come all the way to Minglanilla is very very much appreciated. To all of you daghang salamat.

Tonight it is with great honor that we have a Guest Speaker in the presence of our Past District Secretary the very active and lively JOSE FORTUNATO "CHI" F. UY, as the District Membership Chair for this Rotary Year 2020-2021. Let us listen to his talk and enjoy the evening ...

I have said too much for now all I can say is thank you so much to all of you and let us all enjoy the evening.

Holger Knaack

President 2020-21

September 2020 “Presidential’s Message”

Rotary youth exchange — one of the many programs for youths and young adults that we celebrate this month — was my path into true engagement in Rotary. My wife, Susanne, and I began hosting exchange students soon after I joined, and the experience helped me go from simply being a member of my Rotary club to being a true Rotarian. Now Rotary Youth Exchange is a family tradition, and a strong one: Over the past 24 years, we have hosted 43 students!

From the start, we loved it so much that, in addition to hosting students in our home, we became involved with the program by helping to organize student summer camps. During one such camp, I met Christine Lichtin, who was a German high school student at the time and whose father is a past president of my Rotary club. To try something new during this year of embracing change, I am turning this space, normally reserved for the president of Rotary, over to Christine so she can share her story.

My first contact with Rotaract was about 13 years ago, when I was with Susanne and Holger at a barbecue for the summer youth camp. Holger turned to me and said: "Why don't you visit a Rotaract club? You'll meet a lot of great young people who come together to have fun and to make a difference."

A few years later, when I was at Trier University, his words came back to me and I decided to give it a try. That was more than eight years ago, and I'm still at it. Once you are in Rotaract, you just don't want to get out. Rotaract has accompanied me everywhere, starting with the Trier club and then on to a club in Bologna, Italy, during the year I studied there. When I was in Kiel for my master's degree, I got involved with Rotaract there before landing at the Rotaract Club of Hamburg-Alstertal as I began my career. Each of those clubs has its own identity and focus, but all have the same intrinsic motivation.

I am now taking on a senior advisory role in my Rotaract club, which I really enjoy. I carry Rotaract in my heart, and it shapes my values, even as my interests evolve. One day, as if she had sensed this evolution, Susanne knocked on my door, wanting to introduce me to a young, modern Rotary club located between Hamburg and Mölln, my hometown. The E-Club of Hamburg-Connect, which Susanne helped charter, holds e-meetings, all of them very relaxed and personal. With members of different ages, everything just seemed to fit, so I thought, why not try it out? After all, time is precious and should be filled with fun whenever possible; the rest happens by itself.

Now I am in both worlds — a proud member of Rotaract and a Rotarian. And my small personal goal is to build a bridge between these two parallel worlds. All of us have very similar reasons for being part of the Rotary family.

Rotary's Areas of Focus ECONOMIC AND COMMUNITY DEVELOPMENT

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

Rotary supports investments in people to create measurable and enduring economic improvement in their lives and communities.

The Rotary Foundation enables Rotarians to invest in people by creating sustainable, measurable and long term economic improvements in their communities

1. Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities;
2. Developing opportunities for productive work;
3. Reducing poverty in under-served communities;
4. Supporting studies for career-minded professionals related to economic and community development.

ROTARY VOICES

Hybrid meetings keep all members engaged

The global pandemic arrived like an unwelcome dinner guest. Within a matter of days after the first local case of COVID-19, Rotary club's meeting location closed, and gatherings of PEOPLE were prohibited. Face-to-face Rotary meetings came to an almost immediate halt.

Keeping every member engaged

Communities across the world are in various stages of reopening. Some areas that have gained the upper hand on COVID-19 are moving closer to normal operation, while some hot spots are reinstating restrictions. Regardless of your community's situation, it is likely that there are members in your club who will not return to in-person meetings until a safe vaccine is developed and is readily available. Keeping those members engaged with your club is vital to your club's overall health and impact.

Because of the pandemic, club presidents in 2020-2021 face a challenge previous leaders haven't. But it's also an opportunity. Rotary International President Holger Knaack's theme [Rotary Opens Opportunities](#), can serve as a reminder that all clubs will have to change the way they operate to thrive during and after the pandemic. I encourage you to use the [Hybrid Rotary Meetings Technology Guide](#) as a valuable resource to keep all of your members engaged with your club.

ROTARY INTERNATIONAL THE ROTARY FOUNDATION

THANK YOU FROM THE ROTARY FOUNDATION!!!

Thanks to you, Rotary members have been making a difference at a time when communities need our help more than ever. We know that donors like you are people of action, and your support is changing lives where it's needed most.

Together, we've funded thousands of projects around the world. We've provided resources for local COVID-19 health and recovery efforts in addition to other initiatives to prevent disease, and of course, our continued fight to end polio. Together, we've empowered others by funding sustainable solutions in communities that need clean water, hope for peace, basic education, quality care for mothers and children, or economic opportunity. No matter how large a problem may seem, thanks to you, we can work toward solutions and opportunities for people around the world.

Last Rotary year, we raised more than \$408 million for The Rotary Foundation! What we accomplish next will be possible because of your generous support.

Thank you for your dedication to Doing Good in the World.

Sincerely,

How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

Dear Club Presidents and TRF Chairs,

Joyful Greetings!

This Rotary year, we are very fortunate to be a recipient of Foundation Recognition Points (FRP) through the generosity of Lady Cely Chiongbian, spouse of the late PDG Edgar Chiongbian of our mother club, Rotary Club of Cebu. Through this FRP, the District will be able to match the donor Rotarian from any club to attain New Paul Harris Fellow or multiple Paul Harris Fellow status. This is a way by which we can encourage more Rotarians to share their blessings to our Foundation especially in these most trying times.

Please review the guidelines and mechanics of the PHF Matching:

- 1) The Club Presidents and/or Club TRF Chairs are encouraged to officially announce this advisory to their respective Clubs during their regular meetings.
- 2) All Rotary Clubs are eligible to avail of the PHF Matching. However, those Clubs whose members have available Recognition Points may please use these points first.
- 3) For each Rotarian who contributes \$500.00 in cash to the TRF Annual Programs Fund and/or Polio Plus Fund will be matched with 500 Foundation Recognition Points (FRP), making the donor attain the New Paul Harris Fellow or multiple Paul Harris Fellow status.
- 4) Clubs and individual Rotarians should deposit their \$500 contributions to the TRF account whether online through credit card or through bank transfer.
- 5) Clubs through the President, TRF Chairs, or Club Secretary should communicate through email to District Fundraising Subcommittee Chair (DFSC) Stephen Chian of their request to avail of the PHF Matching Points and to attach the following documents:

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

I forgot to zip up my trouser, so a lady told me politely, "sir your garage is open" I gave her naughty smile as I zip up and asked, "Did you see my RANGE ROVER parked inside?" The lady smiles back and said "no just one small TOYOTA with two Flat tyres.

I'm still crying

Sinulog 2021 to push through if...

CEBU CITY, Philippines – Cebu City Mayor Edgardo Labella on Sunday, August 30, confirmed that the city will push through with the Sinulog celebration next year if “things normalize.”

Labella was referring to the city government’s effort to win its war against the coronavirus disease so it could already focus on the implementation of its recovery plans.

In a phone interview with CDN Digital, [Labella](#) expressed optimism that everything will already be back to normal in the coming months.

Deadline extended to September 30 for RPTs, business taxes in Cebu City

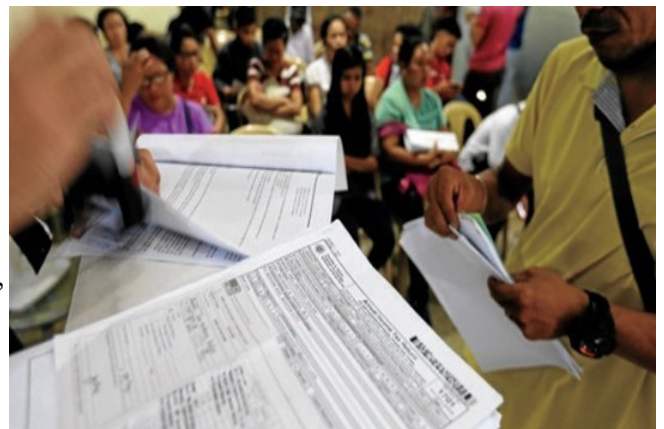

CEBU CITY, Philippines — The Cebu City government has extended the payment for real property taxes (RPT) and business taxes for the current year on September 30, 2020.

This is part of the implementation of the new ordinance in Cebu City providing tax amnesty to taxpayers with deficiencies over their penalties as long as they pay their balances this year.

Councilor Raymond Alvin Garcia revealed on Friday, August 28, 2020, that the first and second quarter RPT could be paid without penalty up until September 30, 2020.

The third quarter RPT will still be due on September 30, 2020, which is its original deadline.

The business taxes, which are paid yearly at the start of every year, will also be extended until the end of September, still with no penalties.

RC CEBU SOUTH FELLOWSHIP SINGING

“MAKE IT WITH YOU”

By: Bread

Hey, have you ever tried
Really reaching out for the other side
I may be climbing on rainbows
But baby, here goes

Dreams, they're for those who sleep
Life is for us to keep
And if you're wondering what this song is leading to
I want to make it with you
I really think that we could make it, girl

No, you don't know me well
In every little thing only time will tell
But you believe the things that I do
And we'll see it through

Life can be short or long
Love can be right or wrong
And if I chose the one I'd like to help me through
I'd like to make it with you
I really think that we could make it, girl

Baby, you know that dreams, they're for those who sleep
Life is for us to keep
And if I chose the one I'd like to help me through
I'd like to make it with you
I really think that we could make it, girl
