INVOCATION

Thank You for every seat that has been filled here, today. For each mind and heart that fills the presence of this room, we thank You. Only You truly know what we are setting out to accomplish today. We have an idea, a vision, hints, and daily instructions. We have talents, abilities, and time to work. However, only You can see in perfect detail the end of every beginning. Every project, every season, every life. Nothing is ever in vain, for even mistakes and missteps are used for good.

Your righteousness transcends all our efforts and understanding. Forgive us for our pride. The pride that puffs us up and the pride that threatens to unqualify us. Strengthen our confidence in who You have made us to be. Set us free from comparison in order to work together efficiently.

Bless this meeting today, all those present, as well as the lives of those we will encounter afterward. Ready us to make every moment count.

In Jesus' Name,

Amen

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.
Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,

Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

PRESIDENT, RY2020-2021

My Fellow Rotarians and Guests,

Today, September the 11th is a significant date in world history. It was not just an arbitrary date chosen ... In short it is the anniversary of 9/11.

This week, allow me to thank the Project Chair for the Basic Education and Literacy headed by PP Manuel Gordon for a successful book donation to Don Carlos A. Gothong Memorial National High School on the project: I'M BASADOORS: Learning at your Doorsteps. Our club have donated 300 pcs. textbook for high school as a reference material on their learning and the distribution of Personal Protective Devices - 50 pcs. face shield and 250 pcs. face mask. I would like to take this opportunity to thank our partners - JCI San Juan Dambana, JCI Cebu for providing us the 1000 pcs. partial textbook and more books to come, Task Force - Cebu, Bohol and Siquijor and Crisis Military Operations Batalions in Camp-Lapu-lapu where they are responsible of bringing the books from Manila to Cebu and hand over it to RC Cebu South and lastly our very supportive members and our RCCS Rotaractors (Community based) who joined us in the said activity last Thursday 10 Sept.

Another milestone for our club - we have a very special guest speaker tonight. Our very own Past President Carlos "Caloy" Apuhin who will be talking to us regarding ROTARY Protocols. Do take this opportunity for all of us to learn, relearn and understand.

On September 07 we have submitted to the district our Monthly Meetings and Report for the month of August 2020. The said submission was confirmed and acknowledged by the District 3860.

ROTARY INTERNATIONAL

WHO WE ARE

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

ROTARY INTERNATIONAL

Rotary Areas of Focus PEACE AND CONFLICT RESOLUTION

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children.

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our [vision](#) of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

ROTARY INTERNATIONAL HISTORY

Chesley R. Perry: Rotary's first general secretary

Chesley Reynolds Perry, a Spanish-American War veteran and former Chicago Public Library employee, served as Rotary's first secretary and is known as "the builder of Rotary International."

While Rotary's president changes every year, only 12 people have served as general secretary, a role that's equivalent to a chief executive — and at 32 years, Perry served the longest.

In August 1910, the newly formed National Association of Rotary Clubs (now Rotary International) unanimously selected Perry for the role then known as secretary. He accepted the part-time position at \$100 per month, with an agreement that the amount of time he'd devote would remain unspecified. By 1912, the job had evolved into a full-time executive role, and Perry's pay was increased.

Perry had announced his plans to retire in 1940, but agreed to remain in his post while the organization trained his successor, Philip C. Lovejoy. A number of clubs sought to nominate Perry for RI president in 1942-43, but he declined, saying, "I am gratefully conscious of the high compliment thereby being paid to me."

After retiring, Perry remained a member of the Rotary Club of Chicago, which he'd joined in 1908. But he wasn't done being a leader, and served as club president in 1944-45. In 1954, Rotary offered him the title "secretary emeritus" to honor his years of service, but he again declined, preferring the role of ordinary Rotarian.

Perry died on 21 February 1960 at the age of 87.

ROTARY INTERNATIONAL THE ROTARY FOUNDATION

ROTARY GOAL ON ENDING POLIO

Rotary has been working to eradicate polio for more than 30 years. Our goal of ridding the world of this disease is closer than ever. As a founding partner of the [Global Polio Eradication Initiative](#), we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

We've helped immunize more than 2.5 billion children in 122 countries. So far, Rotary has contributed more than \$1.8 billion toward eradicating the disease worldwide.

Today, polio remains endemic only in Afghanistan, Nigeria, and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

Cebu South Bus Terminal reopens after five months of closure

CEBU CITY, Philippines – The Cebu South Bus Terminal (CSBT) located along Natalio Bacalso Avenue in Cebu City has reopened today, September 9, after five months of transferring its operations at the Talisay City side of the Cebu South Coastal Road.

CSBT Manager Carmen Quijano said drivers of buses using the terminal are urged to pick up passengers only inside terminal premises to ensure that health protocols are followed.

'Zone' in Cebu chosen for COVID vaccine clinical trial

CEBU CITY, Philippines – The Department of Science and Technology (DOST) announced on Thursday, September 10, 2020, that Cebu is among the areas in the country where [coronavirus vaccine clinical trials](#) will be conducted.

DOST Secretary Fortunato dela Peña, [in a Laging Handa press briefing](#), said they have identified at least eight 'zones' to do the experiments.

Peña said six of these zones are found in Metro Manila, one in Calabarzon (Region IV-A), and one in Cebu.

He said experts are likely to choose the specific areas wherein high cases of coronavirus disease 2019 (COVID-19) have been reported.

“QUANDO QUANDO QUANDO”

By: Engelbert Humperdinck

Tell me when will you be mine
Tell me quando, quando, quando
We can share a love divine
Please don't make me wait again

When will you say yes to me
Tell me quando, quando, quando
You mean happiness to me
Oh my love, please tell me when

Every moment's a day
Every day seems a lifetime
Let me show you the way
To a joy beyond compare

I can't wait a moment more
Tell me quando, quando, quando
Say it's me that you adore
And then darling, tell me when

Every moment's a day
Every day seems a lifetime
Let me show you the way
To a joy beyond compare

I can't wait a moment more
Tell me quando, quando, quando
Say it's me that you adore
And then darling, tell me when
Oh my darling, tell me when
My darling, tell me when
