INVOCATION

As we gather here in our weekly meeting of your safety, we thank you for fellowship and family.

We ask that you will strengthen us, restore us and inspire us with your love. Lord, fill us with your peace so that as we journey onwards.

We would pour out your love and grace to us and others. We ask that our souls would catch the wind of your spirit so that we would take your promises to all the earth.

Amen.

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

ROTARIAN HYMN

By: George Canseco

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest
And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,
in a way help obtain Peace in the world
Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

PRESIDENT'S CORNER

RICHARD AZARES

PRESIDENT, RY2020-2021

My Fellow Rotarians and Guests,

My Fellow Rotarians , let us continue to show the world the uniqueness of Rotary. The simplest thing to do is to go back to the guiding principle of Rotary, the most basic of which is the OBJECT OF ROTARY.

This week Cebu Province has been experiencing heavy rains that causes a lot of flooding within the province and city of Cebu because of the tropical depression named “Leon”. It also resulted to the cancellation of our project last Thursday, 17 September which was the “I’M BASADOORS: Learning to your Doorsteps” a book donation to elementary and high school in the mountain barangay of Taptap and Tagba-o, Cebu City in coordination with TRF Chair Helbert Espinosa. Our Project Chair PP Manuel Gordon will update us on the next schedule of donation.

We also had our Area Coordination Meeting for the month of September 2020 last Saturday.

This coming Saturday 19th September is the INTERNATIONAL COASTAL CLEAN UP DAY and I am inviting every Rotarians and Rotaractors to join us. This is a joint project with 209th Squadron, Philippine Coast Guard Auxiliary (PCGA) CGAD-CV and Philippine Coast Guard (PCG) CDG-CV. This is our opportunity to do service and to fellowship with our partners and of course, we will follow the required health protocol.

Tonight is also a great opportunity to have the Past Assistant Governor Stephen Chian from Rotary Club of Cebu and the District Fundraising Subcommittee Chair as our guest speaker this evening on the topic “The Rotary Foundation”. This is an opportunity for all of us to learn and to understand about the Foundation, especially on contributions and matching grants.

That’s all for now and have a pleasant evening to all.

RICHARD AZARES

President, RY2020-2021

ROTARY INTERNATIONAL

OUR STRUCTURE

Rotary is made up of three parts: our clubs, Rotary International, and The Rotary Foundation. Together, we work to make lasting change in our communities and around the world.

Rotary Clubs

While Rotary clubs are grounded in the same values, no two are the same, because each community has its own unique needs. At club meetings in communities across the globe, our members come together to strengthen their connections to friends and neighbors and their commitment to improving lives.

Rotary International

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

The Rotary Foundation

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

ROTARY INTERNATIONAL

Rotary Areas of Focus PEACE AND CONFLICT RESOLUTION

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children.

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our [vision](#) of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

RC CEBU SOUTH INTERNATIONAL COASTAL CLEAN-UP DAY

19 SEPTEMBER 2020

The ever-increasing ocean trash – plastic waste in particular – has produced nothing less than a global crisis for ocean waters, marine habitat, human health and safety, wasted resources and lost revenues for many nations. Fortunately, this is one environmental issue addressed by tackling trash at the source before it has a chance to reach the water and by changing the behaviors that allow trash to end up in the first place.

International Coastal Cleanup (ICC) provides the opportunity to make a difference in a global movement by getting rid of trash/debris from shorelines, rivers, lakes and waterways; raising environmental awareness; and providing information which will guide and influence corporations and industries in developing smart solutions to the marine debris problem.

Ocean Conservancy's International Coastal Cleanup (ICC) is the world's largest volunteer effort for ocean's health. Held every third September of each year, thousands and thousands of volunteers from around the globe participate, clearing tons of trash from coastlines and lakes and recording every piece of trash collected on the Ocean Trash Data Form.

Thanks to volunteers around the world, the International Coastal Cleanup has become a beacon of hope, leading and inspiring in support of our ocean. Over the years, this movement has created a family that spans oceans and country borders. A network works together for something bigger than us. To our global network, we thank you.

Volunteer Now: We hope we'll see you at the next International Coastal Cleanup!

DTI sees no increase in prices of Christmas products

MANILA, Philippines — The Department of Trade and Industry (DTI) on Thursday said it is not expecting an increase in the prices of Christmas products because of a slack in demand.

But as the holiday season approaches, DTI Secretary Ramon Lopez is encouraging the public to buy goods to help businesses amid the coronavirus disease (COVID-19) pandemic.

“Ang demand ay mahina naman kaya hindi natin inaasahang talagang tataas ang mga presyo ngayong kapaskuhan na ‘to,” Lopez said in an interview over Tele-radyo.

(There is a weak demand that’s why we’re not expecting prices to increase this coming Christmas season.)

“So sana na nga lang, hindi sobrang bumagal ang demand, ito rin ang kailangan ng negosyo ngayon na sana mga kababayan natin, mamili pa rin nang mamili,” he added.

(But we hope that the demand will not continue to slow down because this is what businesses need right now, for our countrymen to buy.)

“A MAN WITHOUT LOVE”

By: Engelbert Humperdinck

I can remember when we walked together
Sharing a love I thought would last forever
Moonlight to show the way so we can follow
Waiting inside her eyes was my tomorrow
Then something changed her mind, her kisses told me
I had no loving arms to hold me

Every day I wake up then I start to break up
Lonely is a man without love
Every day I start out then I cry my heart out
Lonely is a man without love
Every day I wake up then I start to break up
Knowing that it's cloudy above
Every day I start out then I cry my heart out
Lonely is a man without love

I cannot face this world that's fallen down on me
So if you see my girl please send her home to me
Tell her about my heart that's slowly dying
Say I can't stop myself from crying

Every day I wake up then I start to break up
Lonely is a man without love
Every day I start out then I cry my heart out
Lonely is a man without love
Every day I wake up then I start to break up
Knowing that it's cloudy above
Every day I start out then I cry my heart out
Lonely is a man without love

Every day I wake up then I start to break up
Lonely is a man without love
Every day I start out then I cry my heart out
Lonely is a man without love
