INVOCATION

God of peace, we invite You to preside over this meeting. Even if we have different opinions, give us unity of spirit.

Help us to each listen politely as others share their points of view. Help us to work as a unified team in combining ideas for a great outcome. Help us to work as a whole, rather than as individuals trying to promote their own agendas.

May we have a spirit of camaraderie in this room and work collaboratively on our shared mission. Amen.

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

ROTARIAN HYMN

By: **George Canseco**

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest
And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.
Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,
in a way help obtain Peace in the world
Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

PRESIDENT'S CORNER

My Fellow Rotarians and Guests,

Maayong gabii sa inyong tanan ...

Later this month, Rotary International will be celebrating the WORLD POLIO DAY, so they are encouraging all the clubs in the world to celebrate it through a various project. Polio eradication is very relevant to all the lives especially to the children because there are so many communities still live today with the scars and effects of having contracted with the disease in the younger ones.

Therefore let us support our District 3860 on the various END POLIO PROGRAM by creating awareness to all. At this time, our movement is still limited due to pandemic and yet we may find ways on how we can be of help to all to create such awareness.

Last Sunday we have joined the Area 1A Mangrove Planting and Coastal clean-up headed by the Rotary Club of Naga Central and Rotary Club of Cebu Port Centre. Thanks to our Rotarians, PEN Jack Torrejos and his family, Rtn. Richard Cabaluna, New Rotarian Al Cedeno and PP Aaron Recla and to our Rotaractors headed by Pres. Alvin Agnes who took the liberty to wake up early in the morning just to take time and participate in serving the community. To all of you, daghang salamat.

We have lined-up projects for this month and I encourage everyone to join and participate. More details to follow.

Enjoy the cool evening and have a great weekend to all.

ROTARY INTERNATIONAL INFORMATION

A Rotary Community Corps is a group of non-Rotarians who share our commitment to changing the world through service projects.

RCC members plan and carry out projects in their communities and support local Rotary club projects.

There are more than 10,000 corps in 100 countries. RCCs are active everywhere Rotary is present: in urban and rural areas, and in both developed and developing countries.

What's involved?

By joining or organizing an RCC, you can make a tremendous impact in your community.

How do I join an RCC?

RCCs can exist anywhere a local Rotary club sponsors one. You can find an RCC in your area by contacting your local Rotary club. If there isn't a community corps, discuss the idea of starting one with your local Rotary club president. [Learn more about what you can do through a Rotary Community Corps.](#)

How do I sponsor an RCC?

By sponsoring an RCC, you're giving more people a chance to take action to solve your community's problems. Fill out an [organization form](#) and email it to [Rotary International](#).

For years, Rotary clubs and districts have been using Rotary Foundation global grants to work with our partners to expand access to learning, realizing that education is a pathway out of poverty. The COVID-19 pandemic, with school closures, loss of jobs, and social distancing, has threatened to reverse some of those gains. Learn how [Rotary and partner organizations are pivoting to meet the challenges](#) imposed by the pandemic, including supporting remote learning. How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

RC CEBU SOUTH BREAKING NEWS

PRC eyes online licensure exams amid

COVID-19

MANILA, Philippines — The Professional Regulatory Commission (PRC) is eyeing the conduct of online licensure exams amid the threat of the coronavirus disease (COVID-19) pandemic.

During the Senate hearing on the budget of the Department of Labor and Employment (DOLE) on Thursday, PRC chairman Teofilo Pilando Jr. said the commission is eyeing the use of “more technology-based examinations.”

“Yes. we’re thinking of using more technology-based examinations but we are to begin operation for that,” he said when asked if the commission is planning about administering online examinations.

He said the PRC is still preparing for the conduct of online exams and will administer it with smaller board exams first.

“We might be able to start with the smaller boards, which will be more manageable,” he said.

Due to the pandemic, the PRC has [rescheduled the conduct of licensure exams](#) to next year.

Capitol microenterprise program application up until Oct. 31

CEBU CITY, Philippines — Micro-entrepreneurs and those aspiring to start up their own micro enterprises have until October 31 to sign up for the Capitol’s assistance program that it recently launched in a bid to get the economy back on its feet from the effects of the pandemic.

The Capitol’s Sugbo Negosyo program comes in three categories: “Negosyong Padayonon,” or Category A for existing microenterprises; “Produktong Sugbuanon” or Category B for those aspiring to build their own business in manufacturing or processing of products; and “Mga Serbisyo ug Ginagmayng Patigayon” or Category C for micro-businesses engaged in trading services.

Those who will apply under Category A will receive goods, equipment, or raw materials worth P50,000; Category B will get a package worth P20,000, while Category C will have a package worth P10,000.

According to a Capitol news release, the raw materials, goods and equipment will be sourced from partner suppliers through a digital card.

RC CEBU SOUTH FELLOWSHIP SINGING

“CAN WE JUST STOP AND TALK AWHILE”

By: Jose Marie Chan

Fancy meeting you alone in the crowd
Couldn't help but notice your smile
While everybody else around us is going about
Can we just stop and talk awhile?

I've been often told our world's growing old
And that friends are harder to find
Do tell me more about yourself
We could share a thought or two
Now who would mind?

Maybe then we could go for a ride
Drive down to the countryside
Get away from the gray
And frenzied hurly-burly of the city life

Early yet to say what lies ahead
It's the first day of the rest of our lives
Can we just stop and talk awhile
Get to know each other
Who are we to know?
Love could be waiting at the end
'Round that bend and so
Let's stop and talk awhile

Maybe then we could go for a ride
Drive down to the countryside
Get away from the gray
And frenzied hurly-burly of the city life

Early yet to say what lies ahead
It's the first day of the rest of our lives
Can we just stop and talk awhile
Get to know each other
Who are we to know?
Love could be waiting at the end
'Round that bend and so
Let's stop and talk awhile
Let's stop and talk awhile
Let's stop and talk awhile
