INVOCATION

God of peace, we invite You to preside over this meeting. Even if we have different opinions, give us unity of spirit. Help us to each listen politely as others share their points of view. Help us to work as a unified team in combining ideas for a great outcome. Help us to work as a whole, rather than as individuals trying to promote their own agendas. May we have a spirit of camaraderie in this room and work collaboratively on our shared mission.

Amen.

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

ROTARIAN HYMN

By: **George Canseco**

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest
And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.
Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,
in a way help obtain Peace in the world
Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

PRESIDENT'S CORNER

My Fellow Rotarians and Guests,

Good evening ...

"People are most likely to remember the great social interaction they had with colleagues that the great meeting they both attended, "Ron Gar-an. We are proud to say that as of today the club has achieved one (1) club induction, eight (8) regular membership meeting and eight (8) regular fellowship meeting with a total of seventeen (17) meetings. It is a milestone of our club that despite the pandemic we continue to reach out to each other via our zoom weekly meetings.

I would like to take the opportunity to thank our fellow Rotarians who have availed of The Rotary Foundation matching grant amounting to USD 500.00. A total of nine (9) members who have availed to become a Multiple Paul Harris and New Paul Harris Fellow. We are still encouraging more members to avail. Each of your contribution means a lot to fund various projects of Rotary International, the District and to our club. Thank you also to our fellow Rotarians who paid on their club dues.

Tonight is special as we are going to focus our discussions on reviewing and the approval on the planned club's expenses for the Rotary Year 2020-2021. I am counting on everyone to share your inputs, ideas, concerns and other matters in order for us to be successful in our planning for the club operations and project implementations.

We are looking forward to another fruitful week in the service of Rotary.

Daghang salamat.

ROTARY INTERNATIONAL SERVICE AND ENGAGEMENT

Maintaining community development during a pandemic

The United Nations sees the COVID-19 pandemic as more than just a health crisis — it's affecting communities and economies at their core. While the impact varies from country to country, the pandemic will likely increase poverty and inequalities on a global scale. That's why the UN is encouraging socioeconomic responses to try to mitigate the harm to lives and livelihoods for years to come.

The UN has issued a [framework](#) for a response to COVID-19 to support countries' social and economic recovery. During October, Community Economic Development Month, consider how you can take action to support your community. The framework consists of five key areas:

1. Protecting health systems to ensure that essential services remain available.
2. Helping people cope using programs that can provide access to basic services and reduce poverty.
3. Protecting jobs and supporting small and medium-sized enterprises and informal sector workers through economic response and recovery programs.
4. Advocating for policies to help the most vulnerable and strengthening regional responses.
5. Investing in community-led response systems and promoting social cohesion.

The UN also advocates for environmental sustainability and gender equality to "[build back better](#)" and work toward achieving the [Sustainable Development Goals](#).

How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

Chan to appeal to senators: Retain PEZA power to grant incentives

LAPU-LAPU CITY, Philippines — Lapu-lapu City Mayor Junard “Ahong” Chan plans to send a letter to senators appealing for the retention of the Philippine Economic Zone Authority’s power to grant incentives to its registered export-oriented enterprise.

Earlier, the Mactan Export Processing Zone Chamber of Exporters and Manufacturers (Mepzcem) submitted a position paper in the Senate threatening that they would pull out of the country if Congress would pass the Corporate Recovery and Tax Incentives for Enterprises (CREATE) Bill.

Under the CREATE Bill, PEZA incentives, which include income tax holiday, duty-free importation of raw materials and capital equipment, domestic sales allowance, and exemption from payment of local government taxes and fees, will be “modernized” to include tax breaks of select investors.

Labella assures healthcare workers anew: Cash incentives to be released soon

CEBU CITY, Philippines — Cebu City Mayor Edgardo Labella once again assured healthcare workers entitled to receive the city’s cash incentives that they would get them soon.

Labella, in a press interview on Monday, October 19, 2020, told reporters that the city was already processing the release of the monetary benefits. “The incentives for our healthcare workers are now being processed by our City Accounting Office,” said Labella.

RC CEBU SOUTH FELLOWSHIP SINGING

“PUT YOUR HEAD ON MY SHOULDER”

By: PAUL ANKA

Put your head on my shoulder
Hold me in your arms, baby
Squeeze me oh so tight
Show me that you love me too

Put your lips next to mine, dear
Won't you kiss me once, baby
Just a kiss goodnight, maybe
You and I will fall in love
(You and I will fall in love)

People say that love's a game
A game you just can't win
If there's a way
I'll find it someday
And then this fool will rush in

Put your head on my shoulder
Whisper in my ear, baby
Words I want to hear
Tell me, tell me that you love me too
(Tell me that you love me too)

Put your head on my shoulder
Whisper in my ear, baby
Words I want to hear, baby
Put your head on my shoulder
