# THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

# PRESIDENT'S CORNER

My Fellow Rotarians and Guests,

Good evening ...

Last week the club had a coordination meeting with our project chair on Basic Education and Literacy PAG Manuel Gordon together with me PE Rail and together with the representatives from Ayala Business Club to discuss about the distribution and schedule to be done early this week.

Yesterday we have started with our I'M BASADOORS: Learning Through Your Doorsteps book distribution of 1000 pcs, to the schools various schools in San Roque Liloan. The said books were received by five (5) Principal representatives to their designated schools.

As the country is currently facing a crisis due to the effect of typhoon Ulysses, may we ask each one of your kind support and assistance and you may currently coordinate with us. The donation is open to anything cash, in kind, hygiene materials and others.

Tonight it is another ROTARY LEARNING as we have our guest speaker no other than the District Secretary of RY2021-2021 Cary Beatísula on the topic: My Rotary Central. Let us all welcome him to our meeting.

Enjoy weekend and have a pleasant evening to all.

Daghang salamat.

## November Message from RI President Holger Knaack

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

*I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our communities and take action where others feel paralyzed by the size and scope of a problem.*

*Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?*

*As a diversity, equity, and inclusion consultant, I help organizations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every woman or man reminds you of your mother or brother, you start seeing the world differently.*

*We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?*

*I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.*

*We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.*

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. *Rotary Opens Opportunities*

### **How District 3860 Evolved**

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

#### **DISTRICT 3860**

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

# RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

## 400% increase in scam, fraud entities

CEBU CITY, Philippines — Authorities remind Cebuanos once again to be wary of investment offerings while quarantine restrictions are still in place. This after the Securities and Exchange Commission (SEC) posted a 400 percent increase in the number of fraudulent entities, and scam groups reported to their office during 2020's first 10 months. In a statement dated November 8, 2020, SEC – Cebu Extension Office (SEC-Cebu) said their agency observed a meteoric rise in investment scams and other types of fraudulent activities in the entire country for this year compared to those recorded in 2019.

“WHAT A WONDERFUL WORLD”

By: LOUIS ARMSTRONG

I see trees of green  
Red roses too  
I see them bloom  
For me and you  
And I think to myself  
What a wonderful world

I see skies of blue  
And clouds of white  
The bright blessed day  
The dark sacred night  
And I think to myself  
What a wonderful world

The colors of the rainbow  
So pretty in the sky  
Are also on the faces  
Of people going by  
I see friends shaking hands  
Saying, "How do you do?"  
They're really saying  
"I love you"

I hear babies cry  
I watch them grow  
They'll learn much more  
Than I'll never know  
And I think to myself  
What a wonderful world

Yes, I think to myself  
What a wonderful world

Oh yeah
