"THE ONLY LIMIT TO OUR REALIZATION OF TOMORROW WILL BE OUR DOUBTS OF TODAY." - MOTIVATIONAL QUOTE BY FRANKLIN D. ROOSEVELT

INVOCATION

Loving Lord, we thank You that You listen to us;
please help us listen to each other.

May each of us around this table really hear what our
team members are saying.

Enable us to acquire and understand the accurate in-
formation we need and its implications, so we can
make informed decisions.

Help us hear the complete message being communicat-
ed.

Help us not get distracted by things within or outside
this room.

Help us avoid thinking of what we want to say when
we should instead be listening and absorbing what is
being communicated.

Amen. .

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

ROTARIAN HYMN

By: George Canseco

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest
And if I, in a way help obtain
Peace in the world Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest
And if we, in a way help obtain
Peace in the world Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,
in a way help obtain Peace in the world
Then we won't have lived in vain. Peace be achieved,
So we won't have lived in vain.

ROTARY INTERNATIONAL NEWS UPDATE

Rotary Foundation receives highest rating from Charity Navigator for 13th consecutive year

For the 13th consecutive year, The Rotary Foundation has received the highest rating — four stars — from [Charity Navigator](#), an independent evaluator of charities in the U.S.

The Foundation earned the recognition for adhering to sector best practices and executing its mission in a financially efficient way, demonstrating both strong financial health and commitment to accountability and transparency. Only one percent of the organizations Charity Navigator evaluates have received 13 consecutive 4-star evaluations.

"Your achievement and 4-star rating will enhance your organization's fundraising and public relations efforts," says Michael Thatcher, president and chief executive officer of Charity Navigator. "This exceptional designation sets the Foundation apart from its peers and demonstrates to the public its trustworthiness."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

Dear Rotarians, Rotaractors, and friends, By now we have sadly grown accustomed to hearing of the need to shift major public events to being held virtually rather than face to face. Unfortunately, the Rotary Board of Directors was compelled to again make the difficult decision to celebrate this year's International Convention as a virtual event. While this may not be an unexpected decision, it is still a deeply disappointing one — for us and for our friends in Taiwan who have been planning an exceptional event. I want to thank the Host Committee for the admirable job they did building support for what surely would have been one of Rotary's finest events. We had hoped that a combination of vaccine uptake and public health measures would have brought the COVID-19 pandemic under control. We all know that in many parts of the world the pandemic is still raging and we must maintain our vigilance and patience before resuming major public gatherings. Taiwan has done an admirable job managing the pandemic — and local Rotarians were still eager to host and celebrate with us. Under the guidance of the World Health Organization and the local public health organization in Taiwan, it became clear that an event of this scale would be impossible to host safely. While we are disappointed that we could not have a traditional convention, we are excited about the virtual event being planned for all Rotarians worldwide. Last year's convention attracted significant viewership during its weeklong program. This year, we will channel all we have learned about staging the very best in virtual events into a program that promises to open new opportunities for you to be entertained, enlightened and energized. We will share more details about the 2021 Virtual Convention soon. Convention, pre-convention, and ticket refunds We will automatically cancel and refund all existing registrations. This includes purchases made for the Rotaract and Youth Exchange and the Intercountry Committees pre-convention events, and ticketed meal events. We kindly ask that you do not contact RI Registration to inquire about your registration, ticket, or housing cancellations as we work diligently to inform all attendees and process cancellations and refunds. For those who had already canceled prior to today, you will also receive a refund of the \$50 processing fee. Host Organization Committee (HOC) ticketed event registrations The HOC event ticket fees will be refunded by the Taipei HOC. For more information, please visit rotarytaipei2021.org. Hotel rooms If you have secured accommodations within Rotary's official housing block, no action will be required on your end. Maritz, Rotary's official housing partner, will contact you with the details of your cancellation. If you have secured a group room block and made a full or partial payment, you will receive a follow-up communication and instructions on receiving a refund. I want to thank all Rotarians and Rotaractors around the world for your understanding and your continued willingness to learn and adapt. We are becoming a stronger, more nimble organization because of this, and our Virtual Convention will be a reflection of this new Rotary. Please be safe and take care of each other.

Kindest regards, Holger Knaack President, Rotary International, 2020-21 ONE ROTARY CENTER 1560 SHERMAN AVENUE EVANSTON, ILLINOIS 60201-3698 USA ROTARY.ORG

How District 3860 Evolved

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

DISTRICT 3860

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

MCIA logs “very low” traffic passenger in 2020 ...

LAPU-LAPU CITY, Philippines –The Mactan-Cebu International Airport (MCIA) has only recorded a ‘very low’ 2.7 million combined passenger traffic in 2020 for both domestic and international travel.

This was confirmed by Aines Librodo, GMR-Megawide Cebu Airport Corporation (GMCAC) head for Airline Marketing.

Librodo said that the 1.9 million domestic travel traffic is very low, compared to the 8.4 million passenger traffic for 2019.

“It’s really low kasi ang normal namin in 2019 we have 8.4 million domestic passengers. Last year or 2020, it’s really very low,” Librodo said.

For international passengers, Librodo said that the airport’s passenger traffic only reached 800,000 passengers, which is also very low compared to the 4.3 million passengers in 2019.

Librodo said that he is hoping that the Inter-Agency Task Force (IATF) on the Management of Emerging Infectious Diseases would already relax its policy for domestic passengers traveling within the country, to bring back the vibrance of the travel and tourism industry in the Philippines.

She said that other countries in Southeast Asia were no longer that strict in their policies for domestic travel. /rcg

“PUT YOUR HEAD ON MY SHOULDER”

By: MICHAEL BUBLE

Put your head on my shoulder
Hold me in your arms, baby
Squeeze me oh so tight
Show me that you love me too

Put your lips next to mine, dear
Won't you kiss me once, baby
Just a kiss good-night
Maybe you and I will fall in love

Some people say that love's a game
A game you just can't win
If there's a way
I'll find it some day
And then this fool will rush in

Put your head on my shoulder
Whisper in my ear, baby
Words I want to hear tell me
Tell me that you love me too

Some people say that love's a game
A game you just can't win
If there's a way
I'll find it some day
And then this fool will rush in

Put your head on my shoulder
Whisper in my ear, baby
Words I want to hear tell me
Put your head on my shoulder
