# INVOCATION

Oh Lord, this meeting has occurred because we want to do good for Your kingdom.

I pray that we do not grow weary while doing this good thing, for in due season we shall reap if we do not lose heart.

I believe that You will guide us in this meeting so that the results can be seen days, months, and even years after today.

We come expecting to make a mark on this earth that is significant, but we can only do it with Your guidance.

Amen.

# THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-way test. It was created by Rotarian Herbert J. Taylor in 1932 where he was asked to take charge of a company that was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy.

Herb Taylor became President of the Rotary International in 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than a hundred languages and pub-

# ROTARIAN HYMN

By: George Canseco

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test I will pursue my quest  
And if I, in a way help obtain  
Peace in the world Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world Then we won't have lived in vain.

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

Refrain :

With the Four Way Test We'll pursue our quest And if we,  
in a way help obtain Peace in the world  
Then we won't have lived in vain. Peace be achieved,  
So we won't have lived in vain.

# ROTARY INTERNATIONAL NEWS UPDATE

## Volunteers work to keep the community of Kingston, Ontario, healthy and safe

by Arnold R. Grahl

If ever there was a time for Rotary to step up and take initiative, this was certainly it.

**Paul Elsley**

Rotary Club of Kingston

Rotary and Rotaract members in Kingston, Ontario, Canada, have been volunteering at the region's largest COVID-19 vaccination center, helping to facilitate the process of immunizing hundreds of people per day.

Shortly after COVID-19 vaccines became available to the province in March, Kingston, Frontenac and Lennox & Addington (KFL&A) Public Health converted a hockey rink in the INVISTA Centre into a vaccination site. Local health workers have been vaccinating about 300 people a day and are preparing to inoculate up to 2,000 a day when more vaccine become available.

Appointments were initially open to medical workers, people who are at least 80 years old, and residents of nursing or retirement homes. But appointments will expand to people in other demographic groups when the supply increases.

Mike Moore, a member of the Rotary Club of Kingston-Frontenac, was watching news coverage of mass COVID-19 vaccination sites in the U.S. when he realized local Rotary clubs could be of use at the site near them.

"It's directing traffic or directing people or assisting in any non-technical way," says Moore. "This is what we do — we volunteer for stuff like this all the time. Our public health authorities aren't usually dealing with a pandemic, and I knew they would need help."

# ROTARY INTERNATIONAL RI CONVENTION TAIWAN 12-16 June 2021

The Rotary International Convention, scheduled for 12-16 June 2021, in Taipei, Taiwan, will now be a virtual event in response to the ongoing threat of COVID-19.

We are sorry that we will not see you in Taipei this year, but this decision, made by the Rotary Board of Directors, is necessary to protect the health of everyone involved. We will share more details about the 2021 Rotary International Virtual Convention soon. Here's what you need to know now:

Convention, pre-convention, and ticket refunds

RI will automatically cancel and refund all existing registrations. This includes purchases made for Rotaract, Youth Exchange, and Intercountry Committees pre-convention events, and ticketed meal events.

We kindly ask that you NOT contact RI Registration to inquire about registration, ticket, or housing cancellations as they work diligently to inform all attendees and process cancellations and refunds. Those who had already canceled prior to today will receive a refund of the \$50 processing fee.

Host Organization Committee (HOC) ticketed event registrations

The HOC event ticket fees will be refunded by the Taipei HOC. For more information, please visit [rotarytaipei2021.org](http://rotarytaipei2021.org).

Hotel rooms

No action is required from those attendees who made accommodations secured within Rotary's official housing block. Maritz, formerly Experient and Rotary's official housing partner, will contact those who currently have rooms secured with the cancellation details. Others who have secured group room blocks and made a full or partial payment will receive a follow-up communication and instructions on receiving a refund.

We will post more details as they become available.

### **How District 3860 Evolved**

(By: PDG Xavier C. Ledesma and PDG Antonio Tambunting, Jr.)

#### **DISTRICT 3860**

Fourteen years after the first Rotary club was organized by Paul P. Harris in Chicago, the Rotary movement reached the shores of the Philippines when the Rotary Club of Manila, the first Rotary club in Asia, was chartered in June 1919.

Thirteen years later, RC Manila sponsored the birth of the first Rotary club outside Manila and the second in the country – Rotary Club of Cebu – on November 26, 1932 with 26 charter members. This was followed in 1933 by the organization of the Rotary Club of Iloilo.

# RC CEBU SOUTH MILESTONES

In the beginning, the Rotary Club Cebu South was just the proverbial “gleam-in-the-eye” of RC Cebu West resident Joe Cavan, and former District Governor Marianing Ilano. The year was 1968, and a feasibility study showed that there were as many as 92 classifications that could be availed of in the southern portion of the sponsoring club’s territory. The matter was not pursued, however, and it was not until the incumbency of President Tom Espina that the move to form the new club was revived by then District Governor Onor Lozano.

On January 8, 1972 the Rotary Club Cebu South was formally organized at a meeting held at Cavan’s Resort in Guadalupe, Cebu City, and a Charter was applied for. On March 5, 1972, Rotary International gave its official sanction to the club and released its Charter as the Fourth Club in RI District 385. On May 27, 1972, Rotary Club Cebu South held its Charter Presentation and Induction at the Casino Espanol de Cebu, with first President Munding Crystal accepting the Club Charter from District Governor Onor Lozano. There were 28 Charter Members then.

Through the years, the club continues to create footprints and impact in the service of the rotary. Its passions for service were manifested by the countless awards and citations as it rises to prominence and importance. The club prided itself for having a new President every rotary. This is just among the qualities of its members who can be the leader of the Club that can continue its legacy and identity. Currently, the Club has 30 active members. Even with the swift passing of the time that some men of honor and dedication to Club’s service have gone by, the Club’s enthusiasm to serve the community and do better has earned in the Rotary Year 2016-2017 marvelous and exceptional awards, as follows:

- ◆ MOST OUTSTANDING CLUB OF DISTRICT 3860
- ◆ PRESIDENTIAL CITATION AWARDEES
- ◆ 100% FOUNDATION GIVING CLUB
- ◆ SUCCESSFULLY TRANSFORMING INTO A MIXED GENDER CLUB

Eat plenty of fruits, vegetables and whole grains to reduce your risk of cancer and other chronic diseases.

**Get and keep a healthy weight.**

Choose your foods wisely, watch portion sizes and be active! You will lower your risk for heart disease, diabetes and high blood pressure.

**Move your body.**

Try for 30 to 60 minutes of moderate physical activity on most days. Being active boosts your mood and your fitness!

*Keep stress in check.*

Too much stress can hurt your health. Regular exercise, talking things over with friends or family, and setting limits can help.

**KEEP SAFETY IN MIND.**

Take the time to learn ways to stay safe at work, home or play. For example, use seat belts, and protect your skin from the sun.

**Get plenty of sleep.**

A good night's sleep can help your mood and your health.

**Stay tobacco free.**

Tobacco has been linked to serious health problems such as lung and heart disease, cancer and stroke.

**LIMIT ALCOHOL.**

This means no more than one drink per day for women, two drinks per day for men. Heavy drinking raises the risk of liver disease, certain cancers and other health problems.

**Get routine exams, screenings and vaccinations.**

Talk to your doctor or visit a clinic to find out what you need. When health problems are caught early, they are often easier to treat and cure.

**WASH YOUR HANDS.**

Scrub with warm soapy water for at least 20 seconds. Always wash after you sneeze, cough or blow your nose; before you eat or fix food; and after you use the bathroom or change a diaper.

# RC CEBU SOUTH FELLOWSHIP SINGING

“MAGING SINO KA MAN”

By: REY VALERA

Ang pag-ibig ay sadyang ganyan  
Tiwala sa isa't isa'y kailangan  
Dati mong pag-ibig wala akong pakialam  
Basta't mahal kita kailan pa man

'Wag kang mag-isip ng ano pa man  
Mga paliwanag mo'y di na kailangan  
At kahit ano pa ang iyong nakaraan  
Mamahalin kita maging sino ka man

Mahal kita pagka't mahal kita  
Iniisip nila ay hindi mahalaga  
Mahal kita maging sino ka man

Mali man ang ikaw ay ibigin ko  
Ako'y isang bulag na umiibig sa 'yo  
At kahit ano pa ang iyong nakaraan  
Mamahalin kita maging sino ka man

Mahal kita pagka't mahal kita  
Iniisip nila ay hindi mahalaga  
Mahal kita maging sino ka man
