Dear Fellow Rotarians

Happy New Rotary Year!

As we begin the year, let me first extend my heartfelt appreciation on the warm and successful induction night we had last June 29, 2019. One of the well-attended events of the year where almost everyone from the club attended together with their lovely spouses and partners, my classmate Club Presidents, PDGs of District 3860 as well guests from RC Manila, our Mother Club, and Sister Club RC Pohang. It was truly a success! Thank you very much President Elect Edward Gaisano and his team who did an excellent job!

The success of this Rotary year is not dependent on what I can most possibly achieve but what each one of us and what we as a club can collectively accomplish. To make this happen, we need each one to be inspired, each member to be engaged looking for that Rotary moment, and eventually, we bring out the best in our club. This year's theme of Rotary Connects the World pushes us to focus our effort on connecting with the community, consisting of multiple people of different backgrounds and vocations, to the people around the world who thinks and feels like us in serving the people who needs our help. This was very evident in the recent fire that gutted more than 300 houses affecting more than thousand lives, where our Sister Club RC Pohang donated US \$1000 for these victims. Let's not get far, our RC Cebu members and friends, in just one day was able to gather a considerable amount of Php 150,000.00 during the day of our Induction. Truly, the club went above and beyond when members from the club distributed the pack of goodies early morning to the site. All these were possible because we are connected with each other and we partner with the people who are generous enough to get out of their comfort zone, longing to make an impact, to be part of something larger than ourselves and serve humanity.

Today, we shall have our Business meeting. We will present the successful "Sign-up" campaign of our Six (6) Committees and each Committee Chairs. We want to make this club, an inclusive club. We want members to be part of one or more committees and become active and engaged in their own big or small way. In addition, let me extend my invitations to our families, and in particular, involve them in our activities and meetings for them to witness first-hand what their Dads, Grandpas and uncles are busy with. Rotary and family should complement rather than compete. We see these children as the future Rotarians, thus addressing sustainability in Rotary.

I look forward to serving with you this year and let us all find that Rotary moment and make a difference to the world!

Yours in Rotary,

**Michael P. Torres**

## INVOCATION

We beseech Thee, Our Heavenly Father to bestow Thy grace upon this meeting. As we enjoy our fellowship, one with another, may we grow in stature, so that we may be able to give more to our friends in Rotary, and in turn give strength to the ideals of Rotary in the service to mankind. Amen.

## NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhi-on ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landog sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

## **PRESIDENT'S MESSAGE**

**Mark Daniel Maloney**  
**President 2019-20**

**July 2019**

I love to travel! I even enjoy the mundane process of getting from here to there. But last year, my wife, Gay, and I had one of those experiences that would strain the optimism of even the most cheerful traveler. We found ourselves with six hours to wait, at an airport where we were not scheduled to be, on a day we had not planned still to be traveling, having woken up that morning at a hotel unknown to us the night before. It was one of those days.

As we waited at John F. Kennedy International Airport in New York City, Gay and I took a walk to people watch. We went from one end of the terminal to the other and back, looking at every gate, every destination, every group of people waiting for their flights.

Each gate was its own island of humanity. When we walked down the center of the concourse, we were in New York, moving along with everyone in one river. But when you veered off into those seats, you left that current and landed on an island. You were already in Delhi or Paris or Tel Aviv.

As we started our walk, I thought: "All these different people, all these different countries, all in one place. This is like Rotary!" But as we walked past gate after gate, I realized something. It was not like Rotary at all. Because everyone in that river was heading for an island. And every island stayed an island. The people heading to Taipei might be talking to one another, but they were not talking to the people heading to Cairo or Lagos.

Contrast that with Rotary. Rotary allows us to connect with one another, in deep and meaningful ways, across our differences. It connects us with people we would never otherwise have met, who are more like us than we ever could have known. It connects us with our communities, to professional opportunities, and to the people who need our help.

Connection is what makes the experience of Rotary so very different from walking along that concourse at JFK Airport. In Rotary, none of us is an island. All of us are in Rotary together, whoever we are, wherever we are from, whatever language we speak or traditions we follow. We are all connected to one another — part of our communities and members not only of our clubs, but also of the global community to which we all belong.

This connection is what lies at the heart of the Rotary experience. It is what brings us to Rotary. It is why we stay. Please join your fellow Rotarians on this journey as Rotary Connects the World.

# Distribution of Donations to Tipolo, Mandaue Fire Victims

(June 29, 2019)  
Mandaue City, Cebu

**WHY IS THERE A NEW ROTARY GRANTS MODEL?**

In anticipation of The Rotary Foundation’s 100-year anniversary in 2017, the Trustees set out to develop a plan to move the Foundation towards its second century of service.

The Foundation has made only slight modifications to its program since its inception and the Trustees sought input from a wide variety of stakeholders through interviews, surveys, focus groups and input sessions in developing that Plan (known previously as Future Vision). The plan updates the Foundation’s mission and creates a more effective and efficient way to help Rotarians develop diverse projects with greater impact and sustainable outcomes.

**THE ROTARY FOUNDATION’S NEW GRANT MODEL WILL EMPOWER ROTARIANS TO CONTINUE ADVANCING WORLD UNDERSTANDING, GOODWILL, AND PEACE THROUGH THE IMPROVEMENT OF HEALTH, THE SUPPORT OF EDUCATION, AND THE ALLEVIATION OF POVERTY!**

# FELLOWSHIP SONG

## Ob-La-Di, Ob-La-Da

Desmond has a barrow in the  
marketplace

Molly is the singer in a band

Desmond says to Molly, girl, I like  
your face

And Molly says this as she takes  
him by the hand

CHORUS:

Ob la di, ob-la-da, life goes on, bra

La-la, how the life goes on

Ob-la di, ob-la-da, life goes on, bra

La-la, how the life goes on

Desmond takes a trolley to the  
jeweller's store

Buys a twenty carat golden ring

Takes it back to Molly waiting at  
the door

And as he gives it to her she begins  
to sing

(CHORUS)

In a couple of years they have built

A home sweet home

With a couple of kids running in  
the yard

Of Desmond and Molly Jones

Happy ever after in the market  
place

Desmond lets the children lend a  
hand

Molly stays at home and does her  
pretty face

And in the evening she still sings it  
with the band

(CHORUS)

In a couple of years they have built  
A home sweet home

With a couple of kids running in  
the yard

Of Desmond and Molly Jones

Happy ever after in the market  
place

Molly lets the children lend a hand  
Desmond stays at home and does  
his pretty face

And in the evening she's a singer  
with the band

(CHORUS)

And if you want some fun, sing ob-  
la-di, bla-da

## SENSE OF HUMOUR

(A joke a day keeps the doctor away)

### Small wooden ball at barbershop

A man enters a barbershop for a shave. While the barber is foaming him up, he mentions the problems he has getting a close shave around the cheeks.

"I have just the thing," says the barber taking a small wooden ball from a nearby drawer. "Just place this between your cheek and gum."

The client places the ball in his mouth and the barber proceeds with the closest shave the man has ever experienced. After a few strokes, the client asks in garbled speech, "And what if I swallow it?"

"No problem," says the barber. "Just bring it back tomorrow like everyone else does."

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ① The development of acquaintance as an opportunity for service;
- ② High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ③ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ④ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL  
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO  
ALL CONCERNED?
