Dear fellow Rotarians

Maayong hapon sa tanan!

Last Sunday, July 28, 2019, was the District's Bloodletting event held at Robinsons Galleria which yielded a total of 152 bags for that day in Cebu. The whole District covering the Areas of 1-3 had a total of 729 bags. Thank you to all the members: PN Jacob; Dir. Edward Tan Ting; Mike Tan; DJ and Mitch as well as the family of Mike Edenburn, who were there to spend their Sunday and have lined up for the blood donation. Special thanks to PP Jonathan Gesalem for his support to this activity, sending dozens of Dunkin Donuts.

The Service Project Committee met last Tuesday night with the attendance of Chairman Dir. Edward Tan Ting, PP Ricky Dakay, PP Bing Martinez, Rotarians Bobong Castillo, Mike Edenburn and DJ. I'd like to ask for your support to be part of this committee. Our objective is to have a high involvement of Members to take part in the different projects of our club, both on-going and proposed within the year. This is the avenue where one gets to be engaged and eventually become Rotarized. This will be your opportunity to capture those moments of serving the club and our community.

Have a great week ahead!

INVOCATION

Our Father who art in Heaven, may we, from the memories of this hour, derive inspiration that will be helpful to us individuals and as members of Rotary, and may it go with us in our daily walks of life and make us worthy of Thy blessing. We as in Thy Name. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

PRESIDENTIAL MESSAGE

Mark Daniel Maloney
President 2019-20

August 2019

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

Let us try a new approach to membership, one that is more organized and strategic. I am asking every club to form an active membership committee consisting of people of different backgrounds who will look methodically at the leadership of the community.

Your club's membership committee will then apply Rotary's classification system — designed to ensure that the range of professions in your community is well represented — to identify potential leaders with the skill, the talent, and the character that will strengthen your club. If your club's membership committee is unsure how to proceed, look to the club membership committee checklist on Rotary.org for clearly defined steps to organizing its work.

How else will we connect to grow Rotary? We will also form new types of clubs — either independent clubs or satellite clubs — with different meeting experiences and engaging service opportunities, not just where there is no Rotary, but also where Rotary is already thriving. No Rotary club in the world can possibly serve all segments of its community. Therefore, we must organize new clubs to engage the community leaders who cannot connect with our existing clubs.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

WHAT HAPPENED LAST WEEK...

BUSINESS MEETING

By: Walter Cang

Our last meeting of the month went off to a good start, thanks in part to the presence of 4 birthday celebrants who gamely answered the call to lead in fellowship singing. Perhaps it was due to the wine and cheese, or the full stomach from a good meal so they sang Bee Gee's "To Love Somebody". Or dare I say they tried to sing like Bee Gees. One thing for sure was Bee Gees they were not! But the spirit was strong and they were rewarded with their own birthday cake at the end of their rendition.

Our guest speaker was Dan Hapolito. Dan is an ECE who had worked with different companies in the technology space. Currently he's connected with Dell Technologies as their Systems Engineer (Philippines) and happened to just be in town for our meeting. He shared with us his thoughts on IT Transformation of businesses. He identified the 4 areas that it covers namely, Digital, IT, Workforce, and Security.

While technology presents the opportunity to take the big leap for many companies, it also presents many challenges and therefore one cannot jump

right in without changing the mindset of your organization's leaders and staff.

He identified these areas that need to be transformed and where pitfalls may be present. An example in the Digital area will be the transformation of traditional hard copies and physical files into digital format. Moving information into a space that will allow wider access and provide faster results. IT transformation may involve investments in modernizing or creating a data center, automating manual tasks, and changing operation procedures. Yet doing this without training and the support of your workforce will create an insurmountable challenge. More so when your staff fear they are being replaced and are just resistant to change. And if this wasn't enough concern, you now have to consider the exposure of confidential data; so a new mindset in handling data security has to be in place.

Overall, it was an interesting presentation, albeit a bit of a deep dive for some in the audience. But this is what our talks are all about. It should touch on areas that we are not familiar with, and on some days, it may even be on topics we are not comfortable with. For at the end of our meeting, when a member leaves with the joy of fellowship and more information that he came in with, he had certainly attended a good meeting.

RCC & RAC Cebu – Celebrates New Rotary Year

Imagine yourself giving each child a hope to show their priceless happiest gestures and smile, being able to play and go crazy. Isn't that an inspiring act? Just do it! The world needs that!

RAC Cebu assisted RCC in the traditional celebration of the Rotary New Year last July 14, 2019. This year, RCC led by champion President Mike Torres along with the members of the board and some Rotarians brought the boys of the CSYGC ward to Anjo's World which is one of the biggest amusement park in the entire province of Cebu. The club was represented by IPP Maico John Hipolito and Rtr. Nicole Fernandez.

Present on that day is RCC Executive Secretary April Saso Juarbal and her daughter Jeanne.

The boys enjoyed the unlimited rides and the very cold temperature of the Snow Word in which they've tried the ice slide which is one of the highlights of the amusement park. Some even says they've finally felt how it is to be in Korea since majority of them are fans of some famous Korean movies. They were very amazed of the smoke that comes out of their mouth every time they'll talk.

The whole place were wrapped with the loud laughter of the boys. Indeed, the smile in their faces was very priceless and they definitely enjoyed

the day.

FELLOWSHIP SONG

Be My Lady

Be my lady
Come to me and take my hand
and be my lady
Truly I must let you know
that I'm in love with you
All I want is you
How I need you
so please...

Be my lady
Maybe you could lose the pain
if you just tell me
Say the words you long to whisper
that I want to hear
something's on your mind
is it hidden in your smile

Be My Lady
Just forget the past it's time to mend
your broken heart
No walls divide us now
So dry the tears in your eyes
Nothing can stop us now
I'll give you all I have

Be My Lady

You're the one that I adore
So please believe me
I can never find the courage
To resist your charm
Nothing's more divine
Than each moment
You are mine

Be My Lady
Just forget the past
It's time to mend your broken heart
No walls divide us now
So dry the tears in your eyes
Nothing can stop us now
I'll give you all I have

Be My Lady
Let the sunshine through your heart
And make a brand-new start
Stay with me each night and day
Through the rest of my life
Just like a work of art
My love will last until forever

Just like a work of art
My love will last forever

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

Send in help

A guy calls the hospital and a nurse answers the phone.

The guy said, "Send in help because my wife is going into labor."

The nurse said, "Is this her first child?"

The guy replied, "No, this is her husband."

“

They think it doesn't happen in their town. But guess what: It happens in every town.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ❶ The development of acquaintance as an opportunity for service;
- ❷ High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ❸ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ❹ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?
