Dear fellow Rotarians

Maayong hapon sa tanan!

We have two reasons to celebrate this week. First, our global grant application (GG1874420) for funding to provide cleft lip and palate surgeries to low-income children in Philippines and help the medical professionals receive capacity building training in Philippines and Japan, submitted by the Rotary Club of Cebu and the Rotary Club of Yokosuka, has been approved by The Rotary Foundation. The award is in the amount of US\$ 163,000. We received this new last July 27, 2019. Special thanks to IPP Stephen and Dir. Charles Ong for their effort and contribution to make this happen.

Second, we received another approval for our Global Grant application for funding to provide four Vocational Training Team (VTT) visits specializing in Heart Disease that will be conducted at Vicente Sotto Memorial Medical Center (VSMMC) in Cebu City, Philippines., submitted by the Rotary Club of Cebu and District 7505, has been approved by The Rotary Foundation. The award is in the amount of US\$ 290,300.000. A special shout-out to Sec. Walter Cang for his patience and unwavering determination to have this GG application approved.

We thank God for all these blessings wherein we become instruments of His love for these underprivileged and marginalized children around us. We become His hands and feet to make these medical missions successful. Moving forward, I seek your commitment and voluntary support for all these projects as our team is need of warm bodies to assist in big and or small efforts pushing this up to its completion. Once again let me say this to all members and friends of Rotary Club Cebu, this is the avenue where one gets to be engaged and eventually become Rotarized. This will be our opportunity to capture those moments of serving the club and the communities.

Congratulations to RC Cebu, Cheers!

INVOCATION

Today we pray that we receive Your special blessing because we are committed to be a real service organization to help humankind. May each of us in our daily routine come to know the joy of caring and sharing with others not as fortunate as we are. May our motto that includes serving, caring and sharing be for us life in service. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

TRUSTEE CHAIR'S MESSAGE

Gary C.K. Huang
Trustee Chair 2019-20

August 2019

We have some very good problems that I want to discuss with you. The number of Rotary global grant requests is exploding. Rotarians are seeing the amazing impact of our grants, and they want to harness the power of global grants to take on ambitious projects.

One crucial aspect of our global grants is the emphasis on sustainability when planning a project. When we come together to tackle a problem, we do not just drop off a check and leave. We change lives. We bring sustainable solutions. The growth in the number of applications for global grants is a good problem to have; it shows Rotarians' dedication to service. But to fund more global grants, we need to keep The Rotary Foundation growing.

Another good problem we have is how best to support Rotarians' desire to provide relief in the face of disasters. Through our disaster response program, clubs can get grants from a new fund when a disaster strikes — but only if you fund it. We can help our fellow Rotarians rebuild quickly, but we need you to step up.

And we are so close to ending polio forever. All of us have done great things in our lives. But just imagine that you make the donation that funds those final drops that rid the world of polio forever. You will never do anything so great and so important in your life.*continue on page 8*

WHAT HAPPENED LAST WEEK...

BUSINESS MEETING

By: **Walter Cang**

Well the first month of Pres. Mike's term has come and gone and our attendance and guest numbers are stellar! Well done everyone. Our meetings are indeed a perfect mix of light moments, naughty banter, serious discussions and learning moments.

Before we had our guest speaker, Dir. Edward Tan Ting who chairs our Service Project Committee conducted a quick briefing on the state of affairs with our club's service projects. He started by outlining the importance of conduct service projects as a club, the need to balance the workload against the ability of our members to take part in. And to look into ways we can raise the funds and manage the risks. He then shared the different projects that were ongoing as the Rotary year started, what has since been completed and which ones are still ongoing and expected to close. He then moved to what he had identified as possible projects we can start this year. It was a hefty list and presented a lot of opportunities for the club and our leaders to choose from.

Our guest speaker, Ivy Llena, was no stranger to us as she was also our guest last year. Back then she took us on a journey of self-discovery

through an activity that elicited much laughter and fun. This year she came with her partner who got the ball rolling with an ice breaker, known as the different types of handshakes. As in the past, it took us off our seats and through a series of handshakes, starting with the business handshake, then the Hug-handshake, the Dutch-handshake and lastly, the French handshake. No doubt most of us were thoroughly disappointed with the last exercise, offset by the guffaws around the room!

Her talk centered around Employee Retention, something many organizations now face with the influx of a younger and internet exposed workforce. Her message was fairly clear, as it was based on human psychology and behavioral science as we know it. One her statement at the start was “We can’t stop employees from leaving unless we have a plan to make them stay.” Simple and direct. She briefly touched on why it is important for talent to remain, and the warning that by next year, 70% of workforce will be millennials, with a mind many of us are not able to fully grasp.

What followed next was a pyramid chart called Maslow’s Hierarchy of Needs that defined what matters to your workforce, and how it maps to

the typical work conditions and environment. She also pointed out what companies are doing to combat this concern and the gaps found in some approaches. She provided suggestions and ideas how companies can use the information to tweak their programs and cut down their turnovers. In the end, we know there is no magic pill and only through a series of steps and understanding what makes your workforce tick will be the answer. It was a compelling message and many of our members reached out to her after adjournment to book her time to continue the discussion into what will apply to their organization.

D3860 DISTAS and PESETS 2019

Be CONNECTED. Be DIFFERENT. Be YOU.

It's that much anticipated annual event of the year again where future leaders of the Rotaract clubs of D3860, will gather to formally prepare and train themselves for their respective positions. Incoming District officers, President elects and Secretary elects have graced the event at Cebu Parklane International Hotel last August 3-4, 2019. The

The Past, Present and Future Presidents of RAC Cebu. From (L-R) IPP Maico John Hipolito, PE Jemar Malinao & SE Mark Lester Sanchez

Rotaract Club of Cebu was well represented by PE Jemar Malinao, SE Mark Lester Sanchez, and IPP Maico John Hipolito who will also serve as an incoming Community Service Director of District 3860.

Gov Ed Chiongbian as one of the panelists during the Rotaract District 3860 PSETS and DTTS

The event was so insightful and informative due to the quality of Rotarian speakers that were lined-up by the organizers. The topics were also ideal and practical to equip the participants for their

current roles and responsibilities. The topic on Protocol taught us the proper guidelines, regulations and behavior of being a part of Rotary, most of which were new to us. The Netiquette topic helped us to be more conscious on the way we behave and the things we post on our online social media accounts. The topic on Fund Management taught us some tips to managing effectively our club finances, while the Public Image topic taught us that we should be "People of Action". The End Polio

topic gave us the story and impact behind this campaign that made it as one of the flagship campaigns of Rotary.

During the induction night of District Officers and Presidents, DG Philip Tan encourages Rotaractors to embrace the challenges and hardships in service. As he quoted "No Pain, No Gain", Rotaractors should not only seek the fun and fellowship aspect on why they join the organization. Instead, the focus should be on service above self to others and showcase of leadership amidst sacrifices and trials that may come along the way.

Special thanks to the Rotary Club of Cebu for the sponsorship to the 3 officers to be able to attend this must-attend District President-Elects Secretary-Elects Training Seminar (PESETS).

FELLOWSHIP SONG

Quando Quando Quando

Tell me when will you be mine
Tell me quando, quando, quando
We can share a love divine
Please don't make me wait again

When will you say 'yes' to me?
Tell me quando, quando, quando
You mean happiness to me
Oh, my love, please tell me when

Ev'ry moment's a day
Ev'ry day seems a lifetime
Let me show you the way
To a joy beyond compare
I can't wait a moment more
Tell me quando, quando, quando

Say it's me that you adore
And then, darlin', tell me when

Ev'ry moment's a day
Ev'ry day seems a lifetime
Let me show you the way
To a joy beyond compare

I can't wait a moment more
Tell me quando, quando, quando
Say it's me that you adore
And then, darlin', tell me when

Oh, my darlin', tell me when
Mmm, my darlin', tell me when

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

Stomach ache

A little girl went up to her mother one day while holding her stomach saying, "Mommy, my stomach hurts."

Her mother replied, "That's because it's empty. You have to put something into it!"

She then prepared a bowl of soup. Later that day the pastor and his wife came over for dinner.

The pastor began to feel bad. Holding his head he said, "I have such a terrible headache!"

The little girl looked up at him, giving him the sweetest smile that any little child could give. Then she said:

"That's because it's empty. You have to put something into it!"

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
