Dear fellow Rotarians

Maayong hapon sa tanan!

Allow me once again to congratulate the club for receiving the two major Global Grants in the last couple of days. First, our global grant application (GG1874420) for funding to provide cleft lip and palate surgeries to low-income children in Philippines and help the medical professionals receive capacity building training in Philippines and Japan. submitted by the Rotary Club of Cebu and the Rotary Club of Yokosuka. The award is in the amount of US\$ 163,000.

Second, we received another approval for our Global Grant application for funding to provide four Vocational Training Team (VTT) visits specializing in Heart Disease that will be conducted at Vicente Sotto Memorial Medical Center (VSMC) in Cebu City, Philippines., submitted by the Rotary Club of Cebu and District 7505. The award is in the amount of US\$ 290,300.000.

In the spirit of volunteerism and service, let me appeal to you to commit in big or little ways, most specially your time, to join us and serve the club and our communities in these two major projects. Up and coming is the Gift of Life VTT2 which will start on September 7, 2019 which is chaired by Sec. Walter. Let's all support Sec. Walter in this Herculean task in making this project a success.

On the other side of the coin is a very encouraging and noteworthy achievement we reached in the The Rotary Foundation giving. Here's the statistics as of Aug 8, 2019.

ANNUAL FUND CONTRIBUTIONS	\$ 17,319.60
POLIO PLUS	\$ 2,900.00
GLOBAL GRANT	\$ 9,350.00

RY 2019 - 2020

### INVOCATION

Lord, we acknowledge Thee as the Creator and Sustainer of all life. In our pursuit of the secular, help us not to forsake the sacred. We look to Thee for meaning and fulfillment to life. Bless now this meeting of Rotarians. We thank Thee for the food. Amen.

### NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

## WHAT HAPPENED LAST WEEK...

### BUSINESS MEETING

**By: Walter Cang**

Last week will probably rank as one of the biggest gatherings of guests and visiting Rotarians in RCC. Even our DRFC Lilu Alinio and DS Barbette Lominoque were in our midst! So were members of the Rotary Club of Banilad Metro, led by their President Stella Siboa. Also with us was Lee Hall, a guest of PP Bernard Sia. Lee surprised us with an act of generosity which I will cover later in this update.

Our emcee, PAG Robin Ong, didn't fail us as he dished out his unique quips and helped break the ice for many of our guests. Fellowship singing was led by RCBM President Stella, our guest from Habitat for Humanity, DRFC Lilu and DS Barbette. The all-female quartet were warmly cheered by our members. During President's time, Pres. Mike was happy to announce the approval of 2 global grant applications from our club, ROSAS VTT and the second one, the GoL VTT. Acknowledgements were given to the people who worked on it behind the scenes.

After his segment, PP Bernard Sia took the mic to specially introduce Lee Hall. Lee is from Texas and married to a Filipina. He had signed up for the upcoming Ironman 70.3 in Mactan. A week prior to the race, he lost his watch while whale watching in Oslob. Because all triathletes rely heavily on their watch to pace themselves and perform to their utmost, it was a difficult blow. Posting an SOS to his Fil-Am triathlete contacts in the states, a member of that group reached out to PP Bernard. Not only did PP Bernard lent him an extra watch, he also extended his hospitality and showed him our city and kept him company while Lee was in town. In the course of their conversation, PP Bernard told him about Gift of Life and what we are doing.

Lee was so touched to hear our story that without any prompting, he decided to donate \$2,500 to our Gift of Life account! Not only that, he also announced that he was going back to his employer, Google, and sign up our club to become a beneficiary of their Google Match program, a CSR program that allows their

employees to pick a beneficiary and donations to be matched by their employer. An unfortunate loss of a watch that led to a simple but meaningful act of kindness, that touched the life and heart of a non-Rotarian. We are blessed! Thank you Lee and know henceforth that you have a family to count on in RCC.

Our guest speaker, Joey Rosel had graced one of our meetings last year. Habitat for Humanity is a well-known NGO who had pioneered the opportunity for large corporations and individuals to invest in “sweat equity”, the act of volunteering their hours to help build homes for the less fortunate. Joey gave us an update on what has happened since their last visit and presented ways by which Rotary can help. He cited a program that was undertaken to build homes for a community. Initially budgeted at a little over 100k per unit, inflation and currency fluctuation had dealt a blow to their bottom line and they now had a deficit to bridge. He encouraged us to consider adopting this project to help them close the gap. Numerous ideas were presented on how best to tackle this issue.

During the Q&A, a question raised was what about housing projects that were finished but vacant or abandoned to this day? While they were not projects undertaken by Habitat, it certainly begs the question how this could happen. Among the reasons cited were non-consultation of plans by the LGU and residents. Sadly, these decisions were made by the LGU to show results at the shortest time, often forsaking due diligence and proper planning to ensure viability.

These 10 charities work throughout the country and the world. They are large, complex organizations with budgets exceeding \$100 million, and at least \$65 million in net assets. They became household names in part because of their exceptional financial management, no easy feat considering the scope and size of their operations. Charitable givers should feel confident that these national institutions put their donations to good use.

## RAC CEBU BASIC ORIENTATION SEMINAR 2019

*Learn from the PAST. Embrace the PRESENT. Hope for the FUTURE. Lead the NEW.*

PDG Ed Chiongbian with his opening remarks

A new start of the Rotary year wouldn't be complete without anticipating and inviting new aspiring members to join the club. The Rotaract Club of Cebu once again conducted a Basic Orientation Seminar for aspiring members of the club last August 11, 2019 at Community Scouts Youth and Guidance Center (CSYGC). It's with honor and privileged for the club as we are graced with the presence of Past District Governor Ed Chiongbian as our guest speaker, his wife Cely Chiongbian and Rtn. Ken Ngo who serves as Youth Service Director of our mother club. PDG Ed's credibility and tenure as a Rotarian was surely something we look forward to learn insightful knowledge and wisdom. While having Rtn. Ken's presence will make us connect more and align our goals and concerns with our mother club. This year's BOS was perhaps the biggest delegation for the club, with a total of 18 people (2 Rotarians and a wife, 4 Rotaractors, a Rotaract Adviser in Ms. Anna, and 10 aspirants) in attendance.

Though the event was a bit formal, it was not stiff and dull as PDG Ed showed continuous interaction with his audience and smiled often. Both old and new aspiring members learned together about Rotary and Rotaract in general, along with its underlying Protocols. The audience showed great attention and interest during the talk and also participated well

during the open forum. President Jemar of RAC Cebu delivered his general goals and

expectations for his term during the President's time part of the program.

Perhaps one of the most insightful part of the program was during the sharing of

*All eyes and ears are set on PDG Ed Chiongbian as distinguished guest speaker during RAC Cebu BOS*

expectations of the aspirants for the club. It was good to hear their reasons behind and expectations how they came about in joining the club and what they look forward to. It was pleasing to hear that almost all of them had service to others as their main goal on joining the club. Some of them have been also a servant in other organizations. As seniors and officers of the club, it's our duty to make sure that their expectations are met to the best of our ability and they would feel belongingness as a family to the club.

*Tokens and certificates were rightfully given to guests and aspirants with gratitude after a successful BOS*

## FELLOWSHIP SONG

### Top of the World

Such a feelin's comin' over me  
There is wonder in 'most every  
thing I see  
Not a cloud in the sky, got the sun  
in my eyes  
And I won't be surprised if it's a  
dream

Everything I want the world to be  
Is now comin' true especially for  
me  
And the reason is clear, it's  
because you are here  
You're the nearest thing to heaven  
that I've seen

I'm on the top of the world lookin'  
down on creation  
And the only explanation I can find  
Is the love that I've found ever  
since you've been around  
Your love's put me at the top of the  
world

Somethin' in the wind has learned  
my name  
And it's tellin' me that things are  
not the same

In the leaves on the trees and the  
touch of the breeze

There's a pleasin' sense of  
happiness for me  
There is only one wish on my mind  
When this day is through I hope  
that I will find  
That tomorrow will be just the  
same for you and me  
All I need will be mine if you are  
here

I'm on the top of the world lookin'  
down on creation  
And the only explanation I can find  
Is the love that I've found ever  
since you've been around  
Your love's put me at the top of the  
world

I'm on the top of the world lookin'  
down on creation  
And the only explanation I can find  
Is the love that I've found ever  
since you've been around  
Your love's put me at the top of the  
world

## SENSE OF HUMOUR

(A joke a day keeps the doctor away)

## Tea Set

A girl was given a tea set for her second birthday. It became one of her favorite toys, and when her mother went away for a few weeks to care for her sick aunt, the toddler loved to take her father a little cup of tea, which was just water really, while he was engrossed watching the news on TV. He sipped each "cup of tea" he was brought and lavished generous praise on the taste, leaving the little girl immensely proud.

Eventually the mother returned home and the father couldn't wait to show her how his little princess had been looking after him. On cue, the girl took him his "cup of tea" and he sipped it before praising it to the heavens.

The mother watched him drink it and said: "Did it ever occur to you that the only place she can reach to get water is the toilet?"

# Rotary

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL  
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO  
ALL CONCERNED?
