

PRESIDENT'S MESSAGE

September 19, 2019

Dear fellow Rotarians

Maayong hapon sa tanan!

The Gift of Life VTT2 is on its tail end of the mission and visit. As of today, September 19, we have served and treated 28 patients and undergoing shall be two more open heart surgeries within the day. We are very fortunate to have most of our members supported this event doing their assigned tasks, visiting patients, spending time with our volunteers to dinners and sightseeing. This to me is the essence of teamwork and collaboration. Thank you to all who have helped in big and small ways to make this project successful. Let's congratulate Sec. Walter, the Project Chair, assisted by equally energetic Dir. "Doc Ed Tan Ting" who did all things and found ways just to make things happen. Tomorrow is our culmination event, let us all celebrate to show our gratitude to our local partners, Vicente Sotto Hospital and Phil Heart Center, and foreign partners (Gift of Life International) in this GOL VTT2 Project.

To all the RC Cebu members and Rotaractors who were there present during the One District, One Rotary Mangrove Planting and Coastal Clean-up last Sept 15, 2019, City of Naga, Cebu, we appreciate your support to the club as well as to the district in this project of taking care and enhancing our environment.

Let me ask once again for your commitment by marking your calendar this coming September 26, Thursday, during our club meeting. This will be our District Governor's visit to our club. There's no better way in showing support to our dear Governor than being present and listen to what he has in stored for Rotary Club Cebu members. Looking forward to your presence next Thursday!

Cheers!

Michael P. Torres

INVOCATION

Today we pray that we receive Your special blessing because we are committed to be a real service organization to help humankind. May each of us in our daily routine come to know the joy of caring and sharing with others not as fortunate as we are. May our motto that includes serving, caring and sharing be for us life in service. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

WHAT HAPPENED LAST WEEK...

WEEKLY LUNCHEON MEETING

By: **Walter Cang**

At our meeting last week, we were fortunate to have in our midst, Ms. Michelle Rohan from the RC of Moorestown, NJ. This is the first time we are hosting a Rotarian whose club and district is one of the donors for this year's

Gift of Life VTT program. Having been forewarned by Roy Morris of our tradition to invite female guests to lead in the fellowship singing, she was coiled and ready to hit the notes with a very great rendition of Bon Jovi's "Livin' on a Prayer" and I dare say she sang with distinction beside some of our fellow Rotarians!

Michelle spoke eloquently of her personal involvement with Gift of Life and was very impressed with what she had seen the last few days since her arrival. She was scheduled to accompany PP Bing Martinez on a road trip to Daan Bantayan and Tabuelan to distribute books to the schools in the area and no doubt it will be an eye-opening experience for her. We wished her all the best in her journey, and may this be the first and not the last trip for her to our shores.

We also had in our midst Rotarian Ambassador-at-Large from RC Manila, our mother club, Rtn. Bobby Joseph who presented us the commemorative coffee table book of their 100th founding year. He was also followed by DS Barbette Lominoque. She spoke briefly about an invitation to RC Districts in the country to visit Russia and then introduced a former RCC member, and now a member of RC Metro Cebu, Rtn. Cesar Narvasa Atienza. Rtn. Cesar informed us that Phil. President Rodrigo Duterte is set to fly to Russia at the end of the month to meet his counterpart. An invitation was also extended by Russia's RC District (they only have one) to RC Districts in the Philippines to join the Phil. delegation and sign a sisterhood agreement. He encouraged members of RCC who may be interested to join this trip to sign up.

Our guest speaker had the unenviable task of speaking about the chronic garbage situation in Cebu. With over 600 tons of garbage disposed by residents of metro Cebu daily, the Hon. Councilor Joel Garganera had his work cut out for him. Having been in politics for many years, he came well prepared with a deck and pertinent data related to his topic. It was a bit

alarming and sad to hear that how our government had put convenience and short sightedness ahead of long-term plans by operating a dumping ground instead of a proper landfill. How steps to prevent leeching of chemicals and allow venting of dangerous fumes were never instituted. Images of these dumpsites flashed on the screen and one can easily imagine the smell that must have emanated in these areas. These failures surely had 2 casualties at the very least – our environment and ourselves.

Councilor Garganera enumerated the many sites that has since been used as alternatives to the Inayawan dump site. Aloguinsan, Binaliw, Consolacion and other areas around the island. But sadly, there seems to be a lack of cohesion in the plans for a long-term facility to handle trash coming from the city. A status quo is not an option and touched on the different options to consider, from incineration to recycling. Bottom line is Cebuanos must help in finding a suitable solution to the problem and not just leave it to the government.

Personally, I felt he was mouthing many things that had already been said by other politicians and I was hard pressed to hear anything that can be considered “net new”. And I reached this conclusion not as an indictment of his ability but more of accepting the fact that when it comes to garbage disposal, there is no such thing as a new idea or a new discovery. It’s an age-old problem tackled by politicians of many generations. Therefore, I did not expect to hear anything earth shaking because as they say, it’s same old, same old. The only way we can effectively tackle this is for every Cebuano to be willing to sacrifice, for our government to do what is right, not what cheap, what will work long term, not what is a shortcut.

There’s been too many “studies” made, meetings held, consensus asked, and constituents consulted. The only way to deal with this is to meet it head on, with steely resolve, hold the course and pray that the politicians who come after him will for once, forsake the damn attitude of his-way-against-my-way and plod on. Otherwise we will be doomed to smell and drown in our own filth one day.

HOW DID THE ROTARY FOUNDATION GET STARTED? The Rotary Foundation was created in 1917 by Rotary International’s sixth president, Arch C. Klumph, as an endowment fund for Rotary “to do good in the world.” It has grown from an initial contribution in 1917 of \$26.50 from the Rotary Club of Kansas City, Missouri to more than 2.663 billion dollars in total contributions. The Rotary Foundation made its first grant of \$500.00 to the International Society for Crippled Children in 1930, and to this day, it continues to “do good in the world” in the name of Rotary.

THANK YOU FOR YOUR SUPPORT OF THE ROTARY FOUNDATION AND ITS WORK.

Rotary D3860 | Mangrove Planting and Coastal Cleanup

Know your ROOTS. Stay GROUNDED. BLOOM where you are PLANTED.

In celebration of the yearly International Coastal Clean-up month of September, Rotary in the Philippines of District 3860 conducted a Mangrove Planting and Coastal Cleanup activity at Naga City, Cebu last September 15, 2019. In conjunction with the addition of 'Environment' as part of the Areas of Focus, it is only but a must that we include and be more concern with the preservation of our planet. The activity was well presented hand-in-hand by the Rotarians of Rotary Club of Cebu and its partner Rotaractors in

All smiles from the Rotaract and Rotary Club of Cebu club members after a fulfilling and rewarding Manarove Plantina ☺

service. Present were President Mike Torres along with his 7 other fellow Rotarians,

'Bayanihan' enkindled as members of RAC Cebu helped one another in picking up and lifting heavy loads of trash before leaving the place.

while President Jemar Malinao spearheaded RAC Cebu along with his team of 17 Rotaractors.

To get everybody alive and kicking after an early morning rise, a Zumba was spearheaded prior to the event. After getting everybody on the groove already, District Governor Philip

Tan gave a brief but very inspiring welcome speech to enkindle to everyone the importance and impact of the activity. The participants then headed to Oceanside village to formally start the mangrove planting activity. Along with some local fishermen and guides, the participants immediately got themselves wet and a bit muddy as they indulge on the shallow waters of the shore to plant seedlings of mangroves. While were on it, it was also good that we had the initiative to communicate with a local that was able to impart with us on the proper planting of mangroves. It was an eye opener, as we noticed that the mangroves we planted last year did not seem to grow as we weren't able to see vast amounts of grown-up mangroves in the area. It surely was a lesson learned and may it be imparted to everyone on the next

Rtr. Annie of RAC Cebu all focus on making an impact to the environment

planting activity. After the mangrove planting, some participants left behind had the initiative to bring trash bags and did a coastal cleanup. With that in place, some members of RAC Cebu had the initiative and helped in the coastal cleanup as well. Even if the majority of the members that were left behind were women and a lone guy, the 'Bayanihan' spirit was enacted as they help one another in lifting a heavy load of trash bag.

May this activity enkindle and start a movement to more service projects that will protect, preserve and have more concern and awareness on the status of our beloved planet. Together, we can do more and be of service to our Mother Earth, as she has been unselfishly serving all of us with her vast resources that maintains our life support.

P.S. Special thanks to President Mike Torres and beloved Rotarians in attendance for sponsoring our transport and breakfast for this event. We will always be grateful for your support and generosity.

FELLOWSHIP SONG

Love Will Keep Us Together

Love
Love will keep us together
Think of me babe, whenever
Some sweet-talking girl comes along,
singing her song
Don't mess around, you've just got to
be strong, just stop
'Cause I really love you, stop
I'll be thinking of you
Look in my heart and let love keep us
together

You
You belong to me now
Ain't gonna set you free now
When those girl start hanging around
talking me down

Hear with your heart and you won't
hear a sound, just stop (stop)
'Cause I really love you, stop (stop)
I'll be thinking of you
Look in my heart and let love keep us
together

Whatever
Young and beautiful
But someday your looks will be gone
When the others turn you off
Who'll be turning you on?

I will, I will, I will
I will be there to share forever
Love will keep us together
I said...

5. Dir. David Barnes
6. PP Bernard Vonn Sia
7. PP Frank Benedicto
8. Mr. Jesus Alcordo

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

Last will and testament

An elderly gentleman was on his deathbed as his wife and three children and nurse stood close by.

Then he spoke:

"Bill, you take the Beverly Hills houses.

"Mary, you take the offices in the Center Center.

"Debra, the apartments over the L.A. Plaza are yours.

"To my dear wife, take all the residential buildings near downtown."

The nurse was really impressed. She said, "Your husband must have been quite a man, amassing so much property to leave to all of you."

And the wife responded, "What property? ... the schmuck had a paper route! !"

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
