Dear fellow Rotarians

Maayong hapon sa tanan!

Let me start by thanking everyone who have welcomed our volunteers from the local team and abroad last September 8 at AIS Showroom of PP Bernard Sia. Kudos to the Fellowship committee, thru Dir. Javi Sala, for that nice set up and food we had last Welcome and Kick-off Dinner. We had a good start last Monday on our Gift of Life VTT2 at Vicente Sotto Memorial Medical Center. Of course, our volunteers from Gift of Life international, about 19 of them, are here to help us out with the addition of the local Team of doctors and nurses from VSMMC as well as the Philippine Heart Center in Manila to augment the needed experts. We are honored to have with us Rotarian Michelle Rohan of Rotary Club of Moorestown, New Jersey. Their club helped us raised the fund to finance for this Global Grant from Rotary international. Rotarian Michelle will be here for two weeks to witness our GOL project. Let us all extend our warmest hospitality to her for the duration of her visit. Again, your presence and support will surely lighten up the load of our fellow Rotarians, Sec. Walter and Dir. Ed Tan Ting, in the next two weeks. We look forward to a successful Gift of Life VTT2 specifically on this September visit.

There will be two more events that will be happening for the district and our club.

First, Blood 4 Life - A Blood Letting Activity, in partnership with Mandaue Chambers and Pres. Stanley Go, our current Club Treasurer, which will be on Sept. 14, 2019, 9-5am, at the Activity Centre, Pacific Mall, Mandaue City. Please support this activity by sending your staff and workers and families as this will be one avenue where we can get blood should we run out of supplies from Sotto/Blood Bank.

The second one is the One District, One Rotary Mangrove Planting and Coastal Clean-up. Sept 15, 2019, at 6am. Venue will be at Site Muryo-muryo, South /Población, City of Naga, Cebu. Assembly area: St. Francis Ocean Park (Naga Baywalk) at 5am. Please confirm not later than Friday for the headcount and breakfast meals for only P250. Let us show our support to this District wide activity and work for the good of our environment.

Cheers!

INVOCATION

Lord of the Universe, you have given most of mankind a strong desire to do good, to be honest, to serve others, and to faithfully fulfill their obligations to their neighbors. Help us, as Rotarians and humans, to do good. Help us, as Rotarians and humans, to be honest and ethical in all our dealings. Help us, as Rotarians and humans, to serve others. And help us, as Rotarians and humans, to faithfully fulfill our obligations as neighbors to our community, our nation, and the world. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

TRUSTEE CHAIR'S MESSAGE

Gary C.K. Huang
Trustee Chair 2019-20

September 2019

Ni hao, Rotarians!

I hope you are making plans for the upcoming Rotary International Convention. Rotarians who live near the Pacific Ocean are especially excited! Next year's event is in beautiful Hawaii, and I know everyone is eager to make the journey to that island paradise.

So "give me five" by signing up right now for the Honolulu convention if you haven't already — and make a plan for how you are going to help The Rotary Foundation reach new heights in 2019. We are transforming lives everywhere, and it's all because of you.

We remind you often about the importance of giving to the Annual Fund. These donations are making the world a better place, not just by helping to end polio now and forever. Your donations make every type of Rotary grant around the world possible.

But many of you don't know something just as important: Contributing to the Rotary Endowment ensures our future. I hope you will consider creating your own legacy by making a gift to the endowment. The idea behind it is simple and very powerful. Rotary's Endowment supports Foundation programs today and into the future.

We have a goal of \$2.025 billion by 2025. We will reach that goal with your support. And once we do, amazing things will be possible. Just by drawing from the annual investment earnings, the Foundation will have about \$100 million every year — year after year — for all kinds of life-changing and lifesaving projects. This will be an amazing accomplishment and will truly secure our Foundation long into the future.*continue on page 4*

This month, I want to give out two very special high-fives. The first goes to the Rotary Club of Taipei Roundtable. Members collected and donated \$10,000 to End Polio Now during the installation ceremony for Club President Jeff Lin. Then, during a changeover ceremony a few days later, District 3750 in Korea inducted six new Arch Klumph Society members, bringing their total to eight. Congratulations for the outstanding job by new District Governor Yun Young-Jung!

The generosity of Rotarians continues to give my life great joy and purpose, and I hope it does for you as well.

WHAT HAPPENED LAST WEEK...

BUSINESS MEETING

By: Walter Cang

Looks like VTT is back on! Sec. Walter Cang announced it's a go. A few weeks back, we weren't really sure how this was going to unfold but it seems we've finally crossed the threshold and got the go signal from VSMMC for VTT to proceed as planned. 19 foreign volunteers are flying and plans have been made for the kick off dinner on Sunday. Meantime, there was still a lot of things to do, details to look after and loose ends to tie up. The volunteer matrix has been out for a few weeks and adjustments have been made.

Our guests last week certainly brought an interesting story for us. The phrase "all in" is one commonly

used in a game of cards, when one believes he got the winning hand and is willing to bet all his money upon his instincts. Maybe you can say one will get all or nothing.

Jovie Montajes formed his company based upon his belief that it was a good idea to help reduce waste and that using technology to bring illumination to those who can least afford it made good business sense. He took his leap of faith after just a year and quit his job. A job perhaps coveted by many because it provided stability and income. All based upon the idea that he was on the right path.

Jovie, and his partner Steve, don't look anything like tree-hugging entrepreneurs. In fact, first impression is bound to make you think both of them are bouncers because of their short but stocky and muscular frame. Both sporting a bald pate and large biceps and hands that cradled their device. So, let me tell you about their project, Solar Night Lamps in a Bottle. It's an LED bulb installed inside a plastic bottle wired to a palm sized solar panel. It's simple, inexpensive and lightweight. But this simple device is able to illuminate the inside of a small off the grid nipa hut. And for a family who gave gotten used to the smelly, smoke belching, fire hazard of a kerosene lamp, this is a giant and welcome step. The solar panel is placed outside the window, exposed to sunlight or even just daylight and it recharges the built-in battery underneath the housing. When it gets dark, the light sensitive switch kicks in and voila! The LED fires up and now you have a hut that is illuminated.

Jovie's group, Light of Hope PH offers their products to companies to invest in as their CSR. With packages for as low as 20,000 pesos, enough to illuminate hundreds of homes. Not only does the company hire people to assemble them, they also scout the hinterlands of Cebu to find communities that can benefit from their program. One interesting anecdote to their success story is that because their devices do not have an "off" switch, the light stays on until it runs out of juice or when daylight comes on, whichever comes first. But with illumination in what is often a one room house, it's a standing joke that it also acts as a great family planning device!

Jovie also shared plans to harness the world renowned Raspberry Pi and turn them into low power inexpensive computers. Hooked up to a small inexpensive portable projector, it turns into a simple but effective multi media player. While this is probably in the medium to long term plan, I have confidence they're on the right path to achieve their goal of bringing technology into the lives of fellow Cebuanos who live off the grid.

WHAT IS THE ROTARY FOUNDATION? The Rotary Foundation is the charitable arm of Rotary. It is a non-profit that is supported solely by voluntary contributions from Rotarians and friends of the The Rotary Foundation who share its vision of a better world. Its sole mission is to support the efforts of Rotarians through Rotary's mission, and the achievement of world understanding and peace through local, national and international humanitarian and educational programs in your backyard and around the globe.

THANK YOU FOR YOUR SUPPORT OF THE ROTARY FOUNDATION AND ITS WORK.

Regular Meeting & First Fellowship

September 08, 2019 (2:00 PM) - Regular Meeting at the Rotary Club of Cebu's Office. The different phases and levels of Leadership has been tackled, this is related to the Core Values of Rotary as a catalyst of inclusive and transformative development. A truly effective leader is not just driven to lead but to serve as well. In doing great things collaboratively helps the club to meet and surpass its goal in

extending a hand to empower those unheard voices in our community.

Important matters have also been discussed during our meeting, which are the following:

1. District Reports - which we need to submit on/before 15th of every month
2. District Mangrove Planting at Naga, Cebu (Sept. 15,

2019) - which we get the attendees and appointed District Community Service

Director Maico to request for the transportation

3. Rotaract Club of Cebu's Induction (Sept. 28, 2019) - the very important event for this month. We have run through with the things we have accomplished and to those need to be accomplished on/before the time frame.

Rotaract Club of Cebu would also like to acknowledge and extend our sincere thanks to Rotarians who have responded our Solicitation Letter:

3.1 PE Ed Gaisano - Php 10,000

3.2 Rtn. Mitchell Alforque - Php 5,000

At this moment, the VENUE is the very need to make our Induction possible.

After the meeting, we proceeded at Song Hits, Mango Avenue for our Fellowship.

FELLOWSHIP SONG

Livin' on a Prayer

Once upon a time not so long ago

Tommy used to work on the docks, union's been on strike

He's down on his luck, it's tough, so tough

Gina works the diner all day working for her man

She brings home her pay, for love, for love

She says, we've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Tommy's got his six-string in hock

Now he's holding in what he used to make it talk

So tough, it's tough

Gina dreams of running away

When she cries in the night, Tommy whispers

Baby, it's okay, someday

We've got to hold on to what we've got

It doesn't make a difference if we make it or not

We've got each other and that's a lot for love

We'll give it a shot

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Livin' on a prayer

Oh, we've got to hold on, ready or not

You live for the fight when it's all that you've got

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

Woah, livin' on a prayer

Woah, we're half way there

Woah, livin' on a prayer

Take my hand, we'll make it I swear

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

This is the story of the poor

This is the story of the poor blonde flying in a two-seater airplane with just the pilot.

He has a heart attack and dies. She frantically calls a May Day:

"May Day! May Day! Help me! Help me! My pilot had a heart attack and is dead. And I don't know how to fly. Help me! Please help me!"

All of a sudden, she hears a voice over the radio saying:

"The is the tower. I have received your message and I will talk you through it. I've had a lot of experience with this kind of problem. Now, just relax. Everything will be fine! Now give me your height and position."

She says, "I'm 5'4" and I'm in the front seat."

"O.K." says the voice from the tower. "Repeat after me: Our Father. . . Who art in Heaven. . . ."

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ❶ The development of acquaintance as an opportunity for service;
- ❷ High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ❸ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ❹ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
