Chartered November 28, 1932
Cebu, Philippines

*Meets every Thursday, 12noon at Café Uno
Waterfront Cebu City Hotel & Casino
Lahug, Cebu City, Philippines*

October 24, 2019

Dear fellow Rotarians

Today, we are celebrating World Polio Day! And it's best celebrated with friends and families, so today we jointly meet with our Daughter Clubs Rotary Club of Metro Cebu and Rotary Club of Banilad Metro.

Last Sunday, Oct 20 we successfully had our Walk to End Polio, participated with various clubs of District 3860. Thank you, dear members of RC Cebu who joined, and most especially to the spouses and children who woke up very early on that Sunday. Kudos to PP Bernard Sia for spearheading that event!

Special mention to PP Jonie Gesalem for the unlimited Dunkin Donuts and Coffee, to Treas. Stanley Go and Virginia for the Tents and very delicious Jumbo Hotdog meals and to Rotarian Ed Garcia for those Hearty Breakfast at Griffin Hotel.

Yesterday, we had our Polio Immunization at different barangay health centers and our Club went to Tejero Health Center where more than 50 babies received immunizations. We were able to witness how Polio vaccines were administered. Thank you once again PP Jonathan and Dunkin Donuts for the snacks we distributed to the health workers and mothers.

Another activity was simultaneously done yesterday as PP Bing Martinez and Rotarian Joey Ontanillas with Engr Mike Manlangit did a site visit to Tabuelan and Daan Bantayan National High schools for our Global Grants Projects.

Before the end of the week, Wash Project Committee will be traveling South to do the ocular visits to the different Public Schools for our Wash Project Proposal.

Today, it's going to be a big day for each one of us as Rotary Club Cebu launches our Ride to End Polio. This was made possible through our Project Chair PP Bernard Vonn Sia.

Forty years ago, the first Polio vaccination happened in the Philippines, Manila on the 29th of September. Then followed the island of Cebu. It was an event attended no less than RI President James L Bomar, Jr. And in the morning of October 1, 1979, Polio drops were administered at Cebu City Medical Center headed by Rotary Club of Cebu President Ibarra Panopio. Rotary International and the Health Ministry signed an agreement to immunize Six million children against Polio in a multi-year implementation. So today, it is with great honor and privilege that we recognize the effort of Past President Dr. Ibarra Panopio on this 40th World Polio Day.

Cheers!

Michael P. Torres
PRESIDENT, RY 2019-2020

RY 2019 - 2020

INVOCATION

May those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place Service above Self, in our daily endeavors. And may we always test ourselves and our efforts to be sure they are the truth, good for all concerned, of benefit to mankind, and provide peace and understanding. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon.
Putling bahandi, amo kang gimahal.
Mithing gisimba, yuta's mga bayani; Sa
manlulupig, pagdapigan ka. Ang mga
buntod mo ug lapyahan, sa langit mong
bughaw. Nagahulad sa awit, lamdag sa
kaliwat tang gawas. Silaw sa adlaw ug
bituon sa nasudnong bandila. Nagatima-
an nga buhion ta ang atong pagka-usa.
Yutang maanyag, duyan ka sa pagmahal,
landong sa langit ang dughan mo.
Pakatam-ison namo nga nagatukaw
kung mamatay man sa ngalan mo!

I WANT
TO END
POLIO.
JOIN ME.

WHAT HAPPENED LAST WEEK...

CLASSIFICATION TALK

By: Walter Cang

This week, we started our meeting with a series of jokes from RCC's PP John Domingo who was visiting from the states. PP John is said to be heading back soon after wrapping up important personal matters stateside. As a PP, he's well loved by our members, more so when he steps up the podium to share jokes that brings out laughter from even the most reserved member. Makes me think John must have been a comedian in his past life, if there is such a thing. It was good to see you again John and we look forward to the day when you will once again call Cebu your home.

With the District 3860 Walk to End Polio coming up, PP Bernard shared details of the upcoming event such as meeting time and venue and exhorted everyone in the room to take part. He then gave

updates on next month's Ride to End Polio (also known as End Polio Perimeter Cycling Cebu 2019). Going through the details, it was abundantly clear this undertaking is no walk in the park. Everything about it is fraught with complexity in logistics, difficulty in planning, requiring commitment in training, and surely, tenacity in undertaking. Kudos to PP Bernard who conceptualized this and continues to lead the charge with his team of volunteers. And if that weren't difficult enough, we continued to face the challenge of sourcing the vaccines needed to mount a decent vaccination drive in the target towns. I hope this provincial undertaking will galvanize our all members to help in any way possible. We have called on other Rotary clubs to join us by raising pledges on their own which will go towards their own club's donation to PolioPlus.

Rtn. DJ Moises also spoke briefly to update us on the WASH projects we are undertaking this year. With an ocular recon trip scheduled Friday next week, he enumerated the 6 target schools that need to be visited in southern Cebu. There will be 2 groups, one headed to the eastern side and the other the west facing side with plans to meet up at some point along the way.

Rtn. George Paraoan conducted a classification talk but before he started, we were treated to the oratory skills of our beloved PP and most senior member, Joe Gapas who introduced his nephew. It was also Joe who sponsored George who likely saw the potentials in his young nephew

to become an asset to Rotary. He shared his story of George's life and how he became a Mariner and how when George decided bid adieu to his globetrotting

life, he sat down with him and shared his passion for Rotary.

Rtn. George shared experience working in the maritime industry as a merchant marine officer. He also showed us a photo of his “baby”, a cargo ship with a capacity of up to 80,000 cars! Yes, for a behemoth, it only required a crew of 18 due to advanced technology packed into the ship. He sailed all over the globe, Korea to Europe and anywhere in the US. Throughout his journeys, he realized that even though Filipinos are well known for manning ships that sailed the world, the quality of training could be further improved.

So, 5 years ago, he gave up his wandering life and founded his company to train future mariners using simulators. This was a giant step from the traditional use of the chalkboard used in his days to learn navigation. He has since taken it a step further that his company is now an assessment center to administer industry required theoretical and practical exams. This used to be done only in Manila until the government began a program to decentralize the process. His company, Integrated Maritime became the first outside of Manila to be granted this authority.

He also shared some interesting facts, such as when travelling at night, the ship loaded with cargo worth hundreds of millions of dollars can continue its journey with only 2 crews staying up. The rest, even the engineers, retire to their bunks to rest. Again, this is made possible through automation and technology. The destination once entered on to the computer, is plotted by the system and one only needs to monitor the progress of your journey, overriding the computer only when necessary. So while their manual skills may not be necessary, their technical skills need to be on track.

The beauty of simulators is that they can recreate any situation that could be encountered and repeatedly practice maneuvers so that it becomes second instinct. The result is that with the use of simulators, mariners graduate with more confidence, higher skills and better chances for success in their careers.

WHAT IS THE ROTARY FOUNDATION'S ANNUAL FUND?

The Rotary Foundation is funded in two different ways: the Annual Fund and the Endowment Fund. The primary source of unrestricted support for the programs of The Rotary Foundation, the Annual Fund supports programs in more than 200 geographical regions. From digging clean water wells for villages in Africa to reaching basic literacy skills to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects. In the 2012-13 Rotary Year, US\$115 million was donated to The Rotary Foundation's Annual Fund (Making History in Rotarian generosity). The Annual Fund is comprised of donations from Rotarians, friends of Rotary, corporations, workplace-giving vehicles and can be matched by corporate matching gifts to leverage your donation. There is even a place on the rotary website that allows you to see if your company has charitable matching program... check it out at : www.rotary.org

WON'T YOU SUPPORT THE ANNUAL FUND WITH ATLEAST \$10 A MONTH OR \$120 THIS YEAR?

Happy Birthday!

“RAC Cebu Joins Walk To End Polio Now”

The Philippines was declared polio-free country since October 2000, with the last case of poliovirus reported in 1993. After 19 years, the DOH on Thursday, September 19, declared a polio epidemic or outbreak after it recorded a case of the disease from a 3-year old girl in Lanao del Sur last September 14.

The DOH sees low vaccination coverage, poor early surveillance of polio symptoms and substandard sanitation practices as culprits in this reemergence.

The health department found that polio

vaccination for children with or below 5 years old, as the target of polio virus, dropped to less than 95% in 2018, and the average polio vaccination stands at about 66-68%.

This polio epidemic in a polio-free country is a reason why the Rotary and Rotaract need to double their effort to increase awareness to End Polio Now.

As part of the Rotaract Club of Cebu's campaign to End Polio Now, they joined and supported the District 3860 activity entitled "Walk To End Polio Now" hosted by

their mother club, the Rotary Club of Cebu, on Sunday, October 20, at 5-9am at Fuente Osmeña Circle to Metro Colon back to Fuente Osmeña Circle.

The Walk To End Polio was a great success. But the real success lies to the informed people after they witness the Walk To End Polio and let their children from 5 and below years old be polio vaccinated.

After the event, the Rotaract Club of Cebu attended the mass at Basilica Minore del Sto. Niño in Cebu City and went to SM after for their fellowship.

It was indeed a memorable friendship building & productive day for the Rotaractors of Cebu.

FELLOWSHIP SONG

Somewhere Out There

Somewhere out there beneath the pale moonlight
Someone's thinking of me and loving me tonight
Somewhere out there someone's saying a prayer
That we'll find one another in that dream somewhere out there

And even though I know how very far apart we are
It helps to think we might be wishin' on the same bright star
And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

And even though I know how very far apart we are
It helps to think we might be wishin' on the same bright star
And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping underneath the same big sky

Somewhere out there, if love can see us through
Then we'll be together somewhere out there
Out where dreams come true

20 REASONS TO JOIN A ROTARY CLUB

- * Friendship
- * Business Development
- * Personal Growth
- * Leadership Development
- * Citizenship in the Community
- * Continuing Education
- * Fun
- * Public Speaking Skill
- * Citizenship in the world
- * Assistance when traveling

- * Entertainment
- * Develop Social Skill
- * Family Program
- * Vocational Skills
- * The development of Ethics
- * Cultural Awareness
- * Prestige
- * Nice People
- * The absence of "Official creed"
- * The Opportunity to Serve

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

Why did I get divorced?

Well, last week was my birthday. My wife didn't wish me a happy birthday. My parents forgot and so did my kids. I went to work and even my colleagues didn't wish me a happy birthday. As I entered my office, my secretary said, "Happy birthday, boss!" and I felt really special. Then, she asked me out for lunch. After lunch, she invited me to her apartment. We went there and she said: "Do you mind if I go into the bedroom for a minute?" and I replied "Okay!" She came out 5 minutes later with a birthday cake, my wife, my parents, my kids, my friends and my colleagues all yelling, "SURPRISE!!!" while I was waiting on the sofa... naked!

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ❶ The development of acquaintance as an opportunity for service;
- ❷ High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ❸ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ❹ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
