Dear fellow Rotarians

Just an update re our Donations for Mindanao Relief Funds. We raised Php 310k in a span of four days thru the effort of Rotarian Hector Almario. We deposited these to two accounts: one for District Disaster Management Fund thru Chairman Troy Bumagat amounting to Php 260k; and to AMRO (All terrain Medical Relief Operations) thru Dr. Wyben Briones.

Tomorrow, November Eight, is a District Activity, the TRF Night at Harold's Hotel. There are nine members from our club who has confirmed to attend. For those who wants to join us, please register not later than 5pm today so we can inform DRFC Lilu for additional seat reservation.

Few days from now, our Friendship Club and Project partner for our Rosas VTT Project, RC Yokosuka will arrive. Kindly register your names on our official viber group chat for the series of upcoming activities, Arrival and Welcome Dinner, Culminating Event and most of all be part of the one-week Rosas VTT Mission. Kindly refer to our Sugbuanon issue for the Date, Time and Venue.

Lastly, two more important events that need your presence, our 87th Year Anniversary celebration which is scheduled on November 16, Saturday at 6pm, and the Ride-to-End-Polio CEBU. Since this will be an important event, we will not hold any lunch meeting next week, Nov 14, for we want our members to join us on our Anniversary night.

The Ride to end Polio committee is busy now preparing for the actual event on the 22nd-24th of November. On this note, I would like again to appeal to each and every one to take part in this humanitarian effort of raising funds for the Rotary Polio Plus project as well as campaigning for the awareness on Polio vaccination which is very safe. We just heard of the sad news of the 4th confirmed case of Polio in Mindanao. So gentlemen, let's future proof our children and our children's children of this dreaded but preventable disease. Let us do good to the world.

Cheers!

## INVOCATION

Bless us, O Lord, with these, Thy gifts. Prosper us in our labor and grant that we may become true and loyal Rotarians, exemplifying the object of Rotary in our services to our communities and families. Amen.

## NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

## TRUSTEE CHAIR'S MESSAGE

Gary C.K. Huang  
Trustee Chair 2019-20

**November 2019**

*Ni hao*, Rotarians!

We just had our first-ever fundraiser in Taiwan for The Rotary Foundation — and it was a great success.

The Taiwan AKS Members Association organized the event in August in Taipei. We were treated to an inspirational speech by Ravishankar Dakoju of the Rotary Club of Bangalore Orchards, India, in District 3190. He shared why he contributes his time and money — and why he's an organ donor. His generosity is legendary, and he wants to help the world in any way he can. His speech touched everyone who attended the event.

We are pleased and honored to announce that the final total for the fundraiser was \$5.5 million. We have 11 new Arch Klumph Society members contributing at the Chair's Circle level (\$500,000 to \$999,999) and 14 at the Trustees Circle level (\$250,000 to \$499,999). Thank you to our generous donors in Taiwan!

At great events like this one, I am reminded how Rotary gives us something good that we can all do together. Our service puts us in touch with so many interesting people from all over the world. When we meet, we hear about projects of all kinds, and it is always inspirational. And we never stop learning from one another.

This provides such a wonderful lesson to our children. We share with them the

importance of fellowship and forming new bonds with other people. We also show them what is really important in life: making connections, improving life for those in need, and doing all we can for others. Rotary is the best education a family can have.

I am excited that Rotary President Mark Daniel Maloney has made expanding the family of Rotary a priority. We must bring our family members to Rotary events and do all we can to encourage them to be part of this wonderful organization. And through The Rotary Foundation, we can make these family connections part of our legacy. You are never too young or too old for Rotary.

So give your high-five to Rotary and find ways to bring your family into Rotary. It's the most wonderful gift you can share with the people you love.

## WHAT HAPPENED PREVIOUS WEEKS...

**By: Walter Cang**

It's been two weeks since our last meeting so I'll share some of the highlights we've had since. During our Nov. 7 luncheon meeting, I was most amused by the choice of our fellowship song, the Visayan love song, Matud Nila. We, of course, called on our more age-appropriate members who related to the song to the front and they were led by our in-house expert on Filipino music, PP Rene Kintanar. They did justice to the beautiful melody with PP Rene waving both hands to get everyone to sing in tempo. What a beautiful sight! I don't think I've ever heard a non-English song being used in fellowship signing so it was a welcome change.

Our guest speaker that day was Adrian Ding who is known by many of our members and he was invited by IPP Stephen. Adrian is a tall guy and spoke clearly with an American

twang. But what he had to share made him stand out as it was thought provoking and insightful. Clearly Adrian is more used to speaking more than the 15 minutes we had allocated him so I sensed he was breezing

through the topic and “skimmed the top” so he can wrap up in time. Yet, throughout his brief talk, many of us sat in rapt attention; I noticed even the servers were mesmerized as he cited anecdotes that everyone could relate to, unique characters of the successful, and behaviors of the well-known. He cited these as some of the main reasons why they succeeded, how they persevered to get to the top and yet still possess the humility that is rarely show by people of their stature.

Adrian was very eloquent and as a motivational speaker, he has shared time on stage with other well-known Filipino personalities. Yet it’s interesting to know that also conducts seminars for teens and tweens patterned after finishing schools. That certainly shows the breadth of his communication skills and personality. I noticed some of our members continued to discuss with him after the meeting, perhaps to engage his services for their respective firms. After all, that surely is his forte.

In lieu of our luncheon meeting on Nov. 14, we instead celebrated the RCC’s 87th Foundation anniversary with a dinner party at the impressive showroom of 38 Park Avenue in IT Park. Since that day coincided with the ROSAS VTT project, we invited members of RC Yokosuka, headed by their

President, Kazumi Tanabe who was accompanied by their Vice President Shoichi Fujimura, and Vice Chairman of their VTT Committee, Kazuo Yamashita. All 3 of them had just flown in that very day for the Foundation Ceremony at the Dimoc Center. We also welcomed the medical volunteers from Japan, Dumaguete, Manila, and Cebu as our guests.

Dir. Charles Ong, who chairs our ROSAS VTT project gave a brief report of what had

unfolded since the team arrived the day prior. It was touching to see so many volunteers, both foreign and local giving up their time and talent to help many of the children who were born with cleft lip and cleft palate. I hope their life changing experience not only removed the stigma of the physical defect but may it also mold their character so that one day, they may take the step to pay forward this act of kindness. There was also a short program that included the distribution of TRF awards to many of our members and a toast made to the future and sustainability of this VTT

program. Of course, we had our traditional anniversary group picture complete with a cake in the shape of an “87” at the end of the program.

With great music being dished out by our entertainer, free flowing drinks and great food, it didn’t take long for the party to warm up as couples started dancing and some popular songs were sung by our more talented members. We can safely say, we notched one up for another anniversary celebration.

## “Your Rotaract Club of Cebu Nov. 10-17 Full of Activities”

First time in the history of Rotaract Club of Cebu that within just a week, we were able to complete a lot of series of different activities.

We are not just making activities done, we are also building our character to becoming the best version of ourselves – to better serve the mankind.

And while doing this, we are also making memories worth remembering for when we get old.

Please see the photos below to see what activities we’ve done for this week.

We tackled about our future activities and passed 3 new projects that would be implemented soon. We ended our meeting with a Chooks To Go and drinks donated by our birthday celebrants for the month of November who were Rtr. Rachel, Rtr. Christian and Dir. Anna Maria.

Earlier in the morning of November 10, we already heard the sad news of the passing of

November 10, 2019 – Monthly Meeting in Rotary Office

our dearest mentor anhing PDG Ed Chiongbian. We cannot change of what the Lord have done unto him but believed that Lord has put him in the right place.

From there, we bought flowers for him and served him by serving the visitors to his wake every night until the day of his burial.

Earlier in the morning of November 10, we already heard

It is our 2nd Fellowship Run for this year. It's one of the ways to improve our building block. Are you fun of running? We don't just run. We run for a cause.

87<sup>th</sup> Anniversary*

"real love stories never have endings... just like the bond and the service of Rotary Club of Cebu to humanity... on its 87th year..."

We are so thankful to be part of the 87th Anniversary of the Rotary Club of Cebu as our mother club, the 2nd oldest Rotary Club in Asia.

12 Rotaractors were present.

Thank you to RC Cebu Pres. Mike Torres and to the Rotary Club of Cebu in general for the invitation. We really had fun!

Happy Anniversary, RC Cebu! More years to come and lives to save, to prolong and to improve! May God bless you all always!

*November 17, 2019 – absTEENence: Learning to say NO!*

The Rotaract Club of Cebu in partnership with the Rotary Club of Cebu and Community Scouts Youth & Guidance Center conducted an "absTEENence: Learning

to say NO!" symposium to 48 Kids and young professionals in CSYGC Center on Sunday November 17, 2019 from 1 pm to 3:30 pm.

The goal of this project is to educate the kids and young professionals on how to say no to sex, drugs, alcohol and learning to build and find a healthy relationship.

Special thanks to Pres. Mike Torres for sponsoring the snacks to all the attendees.

After the successful activity, we had our dinner in Mang Inasal and chilled in Starbucks using the free Gift Certificates we got from ING by downloading their application.

It was truly the busiest and productive week of your Rotaract Club. We thank you for your undying support and for inviting us to every humanitarian works you have. To more happy and productive memories with you all!

## What A Wonderful World

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a  
wonderful world

I see skies of blue and clouds of  
white

The bright blessed  
day, the dark  
sacred night  
And I think to  
myself what a  
wonderful world

The colors of the  
rainbow so pretty in  
the sky

Are also on the  
faces of people  
going by

I see friends  
shaking hands  
saying how do you  
do

They're really  
saying I love you

I hear babies  
crying, I watch  
them grow

They'll learn much more than I'll  
never know

And I think to myself what a  
wonderful world

Yes I think to myself what a  
wonderful world
