Dear fellow Rotarians

Happy New Year!

Last 2019 was another great year for RCC, we ended it up with a series of activities before we savored the yuletide holiday break with our families.

From a very successful Cadre Visit and GOL VTT Mission 6.0, Ride-to-End Polio after party with the support team, Governor's Night that RCC bagged the Biggest Delegation of the night, RCC Christmas Dinner, to the joyous CSYGC Annual Christmas Party celebration with RCC.

Though we started the year losing one of our member, Rotarian Eduardo Gonzalez who embraced already with our Creator. Let's continue to pray for his soul together with rest of our departed ones. On the brighter side, we kickstart the year with a generous donation from RCC members and friends to help one of the devastated school in Daan Bantayan

caused by Typhoon Ursula. Thank you, PP Bernard Sia who spearheaded this mission, together with Sec. Walter, Dir. Ed Tan Ting, AG Stephen and Rotarian Bobong Castillo.

Come Mar 5-7, 2020 is our DisCon to be hosted by District 3860 here in Cebu at Cebu Grand Convention Center and June 6-10 the RI Convention in Honolulu. All members are enjoined to register and participate with these two big ticket activities. Kindly see our viber group for you to sign-up.

Cheers!

### INVOCATION

Let us not only value the year before us but also look to this day, for it is life, the very life of life. In its brief course lie all worldly truths and realities of our existence: The bliss of growth, the glory of action, the splendor of beauty, for yesterday is but a dream, and tomorrow is only a vision, but today well-lived makes every yesterday a dream of happiness, and every tomorrow a vision of hope. Therefore, fellow Rotarians, look well to this day. And thank God.

### NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon.  
Putling bahandi, amo kang gimahal.  
Mithing gisimba, yuta's mga bayani;  
Sa manlulupig, pagdapigan ka. Ang mga  
buntod mo ug lapyahan, sa langit mong  
bughaw. Nagahulad sa awit, lamdag sa  
kaliwat tang gawas. Silaw sa adlaw ug  
bituon sa nasudnong bandila. Nagatima-  
an nga buhion ta ang atong pagka-usa.  
Yutang maanyag, duyan ka sa pagmahal,  
landong sa langit ang dughan mo.  
Pakatam-ison namo nga nagatukaw kung  
mamatay man sa ngalan mo!

## PRESIDENTIAL MESSAGE

Mark Daniel Maloney  
President 2019-20

### January 2020

People from all over the world have multiple reasons for joining Rotary. Many new Rotarians each year join for the same reason I did — because Rotary is a great way to benefit your career. When I was a new attorney starting out in Alabama, Gay and I became partners in her father's firm. He instilled in us the value of joining Rotary as a way to build relationships and demonstrate to potential clients that we were serious professionals who held firm to values even more robust than what our profession required.

Rotary's commitment to vocational service is built on the highest ethical standards in business and professions, the recognition of the worthiness of all useful work, and the dignifying of each Rotarian's occupation as an opportunity to serve society. That last point is so important. No matter our profession, we all contribute mightily to the world when we conduct our work with integrity and always adhere to The Four-Way Test.

I have made balancing the demands of Rotary with professional and family commitments one of my priorities as president. No Rotarian should feel pressured to put in more time than a volunteer position should ever demand. This is true for several reasons, one of them being that the work we do in our day jobs is just as important to Rotary as the work we do in the organization. We carry our Rotary values everywhere, and our professional success helps build a case for Rotary every day we go into the office.

This is particularly important in our efforts to reach younger new members. We want to see a Rotary where no one is ever asked to choose between being a good Rotarian and being a good parent, business owner, manager, or employee. When we ask busy young people to join us, we should not be asking them to give up their time and freedom. We should be rewarding them with an experience that .....*continue next page*

makes everything they already do even more inspiring.

Providing greater balance within Rotary will have another benefit as well: It will create opportunities for other Rotarians, including Rotaractors, to step up and take a leadership role on projects and committees. This will ensure that they remain engaged in our clubs and inspired to be Rotarians for life.

Throughout the world, Rotary is admired for its vocational service and for the time-honored values we instill in all business relationships. As we continue our work to grow Rotary, let us remember that vocational service remains a crucial selling point to potential members.

## Daan Bantayan Población Integrated School

Saturday - Jan.4, 2020

2019 Christmas Eve, the people of Northern Cebu experienced the devastating Yuletide Holiday due to the reported Typhoon named Ursula. Instead of getting excited preparing Noche Buena, the locals packed their things and moved to the evacuation center felt horrified and alarmed. According to the locals, the typhoon was felt 24th of December around 9:00 pm until 3:00 am and around 11:00 pm to 12:00 am Ursula was so strong, and they ended up celebrated Christmas in the evacuation center.

Hearing the sad news, members of the Rotary Club of Cebu immediately responded and raised a total of Php590,000 with part of the contributions coming from friends of Rotary to help the victims of Typhoon Ursula. The first distribution of construction materials for Daan Bantayan Población Integrated School was done

last January 4, 2019, led by Pres. Mike Torres, Sec Walter, and PP Bernard with help from the Rotaract Club of Cebu and riders of the End Polio Ride Cebu. Added, the Family of new Rotaractor Annie Descartin was affected by the said tragedy as well and was given some help (Construction Materials) too by the

Walter stopped over in Paypay National Highschool and saw the damages of some areas of the classrooms (The Jan Harris Library and Computer room) donated by the Rotary International. After which they headed to Daan Bantayan Población Integrated School and noticed the devastating effect and damages caused by Ursula.

The Faculty members of Daan Bantayan Población Integrated School accepted the donations with glee and would like to thank each and every one who has been part and contributed to the help that they

received both in cash, materials and indeed. It's indeed a great way to start the Year 2020 right! Long Live Rotary Club of Cebu!

Aside from the school as beneficiary of the donation, Rtr Annie who happened to be a breadwinner of their family in Bantayan Island is greatly affected by typhoon-Ursula, her father received materials to rebuild their damage boat which is the main livelihood of the family.

## December 6 - D3860 Governor's Night 2019 - Registration Committee

Rotaract Club of Cebu  
Supports District 3860  
Governor's Night 2019

Governor's Night is one of the most awaited time in every Rotary Year.

The Rotaract Club of Cebu served as the registration committee under the supervision of District 3860 Assistant District Governor (ADG) Stephen Chian and Rotary Club of Cebu Executive Secretary ate April last Friday,

December 6 in Mandani Bay.

It is the first time in the history of Rotaract Club of Cebu to be part of this kind of gathering with almost 300+ Rotarians coming from the district were in attendance.

It was a very nice experience of handling the concerns of our fellow service-minded people during these occasions. We really went beyond to our comfort zone.

We would like to thank the Rotary Club of Cebu, ADG Stephen, ate April

and the Rotary International District 3860 for this kind of opportunity. To more roles like this.

## December 7 - Midnight Fellowship

*"Sometimes, you will never know the value of a moment until it becomes a memory." Dr. Seuss*

Our kind of midnight fellowship

at Ramen Dojo and Starbucks, IT Park, Lahug, Cebu City last December 7 after the Governor's Night.

Special thanks to ADG Stephen for the afterparty snacks sponsorship.

## December 7-8 - RAC Cebu Supports "The World's Big Sleep Out 2019"

*"Hope is the only thing stronger than fear." (c)*

We joined #TheWorldsBigSleepOut2019 held in the grounds of Cebu City Sports Center last December 7 while hoping that our effort would help create awareness to #EndGlobalHomelessness.

Thank you, Rotary Club of Cebu, for the sleeping mats, ADG Stephen Chian for the sponsored snacks, VP/PE Ed Gaisano, PP Robin Ong and PP Baba Panopio for the Events Passes...

**December 9-13 - RAC Cebu Supports "Healing Little Hearts in Cebu"**

Healing Little Hearts in Cebu is a noble project of Rotary Club of Cebu. It aims to help the little hearts of less privileged children with Congenital Heart Defects coming from Visayas and

Mindanao islands of the Philippines and at the same time our local doctors and nurses are being trained by the international doctors and nurses.

Happened last Dec. 9-13 at VSMC through

the accumulated effort of Rotary Club of Cebu, Rotary International, Gift of Life International, Vicente Sotto Memorial Medical Center, Let It Echo organization, International doctors & nurses and local doctors & nurses.

**Dec. 12 & 13 - Foreign Volunteers Cebu City Tour Project Batch 1&2**

*"It is good to have an end to journey toward. But it is the journey that matters in the end." by Ernest Hemingway*

Most of our mother club's partner volunteers from abroad fly for a couple of hours to be here in Cebu, Philippines. They do humanitarian works for days without getting paid. They are focused on their mission. When they finish their mission, they will just go home and go back to their

normal routine.

To add some sugar, spice and everything nice to the foreign volunteer's mission, the Rotary Club of Cebu and the Rotaract Club of Cebu initiated a City Tour while their mission is on going so that they would know the beauty of our community in local's view.

The first City Tour happened last Thursday, Dec. 12 for the two nurses named Becca and Julie and then followed on Friday, Dec. 13 for the two doctors named Helen and Karen.

They really had a great day by seeing things in local's view. They were thankful for the initiative. And because of that, they are more motivated than before to be of help in the future missions and projects.

We would like to thank Sir Bobong Castillo for the free transportation for the batch 1 & 2 City Tour.

## FELLOWSHIP SONG

### A Hard Day's Night

It's been a hard day's night, and I've  
been working like a dog

It's been a hard day's night, I should  
be sleeping like a log

But when I get home to you I'll find  
the things that you do

Will make me feel alright

You know I work all day to get you  
money to buy you things

And it's worth it just to hear you say  
you're going to give me everything

So why on earth should I moan,  
'cause when I get you alone

You know I feel ok

When I'm home everything seems to  
be right

When I'm home feeling you holding  
me tight, tight, yeah

It's been a hard day's night, and I've  
been working like a dog

It's been a hard day's night, I should  
be sleeping like a log

But when I get home to you I'll find  
the things that you do

Will make me feel alright, oww

So why on earth should I moan,  
'cause when I get you alone

You know I feel ok

When I'm home everything seems to  
be right

When I'm home feeling you holding  
me tight, tight, yeah

Oh, it's been a hard day's night, and  
I've been working like a dog

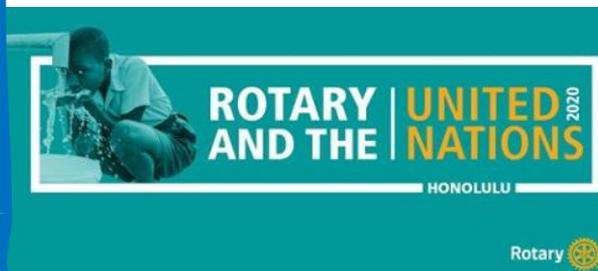

It's been a hard day's night, I should  
be sleeping like a log

But when I get home to you I'll find  
the things that you do

Will make me feel alright

You know I feel alright

You know I feel alright

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

## A woman walks into a bank

A woman walks into a bank in New York City and asks for the loan officer. She says she's going to Europe on business for two weeks and needs to borrow \$5,000. The bank officer tells her that the bank will need some kind of security for such a loan, so the woman hands over the keys to a new Rolls Royce that's parked on the street in front of the bank.

Everything checks out, and the bank agrees to accept the car as collateral for the loan. An employee drives the Rolls Royce into the bank's underground garage and parks it there.

Two weeks later, the woman returns, repays the \$5,000 and the interest, which comes to \$15.41. The loan officer approaches her and says:

"We are very happy to have had your business, and this transaction has worked out very nicely, but we're a little puzzled. While you were away, we checked out your accounts and found that you were a multimillionaire. What puzzles us is why would you bother to borrow \$5,000?"

"Well, where else in Manhattan can I park my car for two weeks for fifteen bucks?"

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ① The development of acquaintance as an opportunity for service;
- ② High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ③ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ④ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL  
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO  
ALL CONCERNED?
