Dear fellow Rotarians,

Gong xi fa cai!

First, i would like to say thank you to PP Jonie Gesalem for the invitation for us to see the spectacular first-ever Musical Fireworks Competition in Cebu City - Sky Symphony last Friday, 17th of January. It also featured the stellar, Cebu's first, Dancing Musical Fountain at Il Corso. Indeed, a night of fiesta celebration and family bonding.

Congratulations to our very own Sinulog Foundation executives- PP Ricky Dakay and PE Edward Gaisano for spearheading the successful Sinulog weekend last January 19. We will all be expecting a bigger one next year when the whole island of Cebu will be celebrating its 500th year on the foundation of Christianity.

As of today, we have 16 members attending the March 5-7 DisCon. Hope we can increase the numbers of attendees from our club for we still have seven days to register.

Lastly, i am happy to announce that we are currently working on our 4th Run-for-Gift-of-Life and very honored to present our RGOL Y4 Chairman, Rtn George Paraoan. Thank you very much for taking the lead and as promised we are all behind you on this. Further details as to the date and venue shall be announced very soon. So, stay tuned and looking forward to everybody's usual support.

Cheers!

INVOCATION

May those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place Service above Self, in our daily endeavors. And may we always test ourselves and our efforts to be sure they are the truth, good for all concerned, of benefit to mankind, and provide peace and understanding. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

WHAT HAPPENED LAST WEEK...

By: Walter Cang

Rtn. Shige Onda, our unofficial ambassador of goodwill to Japan announced that 3 members of the Rotary Club of Okayama Marunouchi will be arriving Cebu on the 22nd. It is their first time to visit our country and they will be joining our luncheon meeting on the 23rd. They have no international partners and may be open to establishing one.

He also reminded us all that the annual visit of the Rotary Club of Yotsukaido is coming up as they fly in on the 31st. As always, our fellowship night will feature the annual calendar auction so please make an effort to attend and enjoy the fund-raising activity.

He also shared that Rtn. Bobong Castillo has been helping a Rotary Club in Kushima.

This club had previously undertaken a project in Cebu and provided some assistance to typhoon ravaged Leyte. They heard about the Taal Volcano eruption and would like to donate masks for the evacuees. They would like us to write a formal request to formally begin their donation process. We have to look into logistics as the release and any duties will be our responsibility.

Our guest speaker was none other than Rtn. Aris Kintanar. Our club admin officer, Rtn. Mitch did a splendid job in introducing him and managed to bring the house down with his apt description such as a Bachelor with emphasis on the B. His pedigree in economics, specializing in

Quantitative Economics and President of Helpmate Manpower Services & High Trust Finance. He cited his interest in anything biological female! He also cited the fact that Rtn Aris was at one time a coach of the ML Padala Ladies' Futsal team which won the division runner-up under his guidance.

A brief background, our in-house economist correctly predicted the country's inflation rate as of the year end was going to be less than 3.5% in a bet with Rtn. Hector Almario. His prediction was made early in the year when the trend was in the upswing so we can only assume his pronouncements were made with some level of business intelligence! In fact, I must admit I am probably the wrong person to be writing about his presentation as I can barely catch up to the facts and data he shared.

His presentation was entitled 2020 Economic Projections. Unlike Rtn. Jun Castaño's annual report that was drawn from a multitude of data available at his fingertips, Rtn. Aris

explained that he relies on his network of friends who are in the business of gathering data to arrive at his findings. Some of these include what was projected last year by major financial institutions, as well as the conditions that prevailed in our economy at that time. He shared information sourced from IMF which took into account our GDP vs. debt and noted we were rated better than the US. Other factors he looked into was strong growth registered in the past few years owing to sound economic policies made by the government.

He did cite projections made for last year that predicted a rise in inflation due to the looming shortage of rice supply across the country and weakening of the currency. Having finally resolved their budget in the second half of the year, the government was able to finally kick start the Build Build Build program. With the late start, we may see greater impact in 2020.

In October, our inflation rate actually dropped to 0.8%. Even though we had an outbreak of African Swine Flu, there was enough supply of pork to sustain the demand, so it never affected our inflation rate as much as it was feared. Importation of rice also played a key role in keeping prices down. Lastly, Aris did take the plunge and made his prediction for inflation in 2020 to be around 3%, slightly higher due to the passage of the budget which in turn will fuel the government's Build Build Build program. This will result in more spending and importation to support the program. Other facts cited included the fact that we have more room to incur more debt without negative impact to our economy and that our dollar reserves are also very healthy.

In all honesty, I am barely scratching the surface at this point and can't do justice to what Aris shared. If you want to hear more complete and in-depth views covered in his presentation, I highly recommend the video shared at our Facebook page.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ① The development of acquaintance as an opportunity for service;
- ② High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ③ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ④ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
