Dear fellow Rotarians,

Maayong hapon sa tanan!

Let us congratulate our Incoming President Edward Gaisano for completing the PETS SETS last February 22, Saturday at Maayo Hotel Cebu together with Secretary Walter Cang. We look forward to another banner year this 2020-2021!

Last February 25, Run for Gift of Life Y4 Chairman George Paraoan announced that with the rescheduling of the DisCon to May 13-15, the Race Day was moved to May 17. With this, we hope we can entice other clubs to join our run. Again, a gentle reminder to our dear members to support this fund raising.

This week, our club shall be contributing a total of USD 10,000 to Polio Fund to support Rotary International's campaign against total eradication of Polio especially our country. Thank you to PP Bernard for that historical Ride to End Polio as well as to our TRF Chair PP Baba Panopio for this high-level contributions.

Lastly, our service project chair Edward Tan Ting has posted via our viber chat group for the requests of CSYGC wards and inquire members if you have any old desktop, laptop computers to donate. We can arrange to have it picked it up or you can bring it to our Thursday meeting. We would appreciate if the donated computers, be refurbished if necessary, before turning them over to CSYGC.

Cheers!

RY 2019 - 2020

INVOCATION

As Rotarians, we are generally blessed with lives of relative luxury, and opportunities unknown to many. Help us to review our check books, and, indeed, the registers of our lives with honesty as we consider our priorities, and our opportunity to help others. Open our hearts, and our accounts, to those in need, while still providing us with appropriate fruits of our own labors. Help us to share not only our tangible wealth, but also our intangible riches of knowledge, leadership, and creativity to make our city, our nation, and our world, a better place filled with the peace and love that you can bring through us. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

WHAT HAPPENED LAST WEEK...

By: Walter Cang

Like last week, our meeting was just as packed. We were fortunate to have with us members of the Rotary Club of Ladner from Delta BC. These ladies accompanied Past

President Bonnie Sutherland, International Service Chair of the RC of North Delta from British Columbia, Canada who was our guest speaker. We took the opportunity to have our guests take part in the fellowship singing and my hats off to them for gamely singing to the song "We Are The World".

Bonnie is a retired schoolteacher and you can see how well she had everyone glued to their seats as she explained her life, her experience and what she was doing now. She explained that she has been working in Africa since 1992 when she and her late husband, Don, visited Kenya. Both of them were teachers and they immediately saw the great

need for teaching materials that could benefit both teachers and students. Aside from shipping containers of books and other reading materials to Kenya, they also shipped computers. Desktop PCs meant to enhance their learning opportunities.

However, they learned much to their dismay that their environment was not conducive to electronics and upon their return, saw many of these computers inoperable, missing parts, damaged, and missing. They learned that problems with intermittent power, power surges, dust and heat required them to come up with a better way to deal with this issue.

Through their efforts and in collaboration with computer experts, they created a small server that would be rugged to deal with heat, dust and power issues. It was small, it was integrated with a router and it was robust. That prototype was used in the first Kenya test project in 2015 and they called it ARES which stood for African Ruggedized Education

System, a solution for the problem of education in rural communities with minimal resources.

Bonnie proudly shared to us that those pilot projects have prepared them for the next stage using a Global Grant. Four local Rotary clubs in BC and Washington (Bellingham, Langley Central, Chilliwack Fraser and North Delta) have each donated \$5,000 USD which, with matching grants from Rotary and the Government of Canada, to bring up the total funding to over \$129,000! The first phase of the Global Grant was installed in January 2019. They expect the entire grant to be completed within the next year, and then they intend to apply for a second grant.

As of February 2019, ARES labs have been installed in 47 schools. They are changing the lives of a generation of students and those changes will continue to ripple outwards to change the lives of their families, their communities and even entire countries.

Many of us who were familiar with our School in a Bag project had our ears cocked as we were thinking of the different ways by which SIAB can benefit from this program...and perhaps one day, maybe we will.

ROTARY'S POLIO CHALLENGE

Rotary International and the Bill & Melinda Gates Foundation announced an extension of their existing fundraising partnership that could generate up to US\$525 million in new money for polio eradication as the global effort to end this crippling disease enters its critical endgame phase.

Under the new agreement, announced before an audience of more than 20,000 Rotary members from 160 countries gathered in Lisbon for the humanitarian group's annual convention, the Gates Foundation will match 2 for 1 every new dollar Rotary commits to polio eradication up to \$35million per year through 2018!

THANK YOU FOR HAVING SUPPORTED THE ROTARY FOUNDATION AND ITS EFFORT IN ERADICATING POLIO FROM OUR PLANET.

Good day fellow Rotarians!

It has come into our attention that someone in the United States has created a fake FB messenger account and started messaging some of you, pretending to be our current governor, Philip Tan.

Please be careful and do not cater to his messages. Our governor has only ONE FB account and linked to his FB messenger.

If that person has ever contacted you, please report to FB so that the account can be removed and blocked.

Bellow are photos of the fake messenger account and instructions on how to spot the fake account and report to FB for flagging and removal.

Thank you and lets be vigilant especially in this digital world of fake news and fake information.

Thank You!

FELLOWSHIP SONG

Oh Carol!

Oh! Carol, I am but a fool
Darling, I love you though you treat me
cruel
You hurt me, and you made me cry
But if you leave me, I will surely die
Darling, there will never be another
'Cause I love you so
Don't ever leave me
Say you'll never go
I will always want you for my sweetheart
No matter what you do
Oh! Carol, I'm so in love with you
Oh! Carol
Darling

"I have no hesitation in saying that world peace could be achieved and made permanent if reared on Rotary's firm foundation of friendliness, tolerance, and usefulness."

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
