INVOCATION

In times of sorrow, we turn to you, our Creator. Let us bring comfort to those we remember in your service in Rotary. Bless the families in mourning and help us continue to do the work we must continue doing in their loving memory. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatimaan nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

PRESIDENTIAL MESSAGE

Mark Daniel Maloney
President 2019-20

March 2020

March is the month we celebrate Rotaract — and this has been quite a year for our young partners in service.

Last spring, the Council on Legislation elevated Rotaract in our constitution: Rotary International is now the association of both Rotary clubs and Rotaract clubs. Then in October, the Rotary Board of Directors eliminated the artificial Rotaract age limit and took other steps to break down barriers that were preventing Rotaract from growing in some parts of the world.

These steps were long overdue, because Rotaract is a vision of what Rotary must become. Not only do we need to open our doors to our young colleagues, but we also have to open our ears and minds to the Rotary experience they find most engaging. That is one of the best ways we will meaningfully grow Rotary.

When I say grow Rotary, I mean it in many ways. We need to grow our service and to grow the impact of our projects. Most importantly, however, we need to grow our membership, so that we can achieve more. Rotaractors provide this opportunity, not only because they can transition to Rotary at the time that is right for them, but also because they understand what it will take to attract others like them

Business as usual will not work for us anymore. Bringing in more members to replace the ones we lose is not the answer. It is like pouring more water into a bucket full of holes. We need to address the root causes of member loss in many parts of the world: member engagement that is not what it should be, and our member demographic that skews steadily older.

It is time to make some fundamental changes. We already know what the barriers are to an engaged and diverse membership. It is time to act. on what*continue next page*

we know: creating new membership models, opening new paths to Rotary membership, and building new Rotary and Rotaract clubs where the existing clubs do not meet a current need.

New club models represent an opportunity to connect with a more diverse group of individuals — particularly those who are unable or unwilling to join our traditional clubs. While new club models have been emerging for some time, it is up to district governors to make them a reality. In January at the International Assembly, our incoming district governors took part in an exercise called Build Your Own Club Model. It was a wonderful experience that put them in the right frame of mind for the work ahead.

Ultimately, however, it will be up to Rotaractors and young Rotarians to create new club models that are most meaningful to the next generation. We may think we know what young people want from Rotary clubs in the future, but I am confident that what young people say will surprise us. It will be our job to support their innovation, for it will help us grow Rotary as *Rotary Connects the World*.

WHAT HAPPENED LAST WEEK...

By: Walter Cang

Our meeting went off with a little hitch when the sound system went kaput. I don't know why but for the last few years, our venue sound system has always been flaky. We've had to sing the Nasudnong Awit acapela on many occasions and despite repeated

requests for the hotel technicians to do something about their faulty system, it continues to haunt us. So last week's attempt to sing what would have been a walk down memory lane for many of our senior members turned into an acapela rendition of the song Oh Carol! by Neil Sedaka. A quartet of men and a single rose, in the person of Janice Minor. It was definitely one for the books with the song quickly going off key, but they gamely sang with PP Joe Gapas and his trademark clap! No doubt it was a lot of fun for us who sat and watched the show. May their tribe increase!

Our guest speaker knows of us because our club is one of the sponsors of the foundation she runs. Ms. Valeoni Suico is a BS Biology graduate of Cebu Doctors College. Having taught at the Cebu International School for several years, she finally left the school 2009

and opened The Lord Who Cares Foundation. It exists for the sole purpose of providing welfare and life skills to benefit the youths who are in the lower fringes of our society.

The project is primarily a satellite school that caters to educationally deprived youths from troubled homes, often due to social circumstances; children who grew up with little to no guidance in character, values and general life preparedness. With the rapid growth of our city, there has been a rapid expansion of informal settlers in the metropolis like Mandaue and Cebu cities. These areas are where troubled youth congregate and find wrong influences. This is where their foundation can be found.

Through their work, they see the face of unimaginable levels of poverty. And they see these children engage in forms of

livelihood that endanger their lives. Through this project, the youth are given life-oriented classes which are coordinated with the local division of the Department of Education. Due to severe educational deprivation, many of these youth have severe deficiencies in scholastic aptitude so they are being taught the basics in order to make them qualified to enter high school. In this process, they get to cross that bridge which allows them to safely enter the mainstream of society. Valeoni share with us several of their alumni who have gone on to become wage earning members of society. It surely elated us to hear their stories. Their training extends to the teachers as well so that they are equipped with the skills necessary to deal with their students. Skills such as trauma healing since many of the kids suffer from their past experiences. This training is actually endorsed by and undertaken in cooperation with DepEd.

With her work background, they have recognized the need for business and government to work together to alleviate poverty. She reminded us that our success translates into our ability to help these children and said a simple but meaningful prayer for all of us. Today, her foundation is focused in taking steps to deal with unplanned and unwanted pregnancies, especially among the youth. Our country faces a national social emergency. Latest figures show that in 2019, 530 minors between the age of 10-14 are getting pregnant every day! There's no need to look far as even in our province, there were more than 300 cases reported last year, averaging 1 to 2 per week. She also shared that every week, reports show that girls as young as 10 years old are getting pregnant!

This scary statistic was shared with us because she believes that her foundation alone cannot tackle this problem. However, with our influence in government, we are in a better position to influence our lawmakers, local government officials who can craft policies to fight this scourge. One example she cited was the proliferation of business

establishments like cheap motels near schools that offer their facilities for as cheap as ₱50. How they managed to get their business permits is hard to comprehend. But with our help, the local government can be notified and forced to take action. She ended her talk with a 5-minute video of a father's love letter to his child. It was touching and emotional. And most of all it was a message that resonates between us as parents and our children, just as it resonated between us and our creator.

FELLOWSHIP SONG

Seasons in the Sun

Goodbye to you my trusted friend
We've known each other since we
were nine or ten
Together we've climbed hills and
trees
Learned of love and ABC's
Skinned our hearts and skinned our
knees
Goodbye my friend it's hard to die
When all the birds are singing in the
sky
Now that spring is in the air
Pretty girls are everywhere
Think of me and I'll be there

We had joy, we had fun
we had seasons in the sun
But the hills that we climbed
Were just seasons out of time

Goodbye Papa please pray for me
I was the black sheep of the family
You tried to teach me right from
wrong
Too much wine and too much song
Wonder how I got along
Goodbye Papa it's hard to die

When all the birds are singing in the
sky
Now that the spring is in the air
Little children everywhere
When you see them, I'll be there

We had joy, we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone
We had joy, we had fun
We had seasons in the sun
But the wine and the song
Like the seasons have all gone

Goodbye Michelle my little one
You gave me love and helped me
find the sun
And every time that I was down
You would always come around
And get my feet back on the ground
Goodbye Michelle it's hard to die
When all the birds are singing in the
sky
Now that the spring is in the air
With the flowers everywhere
I wish that we could both be there

SENSE OF HUMOUR

(A joke a day keeps the doctor away)

A woman was watching her husband

A woman was watching her husband standing on the bathroom scale, sucking in his stomach.

Thinking he was trying to weigh less with this maneuver, she commented, "I don't think that is going to help."

"Sure it will," he said. "It's the only way I can see the numbers..."

The Whole Truth

The judge wanted to make sure the witness understood the solemnity of the occasion.

"Do you know what the word 'oath' means?" asks the judge.

"Sure do," says the witness. "Oath means if I swear to a lie, I gotta stick with it."

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ❶ The development of acquaintance as an opportunity for service;
- ❷ High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ❸ The application of the ideal of service in each Rotarian's personal, business, and community life;
- ❹ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL
AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO
ALL CONCERNED?
