SERVE TO CHANGE LIVES

## ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faenar, Joaquin Pans, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

I am sure you are having an enriching experience as you Serve to Change Lives. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward

boys, the cost of missed economic opportunity is more than \$1 billion per year.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can Serve to Change Lives through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

# TRUSTEE CHAIR'S MESSAGE

**John F. Germ**

*Trustee Chair 2021-22*

**September 2021**

Malala Yousafzai is a young Pakistani activist for the education of girls and women. As a teenager, Malala, whom the world knows by her first name, courageously spoke out for the rights of girls to learn. Extremists in her country disagreed with Malala, and she was shot by a Taliban gunman on her way home from school. But the attack didn't dissuade her; it made her more determined. As soon as she recuperated, she resumed her mission of education activism. Today the Malala Fund supports education through projects around the world.

Not only is Malala an inspiration for Rotary members, we also have some commonalities: a drive to do what is right, a passion for literacy, and the power to transform dreams into reality. One of my life mottos is: if you can dream it, you can do it. This applies to everything Rotarians do, particularly with The Rotary Foundation. We literally make our dreams happen.

Like Malala, we know that literacy is, for many, the first step out of poverty. To put our vision into action, we first understand a community and the unique problems of its members, and then form a partnership with them. Next we join forces with others — exchanging ideas with clubs in other districts, and working with people and organizations outside of Rotary.

Our solution, in the form of a district grant or global grant, will be tailored for that community. And if it's a Rotary grant, you can bet it will be well-planned, strategic, and most of all, sustainable. We want that gift of literacy to not be a one-time book donation but a plan to transform a community over time.

Over the years, I have seen countless literacy efforts in Rotary, from national programs to local projects. When the global COVID-19 pandemic hit last year, many clubs took action to help communities adjust to online schooling, including providing laptop computers. Rotary's solutions are endless, our volunteers tireless. And if I know Rotarians, I know that more solutions are being created as I write these words.

Rotary's passion for literacy and education projects is well-known. So is our commitment to make them happen. You, through Rotary, are a big part of helping people take their first step out of illiteracy, out of poverty, and into something much better. Remember, if you can dream it, you can do it — just like Malala.

# PRESIDENT'S MESSAGE

## September 2021

Greetings from Rotary Club of Cebu!

Three months into this Rotary Year, the "honeymoon" stage of a new Rotary Year is over. We are getting down to brass tacks.

Service projects and global grants are in full swing starting with our Gift of Life Program which had the revision to its scope approved by Rotary International. Since the approval, a total of 5 children have already been operated on successfully and 2 more are awaiting blood donors. The WASH 7 with 7 beneficiaries has been expanded to 9 schools with the additional two schools starting work in the coming weeks while the WASH 2.0 will have 6 beneficiaries and the grant application will be submitted during the month of

October. The Global Grant for Rotary's Environment Area of Focus is continuing and coordination with Mandaue City is ongoing. While a Rotary Park is very nice, we are leaning towards the Butuanon River Eco-fence/Linear Park that will protect the river while providing a jogging/cycling path for the people. The third grant that we have is for the Community Scouts Youth

and Guidance Center and we are being guided by Rotary International on the application itself. These global grants are all made possible by the contributions of our members to

The Rotary Foundation and the International Rotary Clubs

that have placed their trust in our ability to be good stewards and implementers of these big projects.

The Rotary Foundation has several funds where rotarians can choose where to contribute and one of them is the Endowment Fund. Endowment Fund is a Permanent Fund where the earnings will be returned to the club in the form of District Designated Fund every year in perpetuity. Our club has 3 endowment funds, the PDG Edgar Chiongbian Endowment Fund, The Rotary Club of Cebu Endowment Fund, and the Michael and Ana Lyn Torres Endowment Fund. During the month of September, I am happy to report we had our fourth Endowment Fund, The Stephen and Grace Chlan Endowment Fund. We also had 8 members who signed and committed to be Paul Harris Society members and multiple new Paul Harris Fellows. Thank you to all our donors for the Rotary Foundation, and I mean All. From the \$100 to the Endowment and AKS contributions, each and every amount matters in adding up to the total contributions from our club.

We also have our club's vaccination drive held weekly now at Velez Hospital. Not visible is the amount of work put into this program by our members, Sec Charles, Rtn Stanley, PP Bernard, Dir Joey Ontanillas, and all the members who volunteer during inoculation day to ensure that it is safe and orderly. The forthcoming delivery quantities for the vaccines are increasing now and this makes the program more difficult to manage. I would like to thank everyone who have helped make this happen and to our members for your continued cooperation in fulfilling the requirements.

It has been an exciting first quarter of the Rotary Year and it looks like it will be more so in the months to come. We have the End Polio Ride in November and the project implementation and subsequent turnovers to look forward to. We are starting to have more frequent physical / hybrid meetings and that is one of the highlights of being in Rotary, being able to connect and forge lasting friendships.

It is just amazing how the members of our club take the initiative to do Service. I am so humbled by the experience of leading a club that is composed of leaders and I look forward to being able to do more good in this world. Thank you so much.

# ROAD SAFETY AWARENESS CAMPAIGN

## Cebu City roads

2021-09-03

*As the number of two wheeled users increase on the roads of Cebu, the Rotary Club of Cebu and Cebu Road Heroes teamed up to create a massive campaign on road safety.*

*To start this off, both organizations distributed bicycle safety gears like reflective vests, sash, blinkers, helmets and bands. WE thank our donors Robert Taylor, PN Walter Cang & YKKBikes for providing these items.*

*WE would also like to thank the Land Transportation Office Region VII and the Rotaract Club of Cebu for supporting this event.*

*WE also took the opportunity to promote our Vaccinations Work to help increase vaccination against covid and hopefully reach our target for herd immunity.*

*Let's do our part to make our roads safe for everyone.*

# RELIEF AID TO STA CRUZ FIRE VICTIMS

2021-09-05

*Fire Victims Relief Efforts for Barangay Sta Cruz, Ramos*

*2 days ago, 79 families' homes were engulfed by fire, some of them were not able to save anything except the clothes on their backs. After much coordination to ensure that our relief efforts does not become redundant, the Rotary Club of Cebu of Cebu delivers Cook Tops, Water Dispensers, Blankets and Mosquito Nets hoping that these can help them get back on their feet.*

*Asking them to pay it forward, we asked them to donate these back to the barangay should they feel they are able to get bac on their feet again.*

*Finally, president Jacob Ong also encourages the fire victims to get their covid vaccines.*

*All health protocols were observed during this turnover, masks were worn and given to those in the evacuation center, no mass gatherings and only representatives were converged to demonstrate assembly of these donated items.*

*RAC Cebu successfully held their 8th Induction and Turn Over Ceremonies for the new members and officers of RY2021-2022. The event was participated by the various Rotaract Clubs, Friendship Clubs, and Sister Clubs. This event will not be made possible without the help of our very supportive mother club, the Rotary Club of Cebu.*

We also want to extend our gratitude to the following sponsors: Kai Stickers, Newman Chemical Inc., PP Ibarra Panopio, and EcoInnovation Solution, Inc.

MESSAGE

My warmest greetings to the Rotaract Club of Cebu on the occasion of its 7<sup>th</sup> Anniversary and 8<sup>th</sup> Induction and Turn-Over Ceremonies.

Over the years, your club has actively promoted service and camaraderie among its members. I congratulate you for your accomplishments, which not only uplifted your members but also made a difference in the lives of many. In these difficult times, organizations like yours give hope to those who are most in need.

As you celebrate these milestones and kick start a new Rotary Year, may you all be empowered by the relationships that you build and may you continue to thrive and become a blessing to our nation.

Congratulations and I wish you more success in the years ahead.
