Rotary Club of Cebu 89th Charter Anniversary

Centro Espanol De Cebu, Cebu City
November 21, 2021

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Fañlar, Joaquin Fanis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongblan, was the District Governor in RV2013-2014 and also the RV2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RV2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

November 2021

I first discovered the value of service when I saw how a few simple acts can immeasurably change lives. It began when I joined others in my club for a project to bring toilets and clean drinking water to rural villages near our city. It moved forward when we promoted sanitation and provided opportunities for education across the country, thanks to generous gifts from supporters who believed in our projects as much as those of us on the ground did.

There is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month.

As the charitable arm of Rotary International, The Rotary Foundation is the engine that powers so many Rotary projects throughout the world. The Foundation transforms your gifts into projects that change lives. It is the Foundation that helps us to get closer to our goal of eradicating polio, to show more people how we promote peace through tangible actions, and to demonstrate the impact our projects have in our areas of focus.

Consider some recent projects that were made possible by the Foundation:

- The Rotary clubs of Guatemala La Reforma, Guatemala, and Calgary, Alberta, received an \$80,000 global grant to organize a comprehensive plan to train nurses and rural health care workers to prevent and treat
- cervical cancer and to implement a sustainable system of referrals in seven regions of Guatemala.
- More than two dozen hospitals in Honduras received personal protective equipment for their medical staff thanks to a \$169,347 global grant sponsored by the Rotary clubs of Villa Real de Tegucigalpa, Honduras, and Waldo Brookside-Kansas City, Missouri.
- The Rotary clubs of Cotonou Le Nautille, Benin, and Tournai Haut-Escout, Belgium, received a \$39,390 global grant to provide agricultural training at an ecologically responsible permaculture mini-farm connected to a center for children in Sowé, Benin. This will help a new generation of farmers become economically self-sufficient.

I like comparing The Rotary Foundation to the Taj Mahal, a monument of one man's love for a woman. The Foundation is a dynamic monument of our love for all of humanity.

This month I am asking all Rotary clubs to bring attention to the Foundation. It is what connects all Rotarians worldwide and transforms our collective passions into projects that change lives. Visit rotary.org/donate; once there, you will have an opportunity to give directly to the program you're most passionate about.

Thank you for giving your all to Rotary. You are the reason that Rotary is able to do more and grow more. Let's continue to represent that important legacy this month, this year, and beyond as we Serve to Change Lives.

November 2021

When people ask me what The Rotary Foundation is, I tell them it's the heart of Rotary. You may have heard before that Rotary has an intelligent heart. The Foundation combines our emotional response of compassion with pragmatic action. With both heart and brains, you can change the world.

So, what does the Foundation mean to you? November is Rotary Foundation Month, but do you really know our Foundation?

First, it truly is our Foundation. The Rotary Foundation doesn't belong to me or the other 14 trustees, nor to the RI Board of Directors, nor to the RI president. It belongs to each Rotarian around the world.

And it's there for all of us to change the world. We save mothers and children because we have compassion, and we know how to plan. We provide clean water and sanitation where they're needed to those who need them, because we build strategies based on a community's needs. We combine support for peace, education, and economic stability for at-risk communities with an ability to manage big projects.

Giving to the Foundation is smart, too, because in doing so, you multiply the value of that gift. How many other foundations can you think of that

identify the projects, fund them, and run them on the ground themselves? Ours is the only one I know. And we get it all done at such a relatively low administrative cost. This is one reason Charity Navigator consistently gives the Foundation a four-star rating.

I sometimes get asked a question: How much should I be giving to the Foundation? Each year, make a gift of what you can afford to give. For some, that is \$100, and for others, more. What's most important is that you give something, because each generous gift helps us meet the increased demand we're seeing from members for global grants and our other programs.

This year, we want to raise \$50 million for PolioPlus, which will be matched 2-to-1 by the Bill & Melinda Gates Foundation, for a total of \$150 million. If every Rotary club contributed just \$1,500, we would surpass this goal. We have other goals as well — for the Annual Fund, the Endowment Fund, and outright gifts — adding up to a grand total of \$410 million.

We will get there if we set our hearts — and minds — to it. But remember, it's not about the money; it's what the money can do.

There's a saying that goes, "I alone cannot change the world, but I can cast a stone across the waters to create many ripples."

The Foundation is that stone, so let us turn ripples into great waves with it, using our hearts and our minds.

PRESIDENT'S MESSAGE

November 2021

Good afternoon fellow rotarians and guests.

To our Guest speaker, Mr. Mike Martinez, Thank you very much for sharing your time with us. Looking forward to your talk later.

What a week it has been with the End Polio Ride happening last weekend and sending of Gift of life patients to Manila all the way from Bukidnon. Thank you Dir George, Dir Joey, and Mighty Mike Tan for assisting GOL Patient Kaithleen so that she can get her surgery done finally. The pictures sent by Diana were really really heartwarming.

The Ride to End Polio Year 3 which happened from Nov 19-21 was our biggest campaign for End Polio Now and Vaccine Awareness. It was a brutal route that Bernard created, I have not recovered fully from the battering I received during the ride.

Thank you to Team Captain and Project Chair PP Bernard for organizing this event, I am still at awe at how you did it.

Thank you to all the Rotary Club of Cebu members for all your hard work and contributions.

Walter Cang, Dj Moses, Ken Ngo, Migs Magpala, Melchor Alejandro, Mitch Alforque, and so many others.

Special thanks to our club clerk @Rose Castil who worked so hard for this event months before the actual date.

Thank you to @April for being our lead mobile marshal throughout the entire route even in the most difficult sections. Even crashed her motorcycle when she got caught in one of the deeper rain ruts.

We also received support from Cebu Governor Gwen Garcia, Danao City Mayor Ramon "Nito" Durano II and Congressman Red Durano.

Thank you to Balungag Elementary School and Taptap Integrated School for the warm welcome and hospitality. And Santican National High School for preparing our food high up in the mountains of Danao.

To the Rotaract Club of Cebu led by their President Jerry Bual who were there from start to finish, thank you so much!

Thank you to Hyundai and Changan - Hyundai North, Hyundai South, and Globalstar Motors for all the support vehicles provided for the event and Virginia Foods Corporation Inc for the food to fuel the riders.

Thank you to PP Jonie for the Donuts we gave to the riders and support, Glenn Besanes for the rice we served for all the meals, and Eggelsior for the 1,250 eggs!

We had medic support on motorcycles from H.E.R.U. Heart Emergency Response Unit, Inc. who followed the entire route, thank you very much!

And of course, thank you very much to all the pledges and outright donors to the End Polio Fund. We have raised 384,000 from our members and 80,000 from non rotarian friends. Which totals 465,000+

And during the first stop of the ride, we were able to turn over our roofing project for Balungag Elementary School. Thanks to the efforts of Joey Suaco and Melchor Alejandro for making this project happen. The second stop was Taptap Integrated School where we slept and in the morning, we did the groundbreaking for our WASH project there which is part of our WASH 2.0 Global Grant chaired by Dj Moses.

It has been a hectic and stressful week for a lot of our members, so for this Saturday's charter anniversary celebration we will just relax and have fun!

See you all on Saturday.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
