SERVE TO CHANGE LIVES

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar, Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

PRESIDENTIAL MESSAGE

Shekhar Mehta

President 2021-22

February 2022

At the start of the Rotary year, I challenged every club to plan and host at least one practical and action-oriented Rotary Day of Service. The event should address a challenge your community is facing that fits into one or more of Rotary's areas of focus and should bring together volunteers from within and outside of Rotary.

Rotary Days of Service can motivate Rotary, Rotaract, and Interact clubs to plan innovative and impactful projects. They can showcase your work as people of action and introduce prospective members to your club.

I've been inspired by your response so far, and I want to share with you just one project that has captured my imagination.

India is home to an estimated 74 million people with diabetes, a disease that is a leading cause of death. Furthermore, about 50 percent of those people remain undiagnosed.

Rotary, together with the Research Society for the Study of Diabetes in India, saw the urgent need to diagnose, track, and treat people who have diabetes. Working together and with other organizations, we hosted a nationwide blood glucose testing camp on 29 September, which is World Heart Day.

The camp was spread across more than 10,000 sites in India, with more than 2,000 Rotary and Rotaract clubs participating in the effort. More

than 1 million blood-sugar tests were conducted in a day, an accomplishment recognized by the Asia Book of Records. But more important than breaking a record is the fact that tens of thousands of people learned that they may be living with diabetes. They can now be treated for the condition, and they also have been made aware that they should take extra measures to shield themselves from COVID-19 and scores of other diseases that are caused or worsened by diabetes.

This month, on 23 February, the anniversary of Rotary, let us celebrate with more service days, showcasing Rotary's work in our areas of focus. I look forward to hearing about your Rotary Days of Service. Please share your projects on Rotary Showcase, or browse that webpage to find inspiration and project partners. In particular, I encourage you to execute projects that focus on empowering girls, as they have been disproportionately affected by the pandemic. The Empowering Girls initiative is resonating very well with members of Rotary as well as with non-Rotarians. The governments and NGOs in various countries are appreciating this meaningful effort. Let us keep focusing on it.

I am also happy that the Each One, Bring One ethos is bringing fruitful results. Let us ensure that all club members introduce at least one person to Rotary, and that we then all work to engage new members and keep them in our clubs.

In whatever we do, remember that we must push ourselves to grow more, do more as we Serve to Change Lives.

TRUSTEE CHAIR'S MESSAGE

John F. Germ

Trustee Chair 2021-22

February 2022

I always look forward to February, the month of Rotary's anniversary, as a time to remember our history. What began as a small gathering in a Chicago office in 1905 soon transformed into a global movement — one that you and I are a part of today.

February is also Peacebuilding and Conflict Prevention Month, when we celebrate a core Rotary concept: the pursuit of global peace and understanding.

Through our global and district grants, The Rotary Foundation is a force for peace — as are all of you who use those funds for projects. A grant that promotes literacy can lead to greater understanding and economic security in that community and beyond. This lays the foundation for peace. When communities aren't fighting over scarce water resources, because they have a working pump system, they can instead pursue education. Promoting peace is interwoven in all that Rotary does.

The work of actively building peace and understanding has been a hallmark of Rotary since its earliest days. But with the creation in 1999 of the Rotary Peace Centers we began a bold new chapter in this story. This year marks the 20th anniversary of the inaugural class of peace fellows; the innovative program continues to merge a strong, academic understanding of the roots of conflict with practical tactics for solving real-world problems.

Despite the impacts of the COVID-19 pandemic, the Rotary Peace Centers were able to adapt, ensuring minimal disruptions to the program. Now, students at our seven centers are resuming their normal activities. This includes young peacebuilders at our newest center at Makerere University in Kampala, Uganda, who are preparing to apply their new knowledge and skills in a region that's in need of peaceful solutions.

The peace center program keeps growing. Our search committee is researching potential locations in the Middle East or North Africa to establish our eighth center, with plans for its launch as soon as 2024. This is a significant step for Rotary's efforts in global peace education, as we lay the groundwork for the next generation of fellows to pursue peacebuilding in that region. And we aren't stopping there: Our goal is to open a Rotary Peace Center in Latin America by 2030.

In the last 117 years, Rotary has grown to become a global force for good — promoting peace and understanding in all of our endeavors. The staying power of Rotary, the Foundation, and our decades-long commitment to peace are things that are worth celebrating, supporting, and sustaining for the generations that will follow us.

PRESIDENT'S MESSAGE

FEBRUARY 2022

Good afternoon my fellow rotarians and our special guests from Shelterbox. Welcome to the 32nd weekly meeting of Rotary Club of Cebu.

Good afternoon everyone, special greetings to our guests from Shelterbox.

Our Gift of Life program has been steadily sending children with CHD to Manila for their much needed surgeries. Since the

start of the Rotary year, we have already treated 27 children. The latest of which are 2 very young babies, Daenerys Flor Bacaron and Roe Syndex Maningas. Most notable is baby Roe Maningas who is a 6 month old baby, he was admitted on March 7

and diagnosed as a very critical case. The doctor sent a message to Treasurer Edward that the child could die with a simple crying fit. That's how severe his case was. Thanks to Edward and George who gave the Go signal that we will

Jacob P. Ong
*Rotary Club of Cebu
 President 2021-22*

finance the surgery, Roe has already been operated on and already recovering.

As for our Typhoon Odette Response, we have one last relief mission next Saturday (March 19), and this will be led by PP Jonie Gesalem to small islands. Details will be posted soon on our viber chatroom and I hope a lot of us can join this last mission.

The Rotary Club of Makati Business District thru their President Rachel Harrison has also reached out to us requesting us to co-host a joint meeting on March 31, 2022. This will be together with 2 other clubs in Davao and Baguio and the Guest Speaker will be Atty Rowena Guanzon who is the former Comelec Commissioner. The schedule is from 3:00PM to 5:00PM so we will be joining this one in lieu of our usual noon meeting.

Now if everyone can recall, we canceled our planned Christmas party last December because of the typhoon. That would have been a very nice fellowship but since we are already in March, we will have a Beach Fellowship instead where we will have our annual club awarding. We will be cancelling the April 7 weekly meeting so that a lot of us can attend this April 9 Fellowship. I think we deserve this break and just have fun so I hope to see everyone there.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

CARCAR RELIEF MISSION

Mountain
Brgys of
Carcar City
2022 . 02 . 20

Rotary Club of Cebu members together with Yap Fraternity, and Rotary Club of Banilad Metro members distributed 1,500 relief packs to 2 mountainous barangays in Carcar City, Cebu. A few sections of the road had to be cleared so that the big truck could pass.

Thank you Mayor Apura for accompanying the rotarians during the entire mission.

Our special thanks to Rtn Stanley Go together with his family and Virginia Food Inc. staff for preparing all the relief packs! A total of almost 10,000 relief packs have been distributed to different parts of Cebu Province since December 23, 2021, a week after the typhoon.

Members of the Rotary Club of Cebu together with Rotary Club of Mandaue East and Rotary Club of Banilad Metro travelled to Barangay Tabunan and Tagbao today to distribute 159 Rotary Shelter Kits to the residents whose houses were totally damaged by Typhoon Odette. Thanks to the donations of Rotary Club of Tawau, Rotary Club of Sorsogon, Rotary Club of Yokosuka, Rotary Club of Fukushima South, and members of Rotary Club of Cebu, the beneficiaries will have roofs over their heads as early as next week. Thank you so much to the members of Rotary Club of Mandaue East and Rotary Club of Banilad Metro for your service. A difficult task made easier and fulfilling because of collaboration and cooperation between different Rotary clubs.

A mountain barangay that got devastated really bad by Typhoon Odette, almost 2 months after still a lot of residents do not have roofs and some are just using used GI sheets where there are so many holes. This is the site for Rotary Club of Cebu's latest Rebuilding Communities mission. A total of 80 families received Rotary Shelter Kits consisting of 10 Corrugated GI Sheets, Tools, and 2kg of ordinary and umbrella nails. Thanks to funding from Rotary Club of Cebu, Rotary Club of Kasugai, and True X Family for making this project possible. Our sincerest gratitude to Shelterbox, Cebu Trail Runners and Cebu Mountain Goats for volunteering in the coordination and distribution. After the distribution, members of the club were guided by the trail runners on a "short" fellowship hike thru the many beautiful trails of Pamutan.

The mountain barangays are one of the areas severely affected by Typhoon Odette. More than 10 weeks after and residents are still having difficulties in rebuilding their homes because aside from their homes being totally destroyed, their livelihood also needs restoration. Rotary Club of Cebu together with 17 Rotary Clubs in Cebu were led by **District Governor Anna Bumagat** and District 3860 officers went to the mountain barangay of Sudlon Uno & Dos to distribute 450 Shelter Kits for those whose homes were totally destroyed. It was also the celebration of Rotary's 117th Year Anniversary for District 3860. The project was funded by a *Disaster Response Grant* from The Rotary Foundation thru the efforts of DG Anna. Photos contributed by rotarians present during the distribution.
