SERVE TO CHANGE LIVES

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar, Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

Blessed are you, Lord of Creation. You feed the whole world with your Goodness, your grace, your kindness and your mercy. You nourish and sustain us and do well to all. Bless this food to our use and to your Rotary service. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

PRESIDENTIAL MESSAGE

Shekhar Mehta

President 2021-22

April 2022

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart.

As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. As we Serve to Change Lives, remember that we are also changing ourselves. We are becoming the world's great change-makers and peacebuilders.

The world is ready for us. It's time to rise to that call.

PRESIDENT'S MESSAGE

April 21, 2022

Greetings to my fellow Rotarians.

Thank you everyone for the very well attended fellowship at Jpark Island Resort & Waterpark. It was really nice to see everyone and I dedicated that day to recognize and award all the members of this amazing club for all that you have done for this Rotary year.

We are now in the home stretch for this year but our members are still hard at work for our service projects and club activities. Our

WASH 2.0 has just taken off and this will benefit 6 schools, Taptap Integrated School, Calbasaan Integrated School, Cebu City Central School, Santican Elementary and Santican National High School. This is happening while we are in the process of closing the first WASH Global Grant. Thanks to our WASH Team led by Chairman DJ Moises, these projects will provide water and washing facilities to generations and generations of students for the years to come.

There is also another Global Grant we are applying for, and this is for Sisters of Mary School Boystown Technical Vocational Education. The committee for this will be led by Rtn Derrick Chua with Rtn Pet Dakay, PP Bernard Sia, and PP Bing Martinez. This project will provide the equipment, training, and classroom fitouts for technical vocational courses - Carpentry, Plumbing, and Welding. Thanks to Terry Kim who is currently in South Korea, has secured DDF Funding of USD35,000 from District 3700 which will be matched with our own DDF and the World Fund. The total estimated budget for this project will reach more than USD90,000.

With PP Ricky Dakay working on a District Grant to provide a library for Oprra Elementary School and another one being planned to repair a school damaged by Typhoon Odette, it looks like we will be providing service to the community right up to the end of the year on June 30.

Our Gift of Life Team led by Dir George Paraoan is also working non-stop in helping children with CHD. During the last 2 weeks, 2 children have been successfully operated on and are already headed home to recover and lead a normal life.

Once again, Thank You so much to all the members of Rotary Club of Cebu. Your passion and generosity are truly inspiring!

Jacob Ong

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

GIFT OF LIFE

Baby Malik Ribo definitely has something to smile about. Born with a congenital heart defect, Patent Ductus Arteriosus (PDA), is a persistent opening between the two major blood vessels leading from the heart. Through Gift of Life International, @rotaryclubofmakatiwest, and coordinated by Rotary Club of Cebu and Let it ECHO, he will be leaving Delos Santos Medical Center and coming back to Cebu with a healed heart.

Thanks to the persistence of the parents, partner doctors, Dr Luisa Go, Dr Dexter Cheng, Dr Anna Marie Cabaero, and the great network of volunteers who are assisting the parents all throughout the process.

Paul Harris: Rotary's Founder

Rotary started with the vision of one man — Paul P. Harris.

Harris was born on 19 April 1868 in Racine, Wisconsin, USA. At age 3, he moved to Wallingford, Vermont, where he grew up in the care of his paternal grandparents. He attended the University of Vermont and Princeton University and received his law degree from the University of Iowa in 1891.

In 1896, Harris settled in Chicago and opened a law practice. Four years later, he met fellow attorney Bob Frank for dinner on Chicago's North Side.

They walked around the area, stopping at shops along the way. Harris was impressed that Frank was friendly with many of the shopkeepers. He had not seen this kind of camaraderie among businessmen since moving to Chicago and wondered if there was a way to channel it, because it reminded him of growing up in Wallingford.

"The thought persisted that I was experiencing only what had happened to hundreds, perhaps thousands, of others in the great city. ... I was sure that there must be many other young men who had come from farms and small villages to establish themselves in Chicago. ... Why not bring them together? If others were longing for fellowship as I was, something would come of it."

Harris eventually persuaded several business associates to discuss the idea of forming an organization for local professionals. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in downtown Chicago for what would become known as the first Rotary club meeting.

In February 1907, Harris was elected the third president of the Rotary Club of Chicago. Toward the end of his presidency, he worked to expand Rotary beyond the city. Some club members resisted, not wanting to take on the additional financial burden. But Harris persisted, and by 1910, Rotary had expanded to several other major U.S. cities.

Harris recognized the need to form a national association with an executive board of directors. In August 1910, Rotarians held their first national convention in Chicago, where the 16 existing clubs unified as the National Association of Rotary Clubs (now Rotary International). The new association unanimously elected Harris as its president.

At the end of his second term as Rotary president, Harris resigned, citing ill health and the demands of his professional practice and personal life. He was elected president emeritus by convention action, a title he held until his death.

Harris died on 27 January 1947 in Chicago at age 78, after a prolonged illness. Before his death, he made it known that he preferred contributions to The Rotary Foundation in lieu of flowers. By coincidence, days before he died, Rotary leaders had committed to a major fundraising effort for the Foundation.

Upon news of his death, Rotary created the Paul Harris Memorial Fund as a way to solicit these donations. Rotarians were encouraged to commemorate the late founder of Rotary by contributing to the fund, which would be used for purposes dear to Harris' heart. In the 18 months following his death, The Rotary Foundation received \$1.3 million, which helped support the Foundation's first program — scholarships for graduate study abroad.

HAPPY BIRTHDAY!
