CHARTERED :  
NOVEMBER 28,1932

### ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

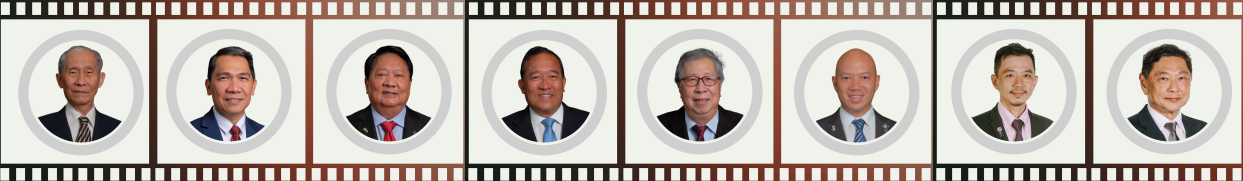

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudhong bandila. Nagatimanan nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

*President 2022-23*

July 2022

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization – the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and calable Rotary projects from our areas of focus in what we call the Imagine Impact Tours.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels

to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider – our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories – we will be tweeting, posting, and “going live” to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own

Imagine Impact efforts – your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

Dear Fellow Rotarians

Welcome to a new Rotary year!

After three long years, we finally had our first face to face induction with guests! What a great fellowship everyone had. What a memorable program. The tribute to past presidents and recently departed members was quite a moving presentation with Rtn Ed Onglatco doing the vocals. The closing remarks of PN Shige Onda lends new meaning to "closing remarks".. he sure closed the deal on a future president nominee.

*Rotary Club of Cebu  
Presidentt 2022-23*

The valedictory of IPP Jacob showcased the busy year that was... hopefully justifying a more relaxed pace for me on this our 90th year.

Like a boxer behind on points, IPP Jacob had a flurry of activities right before the final bell. He even had simultaneous handovers of the WASH project at City Central school and a library at Opra National High School with no less than Gov. Ana in attendance!

Rob Raylman, Gift of Life CEO flew in on the 28th to renew and strengthen our ties to this noble project. He was very appreciative of the amazing work that our GOL team led by "Super" George and "Doc" Ed Tanting and PE Walt. He also met with our incoming GOL chair, Roberto Atienza, who will most likely earn a monicker soon as most of our GOL chairmen do. Will he be conferred a degree like doctor Ed? Engineer Robert? or an adjective... Pretty boy Robert?

Our club extended a warm welcome to Rob, thanks to Rtn Manolet Heredia who helped host the lunch at the Cebu Country Club. We were joined by bigwigs District Membership Chair Mike Torres and AG Bing Martinez, Rotarians Bobong Castillo, Roberto Atienza, and many others who helped strengthen the bonds between our club and Gift of Life International.

Today we are fortunate to have a Rotary International Service Above Self awardee, our fellowship chairman Bobong Castillo, unveil his plans for what our members can look forward to in terms of Fellowships and gathering for this Rotary year.

It is my hope that we will have more opportunities for face to face get-togethers, so we may fully enjoy each other's company and can engage as many of you in this Rotary year.

I hope to bring lasting memories of these good times that will bring goodwill and build camaraderie to carry us to even bigger projects down the road.

# GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## WHAT HAPPENED LAST MEETING.....

Last week “meeting” will probably count as one with the highest attendance in the last few years. After all, it has been at least three years since we last had an in-person Induction! Not only were 47 RCC members representing 92% of our club there, we also enjoyed the company of 76 District dignitaries, officers, spouses, project partners and friends that evening!

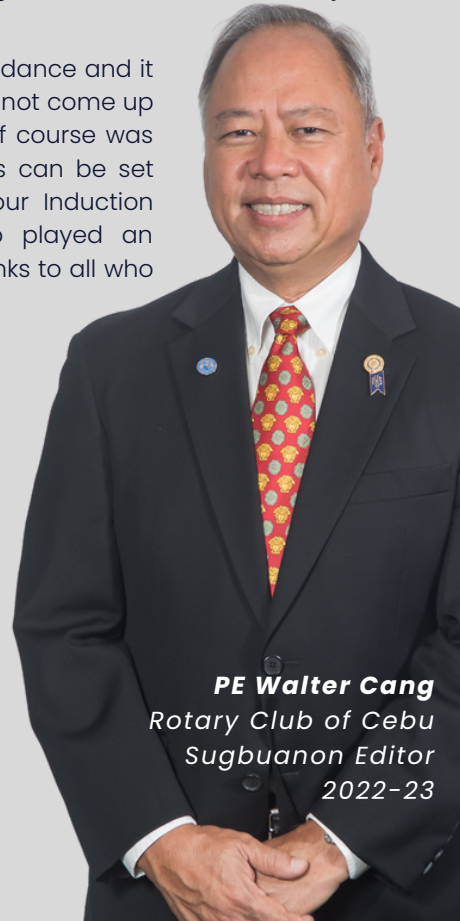

Being our 90th Induction chair, I realized this year would see us host two major events. Our Induction and our 90th Anniversary celebration. So in a way, our first official affair will be a prelude to a multi-day celebration that will likely be more festive, varied, and have more people in attendance. So I thought it would be a good way to lay the groundwork for a template. We kept statistics by tracking our numbers and weighed in on the cost of the undertaking since we knew our budget would need to be adjusted due to rising costs.

I’m glad to say our batting average came up to 87.6% for attendance and it could have gone up to the low or mid 90s had health concerns not come up for several members, and no doubt some guests. Best thing of course was that expenditures were lower than our budget so our surplus can be set aside for the next event. Many thanks to all members of our Induction Committee, Secretariat and volunteers from Rotaract who played an important role in ensuring our program ran smooth as silk. Thanks to all who were able to join us and make that evening a very special one!

Speaking of special, we also dedicated a few minutes that evening to remember of members who have gone to the great beyond. I am sure I was not the only one who wished they were still with us! May this always become a part of our celebration each year, a reminder of what makes our club tick – our members.

I also don’t think anyone has seen a closing remark delivered the way PN Shige did. If you are one of the few who couldn’t join, I highly recommend you watch the video hosted on our Facebook page. All I can say is that in 90 years, there has never been such a novel way to find our club’s President Nominee Designate. Well done PN Shige.

The evening unfolded, as it should, full of friendly and smiling faces, mixed with moments of solemnity and punctuated by

laughter and moments of joy and pride. Everyone of course pointed out how happy IPP Jacob looked that evening as he relinquished the helm. But in truth, IPP Jacob believed the last 12 months had been life changing and one that will likely leave a positive, life-long impression. Indeed, no President has left his office having taken less than what he gave.

And as Pres. Hector now leads our club, it is apparent to us all that he is indeed ready for the responsibility. For he has transitioned from a reluctant President Elect into a President who has taken charge. The flurry of short meetings and instructions that followed his induction clearly assures us that his time has come! Godspeed on your journey Mr. President.

His visit is a beacon to filipino kids and parents, a beacon of hope, that there is a fighting chance against CHD.*

## SENSE OF HUMOR

*(a joke a day keeps the doctor away)*

### TO LIVE HUNDRED

A man asked his doctor if he thought he'd live to be a hundred. The doctor asked the man, "Do you smoke or drink?"

"No," he replied, "I've never done either."

"Do you gamble, drive fast cars, and fool around with women?" inquired the doctor.

"No, I've never done any of those things either."

"Well then," said the doctor, "what do you want to live to be a hundred for?"

# FELLOWSHIP SONG

## PURE IMAGINATION

BY : LOU RAWLS

[Intro]

Hold your breath, make a wish  
Now count to three

[Verse 1]

Come with me and you'll be  
In a world of pure imagination  
Take a look and you'll see  
Into your imagination  
We'll begin with a spin  
Traveling in a world of my creation  
What we'll see will defy explanation

[Bridge]

If you wanna view paradise  
Simply look around and view it  
Anything you want, do it  
Wanna change the world  
There's nothing to it

[Verse 2]

There is no life I know  
To compare with pure imagination  
Living there, you'll be free  
If you truly want to be

[Instrumental Break]

[Bridge]

If you wanna view paradise  
Simply look around and view it  
Anything you want, do it  
You wanna change the world  
There's nothing to it

[Verse 3]

There is no life I know  
To compare with pure imagination

Living there, you'll be free  
If you truly want to be

[Verse 4]

Come with me and you'll be  
In a world of pure imagination  
Take a look and you'll see  
Into your imagination  
We'll begin with a spin  
Traveling in a world of my creation  
What we'll see will defy explanation

[Bridge]

If you wanna view paradise  
Simply look around and view it  
Anything you want, do it  
You wanna change the world  
There's nothing to it

[Verse 5]

There is no life that I know  
To compare with pure imagination  
Living there, you'll be free  
If you truly want to be

[Outro]

Come on, come on go with me  
You wanna see something funny  
Have a lot of fun  
Come on, let's go  
Let's try our own imagination  
See where we can go with it today, alright?  
Hey, take me by the hand  
Let's run from the little, little little  
Little, little, little funny land  
Come on, come on, come on, let's go to  
imagination
