CLUB NO. 17102
DISTRICT 3860
CHARTERED :
NOVEMBER 28,1932

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

Today we pray that we receive Your special blessing because we are committed to be a real service organization to help humankind. May each of us in our daily routine come to know the joy of caring and sharing with others not as fortunate as we are. May our motto that includes serving, caring and sharing be for us life in service. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatimaan nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

TRUSTEE CHAIR'S MESSAGE

Ian H.S. Riseley

Trustee Chair 2022-23

July 2022

As an accountant, I look at the world through the lens of inputs and outputs. We can plan with precision today for success tomorrow. My profession also taught me that numbers – those inputs and outputs – can sometimes tell great stories.

One of those stories is The Rotary Foundation: What it has given the world, starting from a modest input of \$26.50, is nothing short of remarkable.

In 1918, that amount – the surplus from that year's Rotary Convention in Kansas City, Missouri – was applied, at the suggestion of 1916-17 Rotary President Arch Klumph, to a fund with the purpose of doing good in the world. The fund grew modestly until 1947, when Rotary founder Paul Harris died and donations poured in as a tribute to him. That year, the Foundation supported scholarships for 18 students – the first indication of the greatness to come.

Later the Foundation expanded, providing programs, like Group Study Exchange, and humanitarian grants, which impacted the lives of members and communities around the world. In 1979, a major grant helped immunize 6.3 million children in the Philippines against polio, which led to the establishment of PolioPlus in 1985.

Rotary's work with polio eradication – helping reduce wild polio from an estimated 1,000 cases daily in 1988 to just six total cases in 2021

– has been one of the most ambitious humanitarian projects ever undertaken by a nongovernmental body. That success story alone shows the significance and widespread impact of Rotary and its Foundation.

Perhaps what is even more remarkable is that polio eradication is but one part of the Foundation's efforts.

Today, the Foundation has grown into a multimillion-dollar charity. Our robust funding model allows districts the flexibility to choose which Rotary aspects they would like to support – polio eradication, scholarships, district grants, global grants, and more. Today's Foundation impacts the world through disaster relief, disease prevention, peace education, and other areas.

Everyone in Rotary is part of this great legacy; it is our responsibility to keep it going. This year, the trustees have set the goal of raising \$430 million. I know the expectations are high. But I also know just how much our members can achieve.

To get there, we will work together as we always do, with each club and individual giving what they can. In this way, we will ensure that we meet our ambitious but achievable goal and move our Foundation forward.

PRESIDENT'S MESSAGE

July 15, 2022

Dear Fellow Rotarians

In Rotary, July is a transition month. This is the time when new leadership is installed in the different districts and clubs worldwide. A new set of leaders are sworn in to continue the good work of Rotarians. This has been the hallmark of Rotary for over a hundred years.

Every year, our members fan out to different destinations and attend these functions of other clubs to build bridges and linkages with them.

Hector Almario

*Rotary Club of Cebu
Presidentt 2022-23*

From our own District Governor Lilo Aliño's induction was recently attended by no less than our club's Past Presidents, DFRC Stephen Chian, District Membership Chair Mike Torres and AG Bing Martinez. We also had PP Roy Lotzoff in his red tie representing our club at an all black tie affair for the installation of officers of our mother club, the Rotary Club of Manila at the Conrad hotel.

We had soon-to-be father (but still a baby Rotarian) Chris Gecha attending the awards night for RC Makati last week. I understand PP Jonie is planning to attend the Waling-waling and the Dadiangas clubs' inductions if he could fit both in his schedule for a Mindanao swing.

PE Walter and I could not be with you today as we are in Manila on Thursday and Friday to attend the renewal ceremony of our brotherhood club with RC Makati and their induction the following day.

These are annual rituals in the life of the Rotary world. That is also why you have our Sec Ed Tan Ting presiding over our meeting today. Both him and PN Shige share the code to the nuclear football while we are away... imagine that!

So please be at your best behavior as we have what promises to be a packed meeting. We have as our guest speaker, Mr. James Leyson who will share his knowledge about running food banks in Thailand. You will also hear from PND Stanley Go, who together with PAG Robin Ong has been putting together the plans for our 90th anniversary celebration. Knowing them, they will leave no stone unturned to make our celebration a special one.

I look forward to hearing great things coming out of our meeting today as I will surely share my own experience of my trip to Manila during our meeting next week.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

WHAT HAPPENED LAST MEETING.....

Last week's meeting was well attended by many of our members. The gathering at our old haunt, Café Uno was reminiscent of our pre-pandemic luncheon meetings. The usual suspects were there to enjoy the buffet meal and sip wine courtesy of Pres. Hector, in a very relaxed setting. Of course, most of us were there to witness Pres. Hector chair his first Rotary club meeting and a way for us to honour his latest official duty.

Despite his previous concerns of not being able to perform, (I'm referring to his duties as President), President Hector eased into his role like butter on a hot pan. He was so relaxed, and I suspect he's had lots of experience chairing meetings in the corporate world to make it look like a walk in the fairways. He was so relaxed he joined me in the back of room chatting and enjoying his wine he had to be called to start the meeting. Calmness to the core!

Pres. Hector wasted no time in delivering his message with his unique sense of humour and took advantage of typos in the program on Sugbuanon showing IPP Jacob's name instead of his, to explain why he was so relaxed. Certainly elicited much laughter. After smoothly delivering his message, he quickly segued into introducing Rtn. Bobong Castillo who had accepted the request of our President to lead the Fellowship Committee this year.

Rtn. Bobong's unique wit is well known, and it showed clearly when he began his talk by sharing his observation that what makes our club special is that over the years, fellowship has always been an important feature in our club. It is through fellowship that we get to know one another, become friend and eventually establish a bond that makes us a family.

Many of the charitable deeds undertaken by Rotarians can trace its roots to this bond that Bobong talked about. And so Bobong declared that preserving our tradition of travelling to visit sister clubs, or even just organizing a weekend trip for our members is his goal this year. He then outlined his plans to organize and lead in at least 2 trips to Japan, one trip each to Korea, Tawau, Kota Kinabalu, and maybe even Singapore. These countries are home to our sister clubs and a visit is

long overdue. With Baby Rotarian Gorden Hsie's root in Taiwan, it may be in consideration as well. Bobong also shared a plan to do a multi-day caravan around Bohol, hitting Panglao and Anda!

Now mind you, even before the end of the last Rotary year, plans were already afoot to join this year's RI convention in Melbourne. More than a few have expressed interest in going and some have already registered. So this announcement certainly added more fuel to the fire! In a good way of course.

Looking around, you could hear gasps of surprise and murmurs of excitement from the members. No doubt it is an audacious plan that could only come from one like Bobong. There is no denying most in the audience were wondering which trips they could love to join. And for some fortunate ones, they will join Bobong's grand slam and hit all destinations. One thing for sure, if fate allows us, this year may turn out to be one for the books when it comes to fellowship. Stay tuned!

(a joke a day keeps the doctor away)

BIKER'S DOG

A highly timid little man, ventured into a biker bar in the Bronx and clearing his throat asked, "Um, err, which of you gentlemen owns the Doberman tied outside to the parking meter?"

A giant of a man, wearing biker leathers, his body hair growing out through the seams, turned slowly on his stool, looked down at the quivering little man and said, "It's my dog. Why?"

"Well," squeaked the little man, obviously very nervous, "I believe my dog just killed it, sir."

"What?" roared the big man in disbelief. "What in the hell kind of dog do you have?"

"Sir," answered the little man, "it's a little four week old female puppy."

"Bull!" roared the biker, "how could your puppy kill my Doberman?"

"It appears that your dog choked on her, sir."

FELLOWSHIP SONG

EVERYBODY WANTS TO RULE THE WORLD

BY : TEARS FOR FEARS

Welcome to your life
There's no turning back
Even while we sleep
We will find you

Acting on your best
behaviour
Turn your back on mother
nature
Everybody wants to rule the
world

It's my own design
It's my own remorse
Help me to decide
Help me make the

Most of freedom and of
pleasure
Nothing ever lasts forever
Everybody wants to rule the
world

There's a room where the
light won't find you

Holding hands while the walls
come tumbling down
When they do, I'll be right behind
you

So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the
world

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the
world

Say that you'll never, never,
never, never need it
One headline, why believe it?
Everybody wants to rule the
world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the
world
