CLUB NO. 17102
DISTRICT 3860
CHARTERED :
NOVEMBER 28, 1932

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faenar,

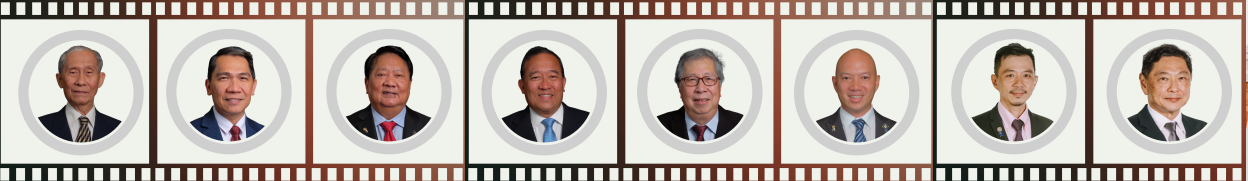

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

Lord, we acknowledge Thee as the Creator and Sustainer of all life. In our pursuit of the secular, help us not to forsake the sacred. We look to Thee for meaning and fulfillment to life. Bless now this meeting of Rotarians. We thank Thee for the food. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

PRESIDENTIAL MESSAGE

Jennifer Jones

President 2022-23

September 2022

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values

remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would “go to the moon and other things not because they are easy, but because they are hard.”

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

PRESIDENT'S MESSAGE

September 01, 2022

My fellow Rotarians,

With the help of AG Bing, PP Ricky and our chairman for books distribution Rtn. JoeFranz Cañizares, we turned over 2097 books to the Rotary Club of Tubigon of Bohol. This donation was received by their AG Haydee Cabasan last Saturday during the ACOM meeting at the Grand hotel.

This is another great way for our club to network with smaller clubs in the District and help them become familiar with projects so that they may eventually embark on a project of their own. Not only are we helping them take these baby steps, it also enables our club to expand our reach and help more people.

Talk about expanding our club's reach, we will be going to Davao to attend the induction of Pres. Archie Gamboa of RC Downtown Davao. If you remember, Pres. Archie is also the Chairman of the District Disaster Management Inc. and had participated in many of our gatherings and relief operations after typhoon Odette. It's actually a double celebration since it's also his birthday.

Being the better half of our DGE, Twinkle Gamboa, I assume many District officers will be showing up so it would be a great opportunity for us to meet them. To help me to strengthen our relations with this Davao club, I will be accompanied by our bigwig ambassadors, DMC Mike Torres, IPP Jacob, PP Doc Baba, and AKS Bobong.

Just this Monday, I was able to spend time with some of our members on a sunset cruise. With the help of Sec. Edward, I rounded up the birthday celebrants for the months of July, August and September and we sailed around the island of Mactan. As luck would have it, the weather was perfect. Sun was out, winds were calm, drinks and appetizers were aplenty and we capped it off by sailing under Cebu's 3 bridges as the sun retreated and darkness created a spectacular view of the bridges. By the time we disembarked, we were ready for our Indian meal and some serious conversation about our individual wishes as a Rotarian of RCC.

We all went home happy to celebrate our birthdays in such a unique and memorable way! Of course, all these would not have been possible had the birthday celebrants not show up so many thanks to Larry, Anton, Shige, Terry, Javi, PE Walter, AG Bing, DFRC Stephen, Brian, Sec. Edward, Sam, and Pat Lo for making time for this.

I think being able to make that one wish as a Rotarian is important because it's good to be heard and have an equitable stake in our club as far as decisions are made; whether it's the fellowship song selection for next week's meeting or the next big project our club would tackle, everyone will have equity or a simple wish. Now it is up to all of us to make those wishes come true.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

THE FOUR-WAY TEST

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

WHAT HAPPENED LAST MEETING.....

Last week's meeting went off really well. We had moved to Casino Español once again and with a topic like firearms ownership, I had a feeling it was sure to our members like bees to honey. While we did draw a good crowd to the meeting, I was most pleased to see many of our members who haven't been seen since our induction! JoFranz was there along with his gang, Glenn Besañes, Donato Gonzales, Patrick Lopez, and even the elusive Taipan, Edward Garcia was there too. From the looks of it they enjoyed the fellowship. PP Ricky and Anton managed to find time to be there and all of them got warm welcome. I guess finding speakers who can touch on "bro" topics makes sense.

Our guest speaker, Mr. Manuel Tan, was a neighbor and quickly became a childhood friend. I guess you can say I knew him long before I knew anything about girls. Manuel shared his vast knowledge about firearms and given that even 30 minutes would not do justice for such a broad topic, he could only talk about it on the surface. So he didn't attempt to go into too much detail during his talk.

Some of the things and anecdotes he pointed out included careless handling of weapons, and a simplified guide to the right firearms for home defense. He reminded us that a firearm is nothing more than a tool and when used incorrectly, it creates more problems. He also reminded everyone that when you store your duly licensed firearm at home, anyone in your household, servants included, are legally allowed to use it

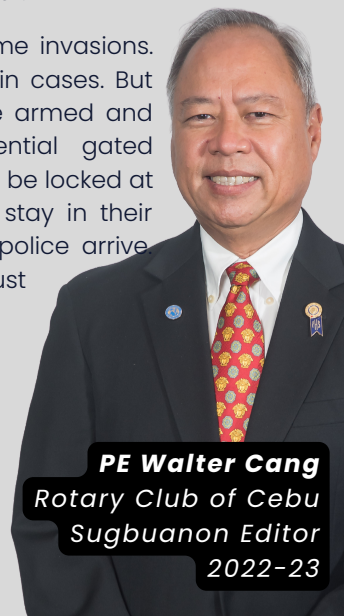

against any home invader. I didn't know that.

Manuel shared his opinion regarding home invasions. The good news is that there is no spike in cases. But bad news is that home invaders can be armed and victimize even the most posh residential gated communities. He suggested that all rooms be locked at night and everyone must be trained to stay in their rooms, lie low and seek cover until the police arrive. Don't ever attempt to go out of the room just

because you are armed. House-clearing, as he called it should only be done by professionals.

Of course, there was that inevitable question of what type of firearm is best. Manuel's response was to keep it simple. Unless you have the chance to practice using your pistol at least once a month, you are better off with a revolver. The latter is simple and easy to use whereas a pistol, by nature of its design requires several steps to make it ready to shoot. Even a simple failure to fire means one must pull the slide to eject

and load another round in a pistol. But with a revolver, you just pull the trigger again. As for the much argued topic of ammunition capacity between a pistol and a revolver? He had this to say. If you can't sort out your problem with 6 rounds from a revolver, your problem will likely sort out. That statement certainly elicited laughter from the audience and drove home the point.

We could have heard more but time was up. One thing we know is that we could invite him back next time and speak about another topic, such as home defense? Or maybe firearms proficiency? How about personal safety? The options are immense and the opportunity for a return engagement could be likely.

If the club stays committed in making lasting change, it's partly because we know how to have fun too!

DEED OF BOOK DONATION SIGNING WITH AG HAYDEE OF AREA 1F BOHOL

2022 . 08 . 29

RC Cebu, thru the efforts of PP Ricky Dakay, has done a lot of effort in allocating 500 sq. m. warehouse space and lots of shelves, then hired staff and librarians to sort and categorize all the books. By doing this, distribution will be more targeted to the needs of the beneficiary. There will be less chance that the books will not be put to good use.

RCC is asking Rotarians from our district to also conduct due diligence in choosing beneficiaries so that all this effort will not be in vain.

1. Check the beneficiary to see what books are needed and how many can be accommodated.
2. Make sure they are committed to have a library system so that the books can always be tracked

and returned, this way future generations of students will also be able to enjoy reading them.

3. Check that their library or the storage room is dry and will not be flooded during rainy days.

(By Rotarians for Rotarians)

POLIO PLUS IS A SIGNATURE PROGRAM OF THE ROTARY FOUNDATION.

PolioPlus is Rotary's priority program, which supports global efforts to eradicate polio. It was launched in 1985, with the help of Dr. Albert Sabin, developer of the oral polio vaccine, as a worldwide program to protect children from the cruel and fatal consequences of polio. In 1988, the World Health Assembly challenged the world to eradicate polio, and since that time, Rotary's efforts along with partner agencies, including the World Health Organization, the United Nations' Children's Fund, the U.S. Centers for Disease Control and Prevention, and governments around the world have achieved a 99 percent reduction in the number of polio cases worldwide. By the time the world is certified polio-free, our contributions will make Rotary the largest non-governmental financial contributor to the global polio eradication effort.

THANK YOU FOR SUPPORTING ROTARY'S NUMBER ONE GOAL-END POLIO NOW!
