CLUB NO. 17102
DISTRICT 3860
CHARTERED :
NOVEMBER 28, 1932

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

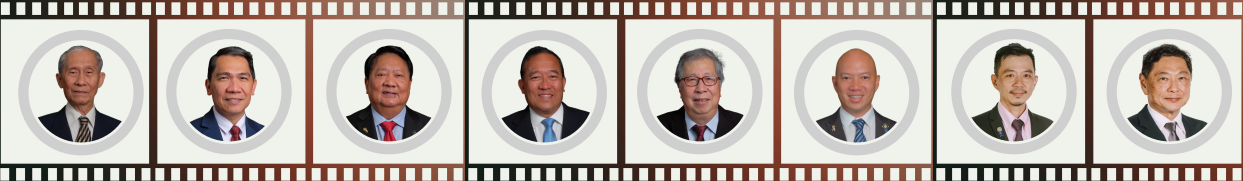

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

In times of sorrow, we turn to you, our Creator. Let us bring comfort to those we remember in your service in Rotary. Bless the families in mourning and help us continue to do the work we must continue doing in their loving memory. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

TRUSTEE CHAIR'S MESSAGE

Ian H.S. Riseley

Trustee Chair 2022-23

September 2022

One of my favorite books, *A Short History of Nearly Everything* by Bill Bryson, muses on the creation of the universe and how a tiny speck of it we call Earth went from being a fiery ball with seas of molten rock to the lush green-and-blue home we know today. Bryson's argument is that it is a miracle that we – our planet and our species – have survived. "We enjoy not only the privilege of existence," Bryson writes, "but also the singular ability to appreciate it and even, in a multitude of ways, to make it better."

We are fortunate to be able to read his words or any others. And we are fortunate to be part of an organization that is making our world a better place by helping those who can't read them. There are an estimated 773 million illiterate adults – most of them women – who can't read these words or write their own name. They are at a clear disadvantage in life, with limited opportunities to work. And this situation isn't their fault.

Rotary has not forgotten them. In September, let's celebrate Basic Education and Literacy Month by looking at the long-term impact Rotary and The Rotary Foundation are making and how we are finding ways to lend a hand in the effort.

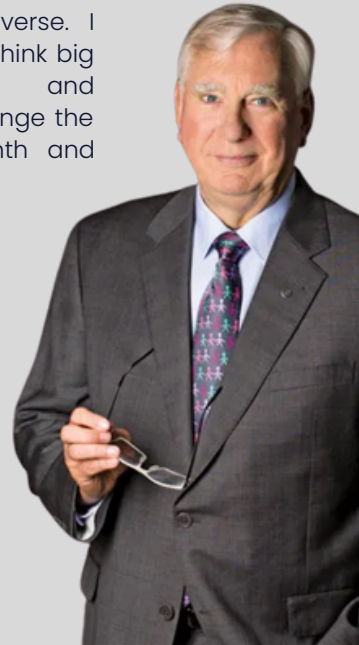

Last year alone, The Rotary Foundation approved 104 global grants totaling \$6.3 million for basic education and literacy projects, according to preliminary figures. This is on top of decades of work in our clubs and

districts. As an Australian, I'm especially proud of the work of Dick Walker, a past district governor from Queensland, who used a Foundation matching grant to develop the concentrated language encounter method that has been adopted by educational leaders around the world.

At the community level, our clubs are well known for book drives that have changed the lives of so many children. But when we gather many clubs and districts together and work on large-scale Rotary Foundation projects, we have the potential to impact entire communities for generations.

The opportunities for Rotary to make a difference in literacy are boundless. Once basic reading and writing is achieved, it opens a path to other types of literacy, such as numerical literacy, digital literacy, and financial literacy.

Let's not squander our opportunity to improve our corner of the universe. I encourage you to think big about literacy and education and change the world – this month and beyond.

PRESIDENT'S MESSAGE

September 08, 2022

My fellow Rotarians,

In a meeting of our club's Past Presidents Thursday last week hosted by PP ED Gaisano, this august body has agreed to pursue some key initiatives which I will be presenting to our Board for deliberation and approval. I hope to report these positive developments once approved by our Board.

On Friday Sept 2, five of us flew to Davao to attend the twin celebration of the RC Downtown Davao President's birthday party, and their 30th Induction the following day. I met a few PDGs plus the 9 incoming Governors of Philippine Rotary for next year. They were all in attendance because Pres. Archie Gamboa is the husband of DGE Twinkle Gamboa. And of course, she had invited all her classmate governors-elect to her husband's birthday party and Induction.

I have to admit my impromptu speeches have improved as well as my singing, given the exposure during functions in Luzon, Visayas and Mindanao that I have attended since the start of my term. We were also given an audience by the District Nominating Committee Chair PDG Anna Bumagat, who explained to our group the selection criteria and process for District Governor Nominee. Needless to say, this was followed by a lively discussion on the finer points of the process. Nothing is perfect but we came out hoping for continuous improvement in the process and I hope they might be addressed in the next Discon.

We took the opportunity to extend Pres. Archie Gamboa an invitation to undertake a joint project between our clubs this Rotary year. This is in line with our plan to move the mother club towards helping other Rotary clubs in the District. So far, we have made offers of joint projects and/or extend our DDF funding to clubs in Ormoc, Tacloban, Bohol and Davao.

During our visit, we also bumped into DGE Jay Tambunting from our brother club, RC Makati Wes. He was also invited to fly down by DGE Twinkle. As you all know, their club mentored us in the Gift of Life program. And they are now a staunch partner in Manila where we continue to send children for surgery. To Jay, we also extended our offer to be a contributing partner of their programs through our DDF.

We have a full month in September as we have our WASH turnover on Sept 9 in the hinterlands of Danao. The area is called Barangay Santican and it borders Asturias and Danao. The following day, Sept 10, we will also have a

 esidentt 2022-23

training session for RCC members entitled “A Life of a Rotarian” and culminates in a fellowship cum birthday party hosted by DRFC Stephen Chian.

Allow me to remind everyone that The Rotary Share a Smile (Rosas) program is finally restarting from Sept 18-24 after a 2 year hiatus. Rosas provides life-changing surgery for cleft lip & palate surgery to children who cannot afford the cost and we will be hosting our partner, RC Yokosuka. I hope you can block some time to join us for fellowship on the 18th or the 24th. Let’s not forget the District Membership Training and TRF seminar on Sept 23 as well. Lastly, capping the month will be the Governor’s visit on the 29th. More details and reminder will follow soon. I did mention this month is loaded didn’t I? Sort of give new meaning to a Jose Mari Chan month!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

THE FOUR-WAY TEST

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

WHAT HAPPENED LAST MEETING.....

Looking at the sign up list, I knew it was going to be packed. But to be honest, I didn't think we're going to be that full! Last week's meeting was a record for this Rotary year as we have at least 40 members and guests in our midst. Due to the room being smaller than usual, at least 5 people had not seats at one point! Maybe the stars aligned, maybe it was just timing, but it meant we had a great meeting!

We had 2 guest Rotarians from Cebu East, IPP Heinz Ackermann and Rtn. Henrik Jacobsen as well as 3 other guests of our members and the son of P Bernard, Cooper Sia. It's great to see him regularly and I am sure he will soon follow his father's footsteps as soon as he is old enough to join Rotary.

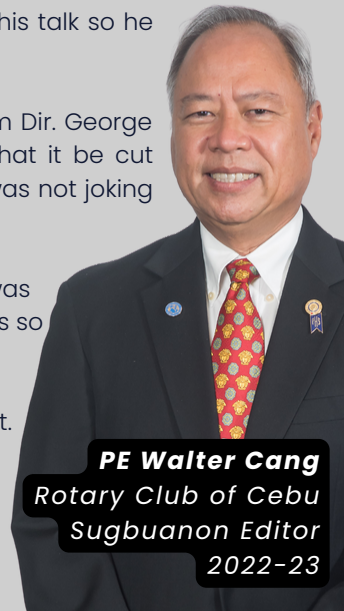

But I think the most important guests of all with the guest speaker, Nicole Yance Borromeo. In case you don't know, she is a Cebuana model and was crowned Binibining Pilipinas International 2022. She will represent the Philippines at the Miss International 2023 competition. Nicole is a friend to several of our members so she was welcomed warmly. She, together with several of her beauty Queen friends had also joined our club in our relief/rebuild missions to Carcar after typhoon Odette.

Pres. Hector warmly welcome everyone and marveled at how the last 2 meetings saw a decent number of members attend. The "Guns n Roses" theory he says could be just the formula we need, since our topic the previous meeting which was well attended was about firearms. Nice thought! Pres. Hector didn't waste much time with his talk so he quickly finished his short message.

There were other announcements from Sec. Edward and reminders from Dir. George but everyone applauded in unison when Rtn. Bobong Castillo asked that it be cut short to give Nicole more time to speak. What an enthusiastic crowd! I was not joking when I said I have never seen so many sinners gathered under one roof!

But kidding aside, I have always maintained that Thursday noon till 2PM was the only time some business leaders of Cebu get to behave among peers so it was all great banter and repartee.

Nicole shared her life growing up in a home where all her needs were met. She shared how she took everything for granted until typhoon Odette. How she even planned activities for the day after the typhoon had passed, not knowing how bad it was going to be. Then life suddenly took a turn and within hours, water and power was gone for

weeks. Yet the inconveniences were nothing compared to what the poor went through. For in these times, it was always the downtrodden that suffer the most. This became a catalyst for her to help the less fortunate. How she became involved in various activities to help improve lives.

Nicole had the knack for communicating as she spoke eloquently. With her stunning looks and height, she truly epitomized a beauty queen. The fact that she spoke

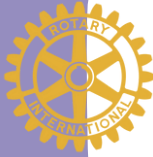

in cariñosa manner made her even more alluring. The scene of more than 40 men listening with rapt attention was a sight indeed! The Q&A that followed was filled with interesting questions, both serious and funny. I left soon after meeting adjourned but I know the room was still full of men having their selfies with Nicole and continuing fellowship with fellow Rotarians. Guns n Roses!

GOLI UPDATE

Another healed heart, Baby Henzy from Lapu-lapu City got his PDA treated in Delos Santos Medical Center, after visited by a Rotarian. Despite being a teacher, the Mom's salary isn't enough to send them him for treatment specially after their home was ravaged by typhoon Odette. Thanks to Gift of Life International, the baby was flown early this week and treated.

THE ROTARY FOUNDATION WEEKLY MESSAGE

(By Rotarians for Rotarians)

WHAT IS THE ROTARY FOUNDATION'S ANNUAL FUND?

The Rotary Foundation is funded in two different ways: the Annual Fund and the Endowment Fund. The primary source of unrestricted support for the programs of The Rotary Foundation, the Annual Fund supports programs in more than 200 geographical regions. From digging clean water wells for villages in Africa to reaching basic literacy skills to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects. In the 2012-13 Rotary Year, US\$115 million was donated to The Rotary Foundation's Annual Fund (Making History in Rotarian generosity). The Annual Fund is comprised of donations from Rotarians, friends of Rotary, corporations, workplace-giving vehicles and can be matched by corporate matching gifts to leverage your donation. There is even a place on the rotary website that allows you to see if your company has charitable matching program... check it out at : www.rotary.org

WON'T YOU SUPPORT THE ANNUAL FUND WITH ATLEAST \$10 A MONTH OR \$120 THIS YEAR?
