CLUB NO. 17102  
DISTRICT 3860  
CHARTERED :  
NOVEMBER 28, 1932

### ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

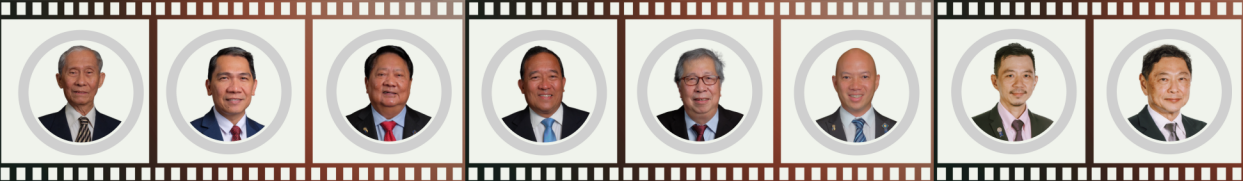

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

Lord of the Universe, you have given most of mankind a strong desire to do good, to be honest, to serve others, and to faithfully fulfill their obligations to their neighbors. Help us, as Rotarians and humans, to do good. Help us, as Rotarians and humans, to be honest and ethical in all our dealings. Help us, as Rotarians and humans, to serve others. And help us, as Rotarians and humans, to faithfully fulfill our obligations as neighbors to our community, our nation, and the world. Amen.

**NASUDNONG AWIT**

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

## PRESIDENT'S MESSAGE

September 22, 2022

Hello everyone. On Monday night this week, we had the opportunity to host dinner for the ROSAS medical team from Japan. They were headed by Dr. Kubota and the President of the Rotary Club of Yokusuka, President Maida. They are our Global Grant partners for the Rotary Operation Share a Smile. The event was organized by our ROSAS Chair, Director Charles with the assistance of AKS Bobong. Rotarians Bronz Peña, Donato Gonzalez, JoeFranz Cañizares and PN Shige have done a great job in organizing activities for the whole week. You guys surely did justice to make up for the 2 and a half year hiatus brought about by Covid 19.

**HECTOR ALMARIO**  
Rotary Club of Cebu  
President: 2022-23

Many of our members are also taking turns to be involved in hosting our visitors. It's no easy task, from the welcome committee for the airport, arrival dinner, welcome dinner and the nightly hosted dinners all the way to the culminating night this Friday at Casino Español. I'm really proud of how our club really puts so much attention to hosting our visitors! And rightly

so for they have come from afar on their dime to volunteer their time and skills for our children. Thank you guys. Great effort!

Also joining the volunteers from Japan are dental physicians from Manila who flew in to observe the program. I am reminded that this is a VTT after all, the 2nd of 3 visits planned through a Global Grant. During the welcome dinner, our guests were treated to a great meal complimented by the incredible performance of the San Diego Dancers. A home-grown dance troupe that has been around for years, they showcased dances from different parts of our country and provided an opportunity for guests to join in their dance. The sheepish smiles soon gave way to glee and they all found amusement in trying out the steps of the Tinikling. Pictures and videos were taken and no doubt they are part of the happy memory they will bring home with them.

During the welcome dinner, we were all touched by the ¥200,000 donation from Dr. Kubota to our club to honor the memory of his doctor son who passed away last year. I was shocked to hear the sad news from the good doctor himself as he prepared to hand over the money. The pain he must feel cannot be described and yet he chose to honor his memory by donating to our Foundation. We are honored to be the recipient of these funds as we will be able to continue the good works and honor his son, together with all who have contributed.

As our Club hits 90 this year, we are now ensuring our future by building up our own foundation resources. As the most active club in the District or even the Country in terms of Foundation giving, I think it is high time we set

aside some of this giving to our VERY OWN Rotary Club of Cebu Foundation. I believe we must now ramp up our effort into this new phase, to allocate a portion of our yearly contributions to our home so we can build a secure foundation that will hold up our club for the next 90 years! As they say, charity begins at home and I can't find a better place to call home than our own CEBU ROTARY FOUNDATION INC.

## GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

## THE FOUR-WAY TEST

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## WHAT HAPPENED LAST MEETING.....

Our guest speaker last week was Dr. Peter Mancao. I first heard of him when I chaired our club's Gift of Life program a few years back. At that time, we, I looked after the Vocational Training Team program at VSMC. As most of you will remember, we had some challenges in mounting the program but it gave a wonderful opportunity for our club and its members to rise to the occasion. I happened to meet Dr. Mancao in a social gathering and mentioned what we were doing. It turns out that he was privy to our program and shared his thoughts on how to address some of the challenges we were facing.

Years later I was surprised to hear and see that he has stepped into the world of politics. Perhaps it was a calling or a passion that only found the right path recently, but there he was on the campaign trail. Like most political neophytes, he didn't make the cut. But then I don't think most neophytes make it on their first try. He was just stepping into the arena and perhaps his "real" time will come in a few years.

Nevertheless his effort did catch the attention of his friend, Mayor Mike Rama who appointed him as his Special Assistant for the much maligned, much controversial, much discussed, Cebu City Medical Center. If anything can be said, Dr. Mancao didn't sugarcoat his presentation. CCMC's journey of agony began when the last strong earthquake that hit Cebu made it structurally unsafe so it had to be torn down. And so as they began to build the new home, problems began to emerge. In a nutshell they faced numerous delays, change of contractors, even damage from a fire from an adjoining lot, exhausted funds, and of course, politics. As they say, the hits just kept on coming.

**PE Walter Cang**

 Sugbuanon Editor  
 2022-23

But there is hope. Dr. Mancao shared that to date, several floors have already become operational. Imaging equipment acquired years back are now online, Even an ICU facility is now open. He shared his hope that one day, CCMC will become the city's go-to for excellent public medical care. But indeed they still have a ways to go.

Among some of the challenges they face is the ever dwindling funds of the city to continue financing the construction of the

upper floors. Even our city's Mayor has appealed for funding from both public and private offices. Nothing is being held back, including the naming rights for certain floors and sections of the hospital.

How the saga for CCMC will end remains to be seen. But I certainly hope it will not take another round of election! Other cities have managed to plan, construct, and operate their hospital in just a few years so there is no reason why the city with all its pride and resources can falter. I wish Dr. Mancao all the best in his undertaking and that perhaps he may one day look back at his career and consider this as a jewel of his experiences. I long for the time when we can really say CCMC will be truly functional and ready to meet the needs of the Cebuano community.

# ONE ROTARY, ONE DISTRICT MANGROVE PLANTING & COASTAL CLEAN-UP

Oceanside Village, South Pob., Naga, Cebu

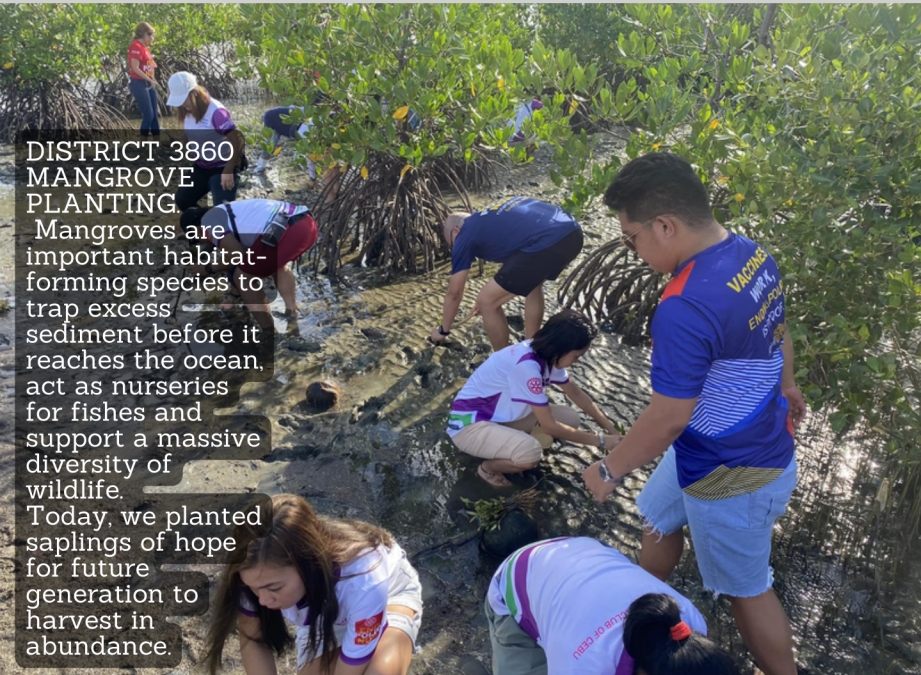

2022 . 09 . 17

## DISTRICT 3860 MANGROVE PLANTING

Mangroves are important habitat-forming species to trap excess sediment before it reaches the ocean, act as nurseries for fishes and support a massive diversity of wildlife.

Today, we planted saplings of hope for future generation to harvest in abundance.

## OCULAR VISIT @ CALBASAAN INTEGRATED SCHOOL

**CALBASAAN INTEGRATED SCHOOL.** Situated high up in the mountains of Minglanilla. It doesn't have a steady supply of water. Students walk to from a spring hundreds of meters away under the scorching heat of the sun or torrents of rain. Badly damaged by a supertyphoon. Imagine being in a cramped classroom, with toilets but no water. That's the situation of over 300 children enrolled this school year. .

Starting next week, the club through the Rotary International District 3860 Philippines fund will repair the roof and will kickoff the WASH project aimed at providing a sustainable water system through a global grant in partnership with Rotary International Clubs of Kasugai and Sydney Cove.

These are but two of their many needs. And because of their remote location, few assistance come their way. If you wish to collaborate and help, do let us know.

No matter what we feel, what we still want to accomplish or what we think we lack, we are still in the position to give than to receive. More often than not. A grateful heart always has something to share, something to pass on. And an essential component to being happy is gratitude
