CLUB NO. 17102
DISTRICT 3860
CHARTERED :
NOVEMBER 28,1932

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

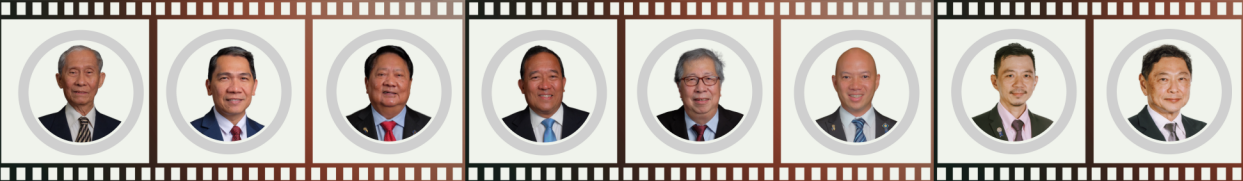

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

May those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place Service above Self, in our daily endeavors. And may we always test ourselves and our efforts to be sure they are the truth, good for all concerned, of benefit to mankind, and provide peace and understanding. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

PRESIDENTIAL MESSAGE

Jennifer Jones

President 2022-23

November 2022

Being asked to Imagine Rotary can seem like a big, heady exercise, but the most important element of it is something quite small, even personal.

Not too long ago, Rotary members were expected to perform our acts of service quietly. I understood and appreciated the thought behind that – humility is a wonderful trait, and we should continue to nurture it in other ways.

But keeping Rotary to ourselves has a cost. and by sharing our Rotary moments, we are being generous with others and giving them an opportunity to understand the impact of Rotary.

It brings to mind that wonderful aphorism: “People will forget what you said. People will forget what you did. But people will never forget how you made them feel.”

So how do we make people feel Rotary? The best way is to share our Rotary moments. We have all had them – when the ordinary collides with intention to create something extraordinary.

Some people have those Rotary moments the first time they go to a meeting. For others, it can take years, before seeing the joy in the eyes of someone we serve. Or perhaps in hearing from another member something that hit close to home.

As Nick and I share this journey, we are amazed

at the work you are performing and the lives that are transforming. Throughout the year, I'm going to share with you the sights and the stories that made those tours meaningful for us.

I hope you can do the same in your corner of Rotary. It can be something you share in meetings or on social media. For the most savvy and ambitious, it could be an event you publicize with local media. Even sharing your stories with friends has impact.

We need ambassadors for Rotary's message and our dreams for a better world. The best ambassadors are you. The more you share stories – and share them from the heart – the more you encourage others to partner with us, to join us, and to stay.

To give you just one small example, in the months ahead, I will be turning over this column to Rotary members who will share their personal stories as they relate to diversity, equity, and inclusion in our organization. It's important that we hear these stories directly from the people who experienced them as a way of feeling the importance of DEI for the future of Rotary.

In everything we do, what people feel about Rotary will shape our future. I can only imagine what you will inspire through the stories you'll tell.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

THE FOUR-WAY TEST

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

EDITOR'S MESSAGE

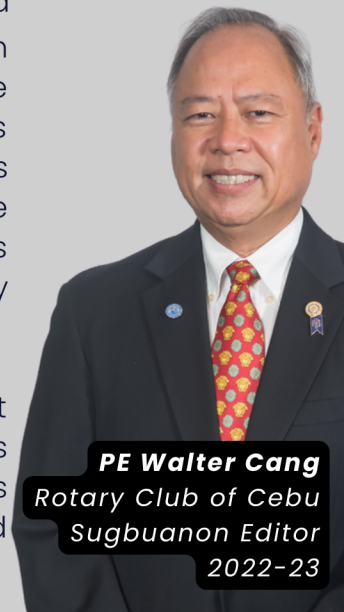

As we are in the midst of typhoon season, we rarely bat an eyelash when news of landslides, flooding and strong winds battering communities show up in our newsfeed. Weather disturbances for a country like ours, which is ranked as one of the world's most disaster prone, is just part of life.

As Rotarians, we are often called upon to help communities that become victims of natural disasters. Disaster preparedness and response is just an intrinsic part of our organization. So it is not surprising to hear how Rotary stepped in to meet the humanitarian needs of Filipinos hit by a calamity.

Almost a year ago, we suddenly found ourselves on the other end of the table with typhoon Odette. But it was not that Rotary came to our aid that mattered most. It was how quickly Rotary was able to get things organized and send help our way. It was not Rotary who helped us rebuild our homes and businesses, but it was Rotary that allowed us to become an instrument to help others rebuild their lives and home.

As you all may have heard, our District's Disaster Management Committee is responding to the recent flooding in Maguindanao due to typhoon Paeng. The rains from last week cause havoc to many of our roads and communities here. But in mountainside communities in Maguindanao, it caused landslides that covered entire sitios. Home and lives were lost from flash floods. One finds it hard to imagine the devastation as the storm was nowhere near their area. But the rain induced by the typhoon was enough to cause mayhem. Our District was able to respond thanks to preparations made specifically for this eventuality.

As a club, we have also taken steps to ensure we are not caught flat footed. That is why we currently maintain funds that are intended for use in times of disaster. Generous members have taken it upon themselves to donate and pool funds that are held by the club. Give real meaning to

the saying “saving for a rainy day” – so that our club may be able to respond effectively when the call comes.

On another note, we’re about three weeks away from our 90th Anniversary celebration. Have you signed up to attend our main celebration on the 27th? If you haven’t yet, please do. We’re looking at finalizing the headcount and I would love to hear from you all. And while we’re keeping our eye on this ball, allow me to digress a bit and tell you about a worthy project RCC will be involved in this month. We’re still letting the paint dry literally so I can’t share too much details yet. However, I hope to be able to share the good news once I get a go signal from the incredible people behind the project. The potential for this to snowball is incredible and let’s just say it will be a “village” that will help us become another instrument to help the sick and needy. Stay tuned!

SECOND IN THE PHILIPPINES. Earlier today, the club was recognized among the country's Top 5 Clubs with Highest Per Capita contribution to the Rotary Foundation (RY 2021 - 2022). Through the years, the Rotary Club of Cebu consistently ranks first in D3860.

The Rotary Foundation transforms gifts into service projects that change lives in our immediate communities and around the world. Since it was founded more than 100 years ago, the Foundation spent more than USD 4 billion on life-changing, sustainable projects.

This is also one of the major reasons why the club has been very active in managing and implementing global grants in the areas of basic education and literacy, maternal and child health, disease prevention and treatment, water sanitation and hygiene, and environmental preservation.
