CLUB NO. 17102
DISTRICT 3860
CHARTERED :
NOVEMBER 28, 1932

ROTARY CLUB OF CEBU

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar,

Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads

the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

INVOCATION

Dear Lord, We honestly believe the purpose of each life is to make a difference that we lived at all. We also are aware that nothing does itself... machines don't make or run themselves, bricks don't lay themselves, nails don't drive themselves, buildings don't build themselves, lessons don't learn themselves, classes don't teach themselves, words don't memorize themselves, food doesn't prepare itself, skills don't develop themselves, projects don't plan themselves. Someone has to do everything that is done, make everything that is made, and think everything that is thought. We know the next move is up to us, therefore, we pray for Your divine guidance in our every thought, intention and action. Amen

TRUSTEE CHAIR'S MESSAGE

Ian H.S. Riseley

Trustee Chair 2022-23

March 2023

Living in Australia, you think a lot about water. When you travel to the nation's vast interior, the Outback, you can't help but wonder how such an arid climate has supported life for millennia. There, each sip of water feels precious.

Each sip seems to get more precious by the day as climate change continues to impact water supply everywhere. Where Juliet and I live, on the temperate coast not far from Melbourne, I remember times not long ago when water supplies were so low that severe usage restrictions were put into place. We now live on rainwater that falls onto our roof and is collected in a tank. In many parts of the world, people don't have that luxury.

Water is essential for life no matter where we live. Yet many of us take it for granted. Think of all the times today you turned on the tap. About 1 in 4 people in the world have quite a different experience when they do – if they have a tap at all. Today, 2 billion people lack access to safely managed drinking water, according to the United Nations. It is heartbreaking that each year, about 300,000 children under age 5 die from diarrheal diseases caused by poor sanitation, poor hygiene, or unsafe drinking water – all preventable circumstances.

This is where Rotary comes in. Through your support, The Rotary Foundation provides water and sanitation for countless communities around the globe. Foundation global grants

have ranged from providing toilets and hygiene education for villages in the Philippines to building infrastructure for year-round access to safe, affordable drinking water in Brazil.

The water and sanitation problems that we face are too great for any of us to solve alone. But whether we work with global grant partner districts across the world or with large agencies such as USAID, we are making a difference.

When thinking of teaming up to provide safe drinking water, sanitation, and hygiene, remember that one of our greatest partners is right here within the family of Rotary: Rotaract. Effective this Rotary year, Rotaract clubs may apply for global grants. I encourage Rotary and Rotaract clubs to work together on existing grants and for Rotary clubs to support grants sponsored by Rotaract clubs. Together, Rotary and Rotaract clubs are going to take the power of the Foundation to a new level. The Rotary Foundation has more potential than ever to make a difference in the water and sanitation challenges we all face, thanks to your generous support.

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

THE FOUR-WAY TEST

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

What does it mean for a country to be considered "endemic" when we talk about polio?

Polio-endemic countries are countries where wild poliovirus is native and regularly occurring. Just two polio-endemic countries remain in the world: Pakistan and Afghanistan. They are a key focus this year in our eradication efforts.

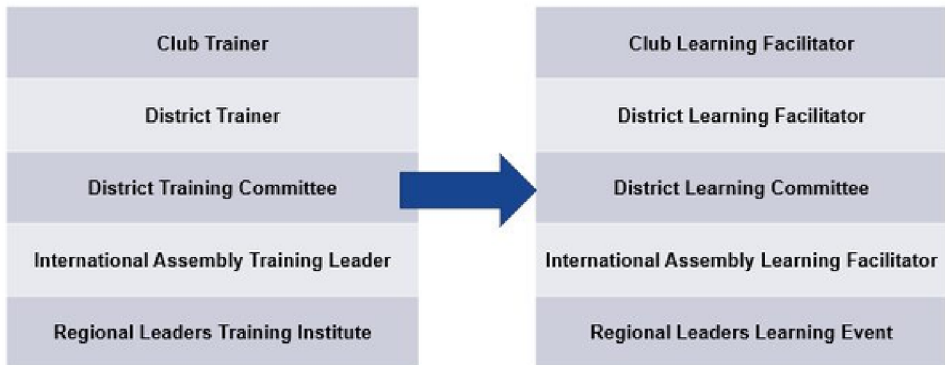

Learn about our polio eradication strategies and see the latest updates on Global Polio Eradication Initiative website: <https://endpol.io/3EcuM2L>.
