### ROTARY CLUB OF CEBU

CLUB NO. 17102 | DISTRICT 3860  
CHARTERED: NOVEMBER 28, 1932

Chartered on November 28, 1932, Rotary Club of Cebu is the second oldest club in the Philippines. The club currently has 63 members and prides itself in the quality of its members and the excellent fellowship that characterizes its weekly meetings.

The club sponsored the organization of several Rotary clubs in the Visayas and has produced six district governors, including Vicente L. Faelnar, Joaquin Panis, Vicente Lozada, Federico Reyes and Manuel de Veyra. The latest, Edgar Chiongbian, was the District Governor in RY2013-2014 and also the RY2017-2018 Chairman of the Philippine College of Rotary Governors.

Rotary International District 3860 has

consistently recognized the club for its role and contribution to the District, winning the Club of the Year and President of the Year awards multiple times over the years. Our members continue to donate generously to The Rotary Foundation and consistently leads the District in TRF Donations and Disaster relief drives. The club has long led the district with the greatest number of Major Donors (15 currently) and in RY2019-2020, three members of the club (one posthumously) were inducted into the Arch Klumph Society, the first AKS members in our District. Likewise, RCC was the first club to establish a TRF Endowment Fund in the District. Lastly, the RCC has been very active in Global Grant projects, leading the country with almost 5% of the total approved Philippine global grant budget over the past six years.

### JULY is Maternal and Child Health Month

*Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.*

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation – all of which can be prevented.

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

# PRESIDENT'S INAUGURAL MESSAGE

June 24, 2023

Our guest of honor Ms. Amaya Aboitiz Fansler, distinguished guests and fellow Rotarians, friends and project partners, protocol observed.

Little did I know a business meeting 8 years ago would lead me here today. Please indulge me as I briefly share how I got here. Please disregard the rumors that I'm one of the bright boys. I assure you it's just all the lights bouncing off my forehead.

In 2015, having moved back to Cebu with my family in tow, one of my priorities was to get a small business started. I found myself booking an appointment to see an Architect Michael Torres to offer my services. We talked about my family and how it was moving back. It turned out I was sending my daughters to the same school his daughter Andrea goes to. In fact, she had met Roxanne in school just days prior. Suffice to say, we hit it off and chatted so much I got sidetracked and left his office without closing a deal!

But there was hope! Because he asked me to see him again the following week on a Thursday at Café Uno. And when I showed up, I found myself in the middle

of a meeting of the Rotary Club of Cebu. It was my first time to attend such a meeting. But listening to then President Benard report about projects the club was undertaking, and seeing the familiar face of Pres. Hector, PAG Robin and the warm welcome accorded to me by the members made me feel at ease.

I don't know what Mike saw in me to take me there. Perhaps he was again trying to dodge my sales pitch. But I thank him for taking me there. I also panicked for a minute upon hearing that my childhood tormentor who used to steal my lunch, a Bobong Castillo, was also a member of this club. But I was assured he had changed. And indeed, he has...he now tells everyone I stole his lunch!

But kidding aside, little did I know, that day would have such a profound impact in my life. It gave me a peek into what Rotary was all about as I listened to the Pres. gave his report about school chairs made by our club and donated textbooks that were distributed to remote public schools. And as he spoke, I told myself this is something I wanted to be involved in.

And it wasn't just about doing something good. You see, I had a long-standing principle – that when much has been given to me, the real reward is when I also share it with others.

That first meeting led me to a few more and I quickly saw how the impact of my sharing can exponentially grow when I do this with kindred spirits in an organization like Rotary. And the bonus was this: Because the club went out to remote communities that are less accessible or receive much attention, taking my family along these road trips presented a wonderful opportunity to introduce them to the realities of life of the less fortunate in this side of the world.

So not long thereafter, I found myself taking my oath to be a member of this wonderful club. The Rotary Club of Cebu eventually became our second family. Members became good friends and we all got to know their spouses and children. Road trips with Rotary gave them insights and lessons they can never get from schools. Truly I can say we couldn't have found a better way to settle into our new life and routine here.

7 years after taking that oath, I now stand before you, having been charged and taken a new oath to lead this club. It hasn't been an easy decision for as I look back at our illustrious Past Presidents, all I can say is "What have I gotten myself into?" I admit, yes, I have some experience and the qualities that make a leader. But it takes more than that to steer a club like ours. I felt I lacked the pedigree, more afraid to fail than I was of the job.

I had been asked to take this mantle years back, but I respectfully declined. Until

someone who was about to become our club President gave me a ring out of the blue. Those of you who know PP Edward know that despite his impressive background and wisdom, he carries all those with great humility. I looked up to him in many ways and getting a call from him is like getting a call from God.

He listened to my well-rehearsed reasons why I can't take that responsibility. But he had answers for all of them and topped it off by saying "Don't worry, the club members will come together for you, for you are doing this for the club."

And so, with some reluctance, I agreed. I accepted the role because I realized that by serving, much like all our past Presidents have, I am paving the way for younger leaders to prepare for their turn. I accepted it because with 4 years to prepare and 1 year to serve, surely, I can do this for the club.

In the last few weeks, many have asked, are you prepared to be President? One can never be ready for a role this big. One can prepare up to a point, and then you take a leap of faith. Am I excited for my term? I think the closest I can compare this to, is the excitement a deer may feel while standing in the middle of the road staring at the approaching headlights!

I may not have many resources to bring to bear, but to paraphrase PP Edward Gaisano, "the club members will come together for me, for I am doing this for the

club." And that, my fellow members of the Rotary Club of Cebu, is what I need from each of you. I shall do my best to be your leader, but I will need your support to lead effectively.

There are two things I will ask of you. I need a little of your time. Your mere presence in our service projects, meetings, and fellowships would be great.

In the next 12 months, I will be your best friend. So that I may call you when I miss you. It means the world to me if you occasionally join us on Thursday lunch. I will even call your lovely spouses to vouch for your presence! Because that's what friends do for each other. Just make sure that if you ever tell her you're headed to our meeting, you do show up!

But seriously, we are 66 members strong, I don't need all of you to be active all the time. I just need all of you to be active from time to time. And believe you me, we can make bigger things happen in this venerable club!

# GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

## THE FOUR-WAY TEST

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The other thing that I need from all of you is to continue the spirit of giving that has always been the hallmark of our club. Remember, generosity doesn't always have to be from your pockets. It can be in the form of your time and your other resources.

Rotarians have always been known for service projects driven by their generosity. But our members have a passion for sharing their blessings that are second to none. This is the fuel that boosts our ability to undertake many projects, bound by our willingness to work hard and work together.

We are blessed to have members with diverse talents and capabilities, willing to be just one of the many cogs that turn the giant wheel of our service projects. Fellow members, please stay true and I pray that we never change.

I want to thank you for the trust you have bestowed upon me. I am truly humbled and hope that you will stick by my side on this journey. I value your trust and as we move ahead, let it be a covenant that we shall work together for the greater good of the Rotary Club of Cebu and our District 3860.

Thank you, Pres. Hector Almario. This time last year, you spoke of the rich 90-year legacy of our club and challenged us to do better, to ensure that our club will continue to be relevant. With you at the helm, we continued to be one of the

strongest clubs in District, maxing out the limit of 10 active Global Grants simultaneously at one time.

With your encouragement, we have journeyed on the path of mentoring other clubs, offering our DDF allocation to others, so much so that part of my DDF has been committed!

You asked us to think out of the box to strengthen the financial pillars of the Cebu Rotary Club Foundation, Inc. And in doing so, we have changed its role from one that was supportive, into one that is collaborative.

In your term, our Foundation became the owner of our new home in the heart of Cebu IT Park. Truly, you have paved the way to make my job easier. You are now ready to enjoy the best part of being President – being an Immediate Past President. I say to you, mission accomplished.

Gov. Lilu Aliño, thank you for your leadership this year. Folks, Gov. Lilu, and I, along with her husband Dongie, go a long way back when I was still a university student. Amazing how life has brought us back a full circle through Rotary and having you administer the charging of my duties was the icing on the cake.

To my Gov. Rozanne Twinkle Gamboa and her dynamic half, Dist. Trainer Archie Gamboa, thank you for gracing our Induction. I could not think of anyone

better to entrust me with the task, duty, and responsibility than someone who has led by example. Your tireless effort to serve even as a DGE inspires us all.

Allow me please to digress briefly. Since our last Rotary year, our District has been led by a lady Governors. Starting with Immediate Past Dist. Gov. Anna Bumagat, followed by Dist. Gov. Lilu Aliño, who will soon hand the gavel to Incoming Dist. Gov. Twinkle Gamboa, and will eventually be succeeded by Dist. Gov. Elect Caroline Andrade.

4 incredible lady Governors in a row is telling us something. Kami nasad oy!

Thank you Ms. Amaya Aboitiz-Fansler. As the Great granddaughter of our Charter member, Don Ramon Aboitiz, you are continuing his legacy to create hope in our world. Tonight, your message touches the hearts of all the Rotarians in this room. Please know that we look forward to the day that we may be able to work together for our community.

Thank you, Pres. Elect Shige Onda, and the Induction program team for making tonight unfold just the way it should. A lot of work, coordination and meetings went into tonight's event. Bravo.

Thank you to my Officers, Board members, Advisers and Project Chairs for answering my call to serve with me. I am privileged and honored to have you in the team.

Thank you to the officers of other Rotary

clubs who are with us tonight. Daghang salamat sa inyong kinasingkasing nga pag uban kanamo karong gabhiona. We are grateful for your presence on this special occasion.

And as I end my talk, I wish to let you all know that tagging along in my journey as your President are 4 important people. My wife Roxanne, and my 3 daughters, Cassie, Alana, and Laura. I wish to confess that when I said yes to PP Edward, I did so without their consent. Wondering how best to break the news, I waited till Rox got in the shower. And this is how the conversation went:

Me: Babe, I got a call from Edward Gaisano

Rox: Oh? What did you guys talk about?

Me: Oh we just chatted, shooting the breeze, a bit of bantering...and he also asked me to be President in 4 years.

Rox: Oh? And you told him no, right?

Me: Ummmm I said yes.

I don't know what she said thereafter as I quickly left the bathroom!

But since that day, I have received nothing but support for my decision and I want to thank them in advance for the times when I must put Rotary side by side with them.

I have thought of ways to recognize Roxanne's role in my journey and realized there could never be a better time than now, and a better way than to invite her to join me on stage, that she may be recognized as a Paul Harris Fellow by the Rotary Foundation.

**WHAT IS THE ROTARY FOUNDATION'S FUNDING CYCLE?**

THE ROTARY FOUNDATION HAS A UNIQUE FUNDING CYCLE THAT UTILIZES CONTRIBUTIONS FOR PROGRAMS THREE YEARS AFTER THEY ARE RECEIVED. THE THREE YEARS CYCLE GIVES DISTRICTS TIME FOR PROGRAM PLANNING AND PARTICIPANT SELECTIONS, AND ALLOWS THE ROTARY FOUNDATION TO INVEST THE CONTRIBUTIONS. THE EARNINGS FROM THOSE INVESTMENTS HELP PAY FOR ADMINISTRATION, PROGRAM OPERATIONS AND FUND DEVELOPMENT COSTS. YOUR CONTRIBUTION IN ROTARY YEAR 2013-14 WILL BE INVESTED IN ROTARY YEAR 2014-15, AND PROJECTS WILL BE SELECTED IN ROTARY YEAR 2015-16, WITH THE FUNDS ACTUALLY SPENT IN ROTARY YEAR 2016-17.

*WITH PLENTY OF TIME TO BE INVOLVED IN HOW YOUR DONATION IS SPENT, PLEASE SUPPORT THE ROTARY FOUNDATION NOW AND GET INVOLVED IN PLANNING FUTURE PROJECTS!*
