## INVOCATION

Lord of the Universe, you have given most of mankind a strong desire to do good, to be honest, to serve others, and to faithfully fulfill their obligations to their neighbors. Help us, as Rotarians and humans, to do good. Help us, as Rotarians and humans, to be honest and ethical in all our dealings. Help us, as Rotarians and humans, to serve others. And help us, as Rotarians and humans, to faithfully fulfill our obligations as neighbors to our community, our nation, and the world. Amen.

## NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon.  
Putling bahandi, amo kang gimahal.  
Mithing gisimba, yuta’s mga bayani;  
Sa manlulupig, pagdapigan ka. Ang mga  
buntod mo ug lapyahan, sa langit mong  
bughaw. Nagahulad sa awit, lamdag sa  
kaliwat tang gawas. Silaw sa adlaw ug  
bituon sa nasudnong bandila. Nagatima-  
an nga buhion ta ang atong pagka-usa.  
Yutang maanyag, duyan ka sa pagmahal,  
landong sa langit ang dughan mo.  
Pakatam-ison namo nga nagatukaw kung  
mamatay man sa ngalan mo!

# GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# TRUSTEE CHAIR'S MESSAGE

*Barry Rassin*

*Trustee Chair 2023-24*

**OCTOBER 2023**

On 24 October, we renew our commitment to our top humanitarian goal for World Polio Day. This year, let's remember a young health worker in Pakistan known as Bibi Marjana (Miss Marjana). She braves the snow and cold in the mountains to vaccinate 84 children in rural areas, visiting each home, often miles apart.

Marjana is one of the thousands of frontline workers in Afghanistan, Pakistan, and outbreak areas I consider heroes in the final push to end polio. The work they do, coupled with the vision of our partners and the support you give, is moving mountains.

With Rotary's partnership, the Global Polio Eradication Initiative is aggressively pursuing two key goals from its 2022-26 strategy. First, we aim to halt wild poliovirus type 1 transmission. This year, only six cases have been documented as of this writing. Could this be the year we see the last of these poliovirus cases? We're cautiously optimistic that it might.

Second, we aim to report the final case of circulating vaccine-derived poliovirus type 2, or cVDPV2, in outbreak countries. About 80 percent of cVDPV2 cases last year occurred in subnational areas of the Democratic Republic of Congo, Nigeria, and Yemen. We must implement tailored strategies to stop the virus in these areas.

Other challenges persist, including political tensions, security risks and access issues, and the lasting effect of the pandemic in Afghanistan and Pakistan.

Despite these challenges, we are making progress. Poliovirus strains are diminishing, as is the number of affected regions where polio once prevailed. A new vaccine we have introduced reduces the incidence of the circulating vaccine-derived virus type 2.

Rotary is the organization that had the audacity to take on a global effort to protect children everywhere from disability or even death due to polio. We must have the tenacity to see it to the finish line.

What can you do to help us get there, you ask? Join or initiate a PolioPlus Society in your club or district and engage all members in this historic moment. And don't forget that the Bill & Melinda Gates Foundation continues to amplify Rotary's donations to polio eradication with a 2-to-1 match for every dollar.

You can also advocate the cause of polio eradication with governments to secure political and financial support and promote Rotary's leadership role in all media.

Like Marjana marching up the mountain, we have our goal in sight, and we will keep going until we get there.

# PRESIDENT'S MESSAGE

October 12, 2023

Hello everyone! I'm finally winding down my trip to Toronto and should be back on the saddle this time next week. Thank you again to PE Shige for holding the fort and overseeing club matters while I was away. It's a good thing PE Shige won't be able to have his IPP make-up during his term! Special mention also goes to Dir. Joey who quarterbacked the Paypay NHS handover.

Not having seen many of my family and friends in the last 5 years, the first thing that struck us was how much our children and younger relatives have grown! Some I could barely recognize. Yet for the rest of us of the older generation, we recognized each other immediately. And as we expressed surprise at their growth and maturity, one thing became very clear. Time did pass.

Just 5 years has made much difference and while we think we stayed the same, time has flown by, gone, zip, never to return. We may not be around forever but as a Rotarian, we have a way to leave a mark that lasts long after we are gone. The service we provide, the treasure we share, and the time we invest in helping others is one that continues to reap benefits in the years to come.

If you think about it, our school chairs project from 6 years ago are likely still in use today. The WASH project we undertook 5 years ago continue to flow and benefit the students in those schools. Our former members who have passed on will be pleased to know that a service project they did years ago continues to help a community and their residents. Just one of the reasons that give Rotarians a reason for being.

I'm proud to announce that the Rotary Club of Cebu has officially formed the INTERACT CLUB OF CEBU, this is our first community based interact club and the second for RCC. As you know, our first interact club that was formed last rotary year and is school based.

This community based interact club hit the ground running with 20 members and to date, they have grown close to 4 times over! While many of their members are from the two PAREF Schools in Cebu, it is open to any individual aged 13 to 18 years old with their parent's consent.

They have already reviewed and adopted the Standard Interact Constitution and By-Laws and have established an organization date.

Many thanks to PP Bernard who helped mentor and guide their members in the formation of the club. Their charter President is none other than Beatrice "Brie" Camille Sia, eldest daughter of Past President Bernard. She came up with the idea to form a community based Interact Club and focused on getting it off the ground in the last few months.

And in case you are wondering, no, PP had nothing to do with Brie's pursuit although I dare say his efforts to expose his family to Rotary has bore fruit! Congratulation again. I can't stress the importance of sharing our passion to our children. I did this with my kids when I became a Rotarian and I'm glad to say my daughters Alana and Laura will be Charter members of our Interact Club as well.

At our business meeting today, I hope you will have a chance to learn more about the service projects in our pipeline. Each project is led by a member of our club. Some are officers, others are just regular members. This goes to show that helping and leading Rotary projects is never limited to officers. Officers and advisers do help manage the affairs of the club, but anyone can lead our projects. All you need is the willingness to learn from others and have a passion to help.
