INVOCATION

Lord as Rotarians; help us always to be patient and kind. Help us not to be boastful, envious or proud. Protect us from being rude, self-seeking or easily angered. Teach us not to keep records of wrongs or to delight in evil. However, show us the benefits in dealing in the truth. Inspire us to spread peace, hope and perseverance in helping humanity in our community and throughout the world. Amen

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta’s mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENTIAL MESSAGE

R. Gordon R. McInally
President 2023-24

NOVEMBER 2023

Next year, Rotary takes a step toward supporting peacebuilding in the Middle East and North Africa region when recruitment begins for our newest peace center in partnership with Bahçeşehir University (BAU) in Istanbul.

A series of events in the coming year will recognize the new center at BAU and Rotary's work to promote peace. The 2024 Rotary International Convention in May will mark 25 years since the first Rotary Peace Centers were announced — coincidentally at the Rotary Convention in Singapore in 1999. Recruitment for the first cohort of Rotary Peace Fellows at BAU also starts in 2024, and selected candidates will begin their program in early 2025.

Since its beginning, the peace centers program has prepared more than 1,700 peace fellows working in more than 140 countries to create a more peaceful world. That is certainly worth celebrating, but Rotary Peace Fellows are more than statistics on a page. Their actions have helped Create Hope in the World and will continue to do so.

For example, Jennifer Montgomery and Gorett Komurembe — peace fellows from the program at Makerere University in Uganda — are co-founders of Magenta Girls

Initiative. The international nongovernmental organization equips Ugandan girls and young women with the support and tools to overcome harmful gender norms, generational poverty, gender-based violence, trafficking, and trauma.

Ndzi Divine Njamsi, another peace fellow who studied at Makerere, has taken lessons learned about Positive Peace and is sharing them with students of his own in Cameroon. He became interested in the Rotary Positive Peace Activator training program after witnessing extremism, online hate speech, and violence in Cameroon. Since completing the program, he has brought his lessons on peace to students at the Yaoundé International Business School and other organizations in the Central Africa country.

The world needs more people like the graduates of the program at Makerere and our other peace fellows. To that end, we can all advance peace by encouraging our local peacebuilders to learn more about Rotary and apply for this impactful fellowship. Rotary members can also mentor candidates for the fellowship. Or you can work with peace fellows who have already graduated. They probably have an initiative or two that would benefit from your help.

Our peace centers in North America, Europe, Africa, Australia, and Asia depend on financial support as well. The program at BAU was made possible thanks to a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation.

This new Rotary Peace Center will offer a one-year professional development certificate in peace and development studies for fellows focusing on peacebuilding within the Middle East and North Africa region.

Peace must be waged persistently; it is the soil where hope takes root. But as with any journey, we take one step at a time. Let's take those steps together.

PRESIDENT'S MESSAGE

November 09, 2023

Hello everyone! We're just a week into November but our club calendar is chock full of activities the rest of the month. It's a good sign as it reflects upon the active life of our club.

If you missed last week's fellowship, let's hope Rtn. Bobong Castillo will allow us back. It was a wonderful and unique activity and pictures taken that evening have been posted in our Facebook photo album. Thank you Rtn. Bobong and Lady Hyde for opening their "home" for RCC and to PE Shige who did a marvelous job organizing our fellowship. We couldn't have picked a better plan nor appointed a better person to handle this event!

We're going to kick off this weekend with the tree-planting activity of our Community based Interact Club of Cebu. It will be easy work as all we need to do is to accompany them as their "big brother". I've said this many times, so I won't belabor the point of having to nurture them. I hope you will all find the time to join us albeit briefly this coming Saturday.

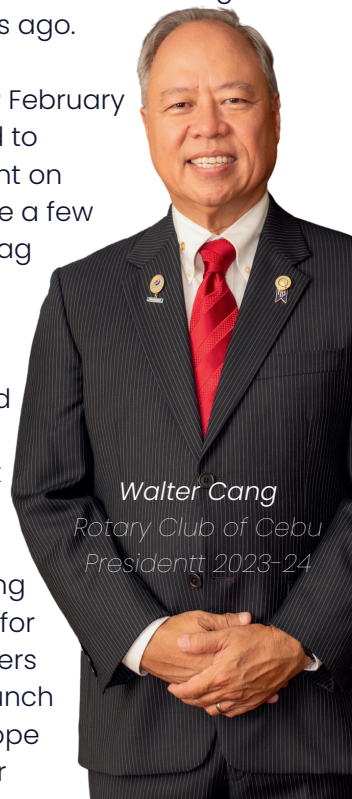

The following day, we will be conducting our second round of Coral rehab activity at Jpark Island Resort. Last year, we zip-tied

pieces of broken coral on to a steel mesh about 10 feet below the waterline. This year they are grown into fist size corals. Such an encouraging sight! This year, we hope to expand our activity to make them more inclusive. So, we have options for snorkelers who can help clean up the shoreline of debris and garbage. And if getting wet is not your thing, we can certainly use your help along the shore.

This year we shall also welcome some members of RC Metro Mandaue 2006 in the activity. In line with our effort to collaborate with other clubs, I shared our plans during our ACOM meeting with other clubs 2 weeks ago.

Immediately I was approached by IPP February Canoy who offered to livestream the event on Facebook and have a few of their members tag along to help.

Rtn. Joey Suaco is the Event Chair and he waded in with much gusto. Thank you, Joey! Thank you too, Dir. Brian Connelly for opening Jpark Island resort for us and the volunteers and providing us lunch after the event. I hope you can extend our

gratitude to the Management of the resort for their support.

And if the back-to-back activity isn't enough, the entire next week we will be humming like bees as we welcome the 3rd and last installment of Rotary Operation Save a Smile (ROSAS). Our dear friend from RC Yokosuka, PP Eiro Kubota will be in town with his medical team, ably supported by Dr. Mario Esquillo and his own group. We have had the pleasure of working with them in the past 2 missions and this will tie the ribbons off the Global Grant. Rtn. Bronz Peña is leading this event and he's been working his tail off in the last few weeks. If you ever see him next week, please put in a few words of encouragement for the great job he's been doing.

During their visit, we will also have a joint meeting for both clubs. This will be on Tuesday the 14th. at City Sports Club so I hope you can all make time to join this special meeting. Having worked with their club for several years, a Sisterhood Agreement sounds like a good idea. We have broached this topic to them and are waiting for their response.

At least 30 young patients have been lined up for ROSAS which will be held at the VisayasMed Hospital in Osmeña Boulevard. Surgeries being on the Wednesday the 15th to last until the 18th. I enjoin our members to drop by the hospital anytime during that period to show our support and appreciation for the time and skills they are using for the benefit of Filipino children with cleft lip and cleft palate. The culmination activity will be held at Casino Español on Saturday the 18th and again, I hope our members can attend to show our appreciation and thanksgiving,

There are other things I need to cover for this month, but I'll save that for my next article. Till then, please continue to support our club through your presence in most, if not all our activities!
