DECEMBER is Disease Prevention and Treatment

Disease Prevention and Treatment is one of the six areas of focus of Rotary International, a global service organization that aims to promote peace and goodwill. The organization's members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. They also focus on health education and providing routine hearing, vision, and dental care. Rotary sets up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. They design and build infrastructure that allows doctors, patients, and governments to work together. Rotary has made significant contributions to ending polio in 122 countries and created a system for tackling other health priorities, such as Ebola.

If you would like to learn more about Rotary's Disease Prevention and Treatment initiatives, you can visit their website at www.rotary.org.

INVOCATION

May those assembled here today enjoy the many offerings of Rotary. May we abide by the rules we have established, those of trust, fellowship and ethics, and may we place Service above Self, in our daily endeavors. And may we always test ourselves and our efforts to be sure they are the truth, good for all concerned, of benefit to mankind, and provide peace and understanding. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENTIAL MESSAGE

R. Gordon R. McNally
President 2023-24

DECEMBER 2023

In December, I will attend the United Nations COP28 climate change summit in Dubai, United Arab Emirates. There, I will speak about the convergence of two global crises: climate and mental health. As the World Health Organization has noted, climate change worsens risk factors – such as disruptions to homes and livelihoods – for mental health problems. The emotional distress of a disaster also makes it difficult for people to recover and rebuild.

Rotary partner ShelterBox is an international disaster relief charity that has helped more than 2.5 million displaced people in approximately 100 countries with emergency shelter, essential household items, and technical support. I wish to share this month's column with their CEO, Sanj Srikanthan, who explains that the words we choose to describe disasters matter.

The term “natural” disaster has long been used to describe tropical storms, floods, earthquakes, and volcanic eruptions, but there needs to be an urgent shift in the language we use. While the term may seem harmless, and we've not always gotten it right, we've learned through our work with disaster-affected communities how it perpetuates a dangerous myth that nothing could have been done to prevent people being so badly affected. This misleading and harmful narrative can lead to a lack of action to help

people who need it.

The language we use matters. When we frame disasters as natural, we fail to acknowledge the complex interplay between nature and the role of human actions and how they impact communities around the world.

Earthquakes, tsunamis, volcanic eruptions, and extreme storms, drought, and flooding occur because of natural processes on Earth. But it is how these events affect people or the environment that has the potential to make them a disaster – outcomes influenced by human factors like where people live, what types of homes they have, political instability, and the lack of proactive measures to protect vulnerable communities. A disaster is the result of systemic inequalities in access to resources and power. Where we live and how much money we have often determines our ability to recover. The people worst affected are those living in poverty, with the least means to protect themselves and few resources to withstand the next event.

By framing these events as natural, we undermine the need for proactive measures to protect vulnerable communities, masking the underlying social, economic, and political instability that makes marginalized and disadvantaged communities disproportionately affected. Our teams see firsthand how issues like inequality, poverty, urbanization, deforestation, and the climate crisis can make communities more vulnerable.

At ShelterBox, we simply say “disaster” or are more specific, describing the extreme weather, earthquake, tsunami, or volcanic eruption. I urge everyone to help us in breaking this cycle by committing to language that accurately reflects why people are affected so badly.

Only then does it pave the way to address the underlying causes of vulnerability and work toward a more just and equitable future for all, with the necessary investment, resources, and proactive measures to help protect affected communities. Disasters are not natural. Let's stop saying they are.

TRUSTEE CHAIR'S MESSAGE

Barry Rassin

Trustee Chair 2023-24

DECEMBER 2023

"So this is Christmas / And what have you done?" sang John Lennon in the holiday classic "Happy Xmas (War Is Over)," released in 1971 with Yoko Ono.

The holidays are a time of warmth and togetherness but also of reflection. Above all, the season is a time of generosity, especially to those less fortunate.

During your holiday giving, remember that gifts to The Rotary Foundation may not fit nicely in a present box, yet they keep on giving throughout the year.

December is also Disease Prevention and Treatment Month. Just think of all the Rotary efforts that would not be possible without the generosity of you, our Rotary family. Consider the incredible progress we have achieved in our fight to end polio – the countless lives we've saved and the hope we've restored. Think of all the clinics around the world Rotary has equipped and the medical professionals trained through Foundation grants, helping fight heart disease and Guinea worm disease.

Your gifts to the Foundation also help make health care accessible to underserved communities in a big way through Programs of Scale. Right now, those grant recipients are working to end malaria in Zambia, reduce the mortality rate of mothers and their infants in Nigeria, and eliminate cervical cancer in Egypt.

Of course, our reach extends far beyond disease prevention and treatment. During times of disaster, we must act swiftly to alleviate suffering and offer support. In response to the devastating earthquake in Morocco in September, The Rotary Foundation Trustees established the Morocco Earthquake Response Fund to support immediate relief efforts led by Rotary members on the ground. You can contribute directly, and your districts can apply for grants from the fund until 21 September 2024 or until the funds are fully allocated. Anyone can initiate a fundraiser for the Morocco fund on Raise for Rotary, opening further avenues for your generosity.

We truly have the gift of giving. There are no limits to the opportunities to give and make a difference through Rotary.

As we approach the end of the year, I invite you to make your gifts before 31 December. Your generosity will have a profound impact on many – people who you may never meet, but whose lives you will change just the same.

On behalf of Esther and myself, we wish you all a joyful holiday season. Thank you for your continued support, dedication, and unwavering commitment to The Rotary Foundation and to what Rotary is all about: helping others.

PRESIDENT'S MESSAGE

December 07, 2023

Hello everyone! This month's business meeting will be special for 2 reasons. One is that we will only have 1 luncheon meeting for the entire month of December. Next week will be our Christmas fellowship and the next 2 weeks are too close to Christmas and New Year. Nevertheless it works out well as I know our personal schedules get too packed as parties and celebrations ramp up. The second reason is that today, the Election Committee will introduce PE Shige's officers and Board members and I'm excited for him! Of course, the fact that I'm halfway into my term has nothing to do with it! But I must admit it has gone by real fast.

This time last week, I inducted the Pres. and her officers, along with new members of the Interact Club of Cebu - St. Benedict CEC. This club was chartered under IPP Hector's term and it was good to see them organised for another school year. They showed a video of their projects from last year and it was very impressive. I hope the seed that is planted in them, and the tenets of the 4-Way Test will one day usher them into a life of Rotary.

This Saturday, December 9 will be the handover of our global grant project with

the Sisters of Mary Boys Town. PE Shige has been working with them for months since we first visited this school and I'm happy to say the project has gone very well for the school. Not only have them widened their Tech-Voc courses through our grant, they have also become a testing centre that can now assess the qualifications of trainees who need certifications for specific vocational skills.

The Christmas Village of Love is now ongoing and our club has kicked up this year's campaign to raise funds for our club projects. A letter with a donation form and a link to the online form has been sent out and I hope our members will use this to help replenish our funds for the projects that we undertake. Please look into your family, friends and business associates to see how we can get them involved. Based on our Event Chair Dir. Stanley's suggestion we will also be reaching out to other Rotary clubs and contacts overseas to see if we can get their donations as well.

*Walter Cang
Rotary Club of Cebu
President 2023-24*

As the year winds down, my mind is on overdrive as I think of the projects of our club. I know a handful from last year have wound down and a few are still ongoing. What worries me is that with half of the Rotary year behind us, several projects intended for this Rotary year haven't taken off yet. Are we running out of time? Not really, but as these things go, getting a project off the ground takes a while and before you know it, the clock could strike the midnight hour. Someone told me you get to be President only once...I guess that's why I worry. Let's hope the next calendar year will see our club gain more traction with grants and projects.

ROTARY CLUB OF CEBU 91ST ANNIVERSARY

24 NOV 2023

On November 24, members of RCC gathered at Casino Español to celebrate the 91st founding anniversary of our club. It was a members-only event and a toned-down celebration in contrast to our 90th Anniversary. But it was no less fun as members enjoyed the relaxed atmosphere.

Much attention was paid to having fellowship, enjoying the well-prepared food and drinks brought by our members. Pres. Walter took the opportunity to thank everyone for working together and presented the awards given to the club during the recent TRF Night. He also took the opportunity to present individual awards to a few of our members who attained a special milestone in their life as Rotarians!

The celebration ended late into the evening, and many took to the microphone to entertain their fellow members. There was no program that evening because we were the program!

RC CEBU DONATION TO CEBU CITY POLICE OFFICE

22 NOV 2023

On Nov. 22, 2023, the Rotary Club of Cebu donated two stainless steel and one Polyethylene water tanks with a capacity of 2000 liters each to the Cebu City Police Office. These water tanks were installed at Station 3, Station 5, and Station 6, respectively.

On hand to receive the donation from Pres. Walter Cang of RCC were the respective Station Commanders and CCPO City Director, Colonel Ireneo Dalogdog. Col. Dalogdog expressed the Police Office's appreciation for the donation of these water tanks, which will serve the police station, as well as their surrounding community.

Pres. Walter encouraged them to look after these assets so that they can enjoy the benefit for years to come.

INTERACT CLUB OF CEBU CHARTERING AND INDUCTION CEREMONIES

On November 25, 2023, members of the Rotary Club of Cebu were on hand to witness the Chartering and Induction Ceremony of the Community-based Interact Club of Cebu. 99 out of 114 members of the club, as well as some of their parents, were able to attend the ceremony.

The newly minted Interactors were given their certificates of membership and their siblings, and parents had the chance to pin their Interact pins on them. 14 Rotarians from our club initially opened the program, each taking a part and helping arrange the logistics of the event.

Immediately after the club was Chartered, the reins were handed to them as they took over the rest of the ceremony. It was very inspiring to see these young kids step up and begin their journey to learn everything there is about service to others, the 4 Way Test, and Rotary.

After a short break for lunch provided by Virginia Food Inc., the afternoon was the launch party starting with a battle of the bands and a bake sale, and artists corner. Proceeds of the bake sale went towards funding their bundles of joy this Christmas for Cebu orphans. There was much laughter and fellowship at that time, interspersed with cheers as they applauded and encouraged the performers who dished out the latest songs from their generation.

WHAT IS THE ROTARY FOUNDATION BEQUEST SOCIETY MEMBER?

A Rotary Foundation recognizes couples or individuals who have made commitments in their estate plans totaling US\$10,000 or more. Donors may elect to receive an engraved crystal recognition piece and a pin commemorating the commitment at each new recognition level.
