## JANUARY is Vocational Service Month

During this month, Rotary clubs around the world celebrate and promote the importance of vocational service. This is an opportunity for Rotarians to use their professional skills and expertise to make a positive impact in their communities and beyond.

In addition, the first week of January is when the Rotary International Assembly is held. This is an annual training event for incoming leaders, where the next Rotary theme is announced by the incoming Rotary International president.

## INVOCATION

Let us not only value the year before us but also look to this day, for it is life, the very life of life. In its brief course lie all worldly truths and realities of our existence: The bliss of growth, the glory of action, the splendor of beauty, for yesterday is but a dream, and tomorrow is only a vision, but today well-lived makes every yesterday a dream of happiness, and every tomorrow a vision of hope. Therefore, fellow Rotarians, look well to this day. And thank God.

## NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

# GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# PRESIDENT'S MESSAGE

January 18, 2024

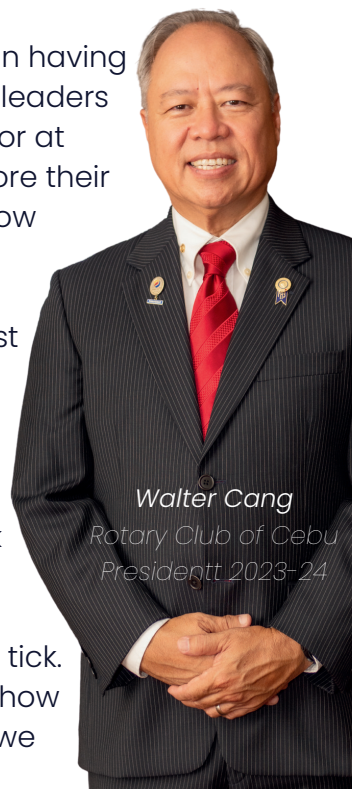

Hello everyone! I am excited for today's meeting because we will be welcoming 3 very young members into our midst. This event will bring our club membership over the threshold to 71 members. But while this will increase our membership, it will reduce our club's median age down to 52.98 years. None of the three are over 30 in age and one of them, Tristan, has displaced Rtn. Jiaan Gesalem and will now have the distinction of being Teng, and Tristan Limchesing.

While we have inducted new members into our club many times over the years, I ask you all to look at this in a different light. For upon the shoulders of our members rests the future of our club. When they become Rotarians, it is our responsibility to instill in them the same passion that we all possess—to serve our community, to share our resources and use our talent for service.

And why is this necessary to ensure the future of our club? Because every Rotarian in our club must one day

consider their role in RCC. It doesn't matter what their path is, be it as a leader or a follower, what matters is that they have the willingness and passion to help others. And we hope that the journey for some of them will lead into running our club. I'm sure none of them would consider this as a future role in RCC but it is how the world turns in Rotary. The President of a club cannot stay on forever and a club cannot have members who are all Past Presidents. There must be growth and with growth there must be succession.

RCC prides itself in having a deep bench of leaders that are trained for at least 3 years before their term. And you know what? 3 years is needed because one learns not just to lead. But to learn our culture, to form bonds amongst members, to look for mentors and also understand what makes RCC tick. People often ask how we got to where we

*Rotary Club of Cebu*  
*President 2023-24*

are, and I think this is the answer. We find the right people to join us and set the proper environment for them so that the club's legacy will continue for the years to come.

On a more somber note, as you know WASH has been one of our primary Global Grant projects over the last 4 or more years. This year, Rotary International instituted new guidelines that dealt a death blow to our current and future plans to launch WASH projects. I won't get into the details here but suffice to say there was a convergence of challenges that proved impossible to surmount. Our Project Chair, Dir. DJ bent over backwards to accommodate these requirements and bridge the gaps but received neither the concession nor support needed to keep it going. In view of this, I made the expected but difficult decision to pull the plug on plans for WASH this year. Perhaps the winds may change in the future but for now, it is hasta la vista baby. My thanks and a strong pat in the back to PAG Bing Martinez, Dir. Stanley Go, and the man himself, Dir. DJ Moises for not giving up so soon and taking it this far.

On a happier note, I also wish to thank Past President Bernard Sia for his efforts to help the Interact Clubs of Cebu take off after their recent inductions. I'm sure you have seen the bulletins going out on our Viber chat groups about the different activities they undertook under his guidance. I have always voiced my sentiment on how these young Interactors need guidance and mentoring and he has taken this to heart as well.

But the time has come to consider the appointment of our younger members to work with our Youth Chair, Ken Ngo, in this endeavor. In the coming days, I will be discussing with PP Bernard how we can institute a seamless transition so that our Interact Clubs will continue to enjoy the benefit of our guidance and encouragement.

## ROTARY'S POLIO CHALLENGE

Rotary International and the Bill & Melinda Gates Foundation announced an extension of their existing fundraising partnership that could generate up to US\$525 million in new money for polio eradication as the global effort to end this crippling disease enters its critical endgame phase.

Under the new agreement, announced before an audience of more than 20,000 Rotary members from 160 countries gathered in Lisbon for the humanitarian group's annual convention, the Gates Foundation will match 2 for 1 every new dollar Rotary commits to polio eradication up to \$35million per year through 2018!

*THANK YOU FOR HAVING SUPPORTED THE ROTARY FOUNDATION AND ITS EFFORT IN ERADICATING POLIO FROM OUR PLANET.*
