FEBRUARY is Peacebuilding and Conflict Prevention Month

The Rotary family is committed to pursuing projects that address the structural causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources. Rotarians train adults and young leaders to prevent and mediate conflict, and aid refugees who have fled dangerous areas.

INVOCATION

In times of sorrow, we turn to you, our Creator. Let us bring comfort to those we remember in your service in Rotary. Bless the families in mourning and help us continue to do the work we must continue doing in their loving memory. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagkag-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENTIAL MESSAGE

R. Gordon R. McInally
President 2023-24

FEBRUARY 2024

I am enthused and encouraged by your embrace of mental health initiatives throughout the Rotary world. More than 1,000 of you have responded so far to an ongoing survey by the Rotary Action Group on Mental Health Initiatives, offering your feedback on what Rotary can do to improve the personal well-being of members.

The top suggestions are illuminating. Rotary members are asking for more fellowship, camaraderie, conversation, cohesiveness, and connection. They also want more recognition, validation, and integration. They are seeking more service opportunities, and they want more wellness activities, including mental health speakers, awareness efforts, and education.

Our members not only appreciate the greater focus on mental health, but they also believe that making more of the Rotary experience will materially improve their lives. I find it interesting that members are not asking

anything dramatically new of their club – rather they want more of what we do best. For example, connection can be improved during meetings simply by assigning seating once each month to encourage people to speak with someone new.

Here are some great ways that we can help achieve these results and make

Rotary more appealing to those considering membership. First, we need to acknowledge the importance of increasing belonging in our clubs and to encourage Rotary members to make the most of every opportunity for new and stronger connections. Public health experts worldwide are concerned about increasing levels of loneliness – the U.S. surgeon general has even declared it an epidemic. Mental health experts agree that finding groups and clubs around common hobbies and interests is a strong way to create greater connectedness. This is what Rotary is all about. We need to make sure all of our members are fully engaged and that our communities are better aware of this inherent strength.

Second, if your club has found new ways to build connection, please share your stories with us at mindhealth@rotary.org so we can make them more broadly known within the Rotary world. Your good ideas might inspire others. Post your service project stories on Rotary Showcase.

And finally, I encourage you to share feedback from surveys like this with your club and bring forward your own ideas to improve your club experience and meet your peers' expectations. The journey we have begun is about more than mental health. It is about taking advantage of the full strength of our wonderful organization and helping all members feel that they are part of a community that cares deeply about their personal well-being.

Everything you do to strengthen connections in Rotary, with each other and the people we serve, also helps improve mental health. And everything we do to improve mental health helps strengthen those connections. Let's continue this virtuous cycle.

PRESIDENT'S MESSAGE

February 08, 2024

Hello everyone! Today we will be having our business meeting. We pushed this back since the availability of our guest speaker and the induction of Baby Rotarians last week took precedence. We do have lots to cover, from updating you on the status of our ongoing projects, to next week's visit of RC Fukushima South, as well as a walk-through of our new club website. I'd like to thank PE Shige for taking the lead in our planned activities next week and PP Tony Lozada for opening the doors to his home so we may properly host our welcome dinner for the guests. Thank you to all of you who responded to our sign-up sheet and rest assured your presence goes a long way towards reflecting the strength and unity of our club, and the importance we put towards the presence of our guests in Cebu.

A part of me writes this week's article with a heavy heart as I can only imagine the immense pain of Doc Baba who lost his only surviving son, Dr. Toby Panopio. May he rest in peace. It's hard to comprehend how

life unfolds for us sometimes. One minute everything is going well, and we couldn't be happier. And the next, our world is ripped apart by the unexpected loss of a loved one. I know our words of comfort cannot numb the pain, but I hope Doc Baba will remember that each word comes from someone who will be there to help him in any way through this dark time.

Recently, after several failed attempts to find a breakthrough in our WASH proposal, we have finally pulled the plug and notified the Department of Education that we are putting the program on hold indefinitely. It's unfortunate as WASH had initially presented the biggest bang for the buck of our projects. Perhaps, one day we can resume this program if we find a stakeholder who can meet the new RI requirement and work with us to attain them.

We continue to look for our elusive foreign partner for the 4 laboratory fit out of the Cebu City National Science High School. We have presented to at least 3 foreign clubs and are awaiting their feedback. Meanwhile construction of the building is ongoing with a target end date of June. The construction project is being monitored by the President of their Alumni Association and he's really keeping the contractors on their toes. But as you know with government managed projects, I won't hold my breath until we get to the finish line.

Meanwhile we just received word that the District has agreed to fund our Disaster Water trailer project in the amount of ₱550,000. This covers part of the cost of a 20k liter water tank on a trailer that can be deployed to provide water for hygiene in times of calamities and disaster. Many thanks to PP Jacob Ong who is chairing this project and Rtn. Bobong Castillo who is providing guidance and support.

We're also one step closer towards extending our Gift of Life surgical program in UC Med. This global grant funded program currently sends patients to Manila but we're ready to bring the team here to kick off and switch to local experts once the kinks are ironed out. We also had a productive meeting with the DSWD Asst. Regional Director who promised to provide our program a more ironclad method of conducting social welfare studies of our patients. This is a critical step as we want to ensure our program benefits children of indigent parents only.

And if you remember my past rambling, AKA article, I also mentioned a Cleft Lip/Palate Program that will be modeled after our current Gift of Life program. It's still in early stages of planning but we have made headway as well. We hope to meet with our prospective partner hospital to discuss package costs for each type of surgery. This is one of the few remaining questions before we can start writing the application for a Global Grant. Wish us luck.

There's a few more I could share but I don't want to clog up space in our newsletter so I'll end this here and make sure to mention the rest in our meeting today.
