FEBRUARY is Peacebuilding and Conflict Prevention Month

The Rotary family is committed to pursuing projects that address the structural causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources. Rotarians train adults and young leaders to prevent and mediate conflict, and aid refugees who have fled dangerous areas.

INVOCATION

It is good to recognize how different we are, our talents, our dreams, our backgrounds and our occupations. And it is good to know that when You created each of us, You broke the mold. No one is exactly like anyone else. Even our thumbprint and our voice track tell us how unique we are. Yet, we thank You that we can take these differences and mobilize them for the good of Rotary and our community. In our differences, we can think the same thoughts and move together toward a common goal. Bless us as we meet together. Thank You for our individuality and also for our common bond of Rotary. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatimanan nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

TRUSTEE CHAIR'S MESSAGE

Barry Rassin

Trustee Chair 2023–24

FEBRUARY 2024

Following the news is challenging these days. Stories of war and violence are deeply discouraging. It breaks my heart when I hear about innocent bystanders, particularly women and children, who are caught in the crossfire of conflict.

Is there anything we can do about it? We certainly can't turn away from the problem. I think in these times, we need to shift our focus from what we can't change to what we can do. We can also support what we know works.

February is Rotary's Peacebuilding and Conflict Prevention Month. It is one of our areas of focus because peace is central to everything we do in Rotary. Even though most of us aren't diplomats at the negotiating table or peacebuilders working on active conflicts, in Rotary's singular way, what we do works to promote peace and prevent conflict somewhere, every day.

Every Rotary member should remember this during the month of February: When you support any of the areas of focus of The Rotary Foundation, you are contributing to peace. Foundation grants that address fundamental issues — such as a global grant focused on enhancing basic literacy in a community — will cultivate a better understanding of the world and lead to greater economic stability, laying the groundwork for peace.

You can say the same for all the areas of focus, from the environment to economic development. They help stabilize communities, lift families out of poverty, and foster the pursuit of education.

Peace is and always has been interwoven into the fabric of Rotary beyond our projects, too. In 1999, when we established the Rotary Peace Centers through a visionary initiative of our Foundation, we reaffirmed this commitment. This month, we are once again renewing that vision, with Bahçeşehir University in Istanbul, our host partner for the newest Rotary Peace Center, as it takes its first steps to prepare for the initial cohort of students arriving in early 2025.

All along the way, as Rotary has evolved into a global force for good, it has championed peace and understanding in countless ways, and our Foundation remains the great driving force behind that vision. It will be part of Rotary's eternal legacy.

And by supporting our work, you will be able to say that you are a part of that legacy. You can directly support it by visiting rotary.org/donate and selecting peacebuilding and conflict prevention as the area of focus.

So, yes, there is a lot you can do to support peace and prevent conflict. The next step is up to you.

PRESIDENT'S MESSAGE

February 22, 2024

If there is one word I can use to describe our year so far, it would be roller coaster. As you all know, Mike Edenburn passed away last week and while I am assured by the knowledge that he is finally at rest after being ill for some time, I also know we lost a great Rotarian and Gift of Life champion in him. He was truly a walking, talking, living proof of how our Gift of Life program has saved so many lives. He may be gone from us but his passion to help children with CHD allows his memory to live on. Rest in peace Mike.

In the last 6 months, several of our members have lost loved ones so there have been a lot of sad goodbyes. Interspersed between those sad occasions were also happy moments in our club. The randomness of it all reminds us that such is life. One can never expect the road to be always smooth, the moments to be jolly and the presence of our loved ones will change as the book of our lives turns its pages.

This morning, we conducted our annual orientation seminar for Baby Rotarians in our club. We do this on an annual basis, more so when we have just accepted many members into our ranks. I still remember attending my own orientation about 8 years ago. One of the facilitators was the late PDG Ed Chiongbian. Much of what I heard back then were mere “theories and concepts” in my mind. But as the months turned to years and my involvement in Rotary continued, they all fell into place and before long I also walked that talk.

To our Baby Rotarians, I hope that you will take today’s messages to heart, even if you still couldn’t fully relate to them. For it has the potential to change your view, your outlook and how you live your life in the future. Our thanks to Membership Chair, Dir. DJ, for putting the plan into motion, and the members who volunteered to

be our resource speakers. Nothing compares to sharing one's own journey in Rotary to new members who are taking their first few steps in their own journey to be a Rotarian.

I am filled with pride in how we were able to welcome our visitors from RC Fukushima South. Days after they left, I received emails thanking our club for the warm reception, from the welcome dinner at PP Tony's beautiful home, to our project visits, capped off by a sunset cruise on board IPP Hector yacht, Kingston. They were touched by the hospitality and were filled with optimism towards future projects and activities with our club. Due to constraints with language we had to rely on PE Shige to handle all the work needed from planning their trip, to coordinating with us on logistics, their itinerary, and of course, being the translator every step of the way. He even had to send them off early Sunday morning on his own! Thank you, PE Shige. We are truly in awe of your dedication, and we look forward to your term in the next Rotary year.

Our GG project with the Sister of Mary School Girls Town is in full swing. Many of the tools and assets covered by the project were delivered in the last 2 weeks and they are busy setting up. In true Sisters of Mary School style, we were serenaded by a gym full of students in their school attire and costumes during our visit. For an hour or so, we were treated to many performances, from dancers who performed Filipino, oriental and western dances, to music from a rondalla band, an orchestra, and songs from their choir that culminated in a group song and dance. Our hearts were full! I look forward to returning in the coming months for the final handover, and I hope you can all join me.

I accompanied our Japanese guests in their meeting with Daredemo Hero and had the chance to visit their learning centre serving the children living inside the Carreta Cemetery. I told Kim Rockell, the Nihongo speaking Kiwi, that it was my first time to visit this community, although I've heard about them in the past. It was mind boggling and I was shocked by what I saw.

Clearly the place we were at was in the fringe of the sprawling property. It was overgrown with vegetation and strewn with broken headstones and vaults said to contain bones. I spied a few that were cracked and our host from Daredemo Hero said that it was not unusual to see contents spilling out, mixing with refuse and sewage.

I admit I was flabbergasted. But I was also moved by the laughter and high spirit of the residents. The children gathered were still able to smile and recite their welcome message to the guests and extend a warm reception despite the squalor they were in. I emerged from that visit with a better understanding of how Daredemo Hero is making a difference in the lives of the urban poor and hope that one day, we will be able to help them in their program.

YOU CAN YOU BE PART OF THE GRANTS CADRE OF TECHNICAL ADVISORS

Supporting Humanitarian Grants Program, **Global Grants Cadre of Technical Advisors** is a registry of Rotarians who provide technical expertise to The Rotary Foundation and Rotarians who develop and implement large-scale projects. Cadre members serve in countries other than their own, and they conduct on-site project visits for two to three days with written reports upon their return. The Rotary Foundation pays for a per diem and roundtrip airfare. The cadre is in need of Rotarians qualified in the following fields: Health, Education/Literacy, Small Business/Revolving Loans (micro credit), and Financial Auditing (chartered accountants and certified public accountants), and more. Additionally, it is really helpful for those that can speak French, Spanish, Portuguese and other language skills.
