FEBRUARY is Peacebuilding and Conflict Prevention Month

The Rotary family is committed to pursuing projects that address the structural causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources. Rotarians train adults and young leaders to prevent and mediate conflict, and aid refugees who have fled dangerous areas.

INVOCATION

As Rotarians, we are generally blessed with lives of relative luxury, and opportunities unknown to many. Help us to review our check books, and, indeed, the registers of our lives with honesty as we consider our priorities, and our opportunity to help others. Open our hearts, and our accounts, to those in need, while still providing us with appropriate fruits of our own labors. Help us to share not only our tangible wealth, but also our intangible riches of knowledge, leadership, and creativity to make our city, our nation, and our world, a better place filled with the peace and love that you can bring through us.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta’s mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatiman nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENT'S MESSAGE

February 29, 2024

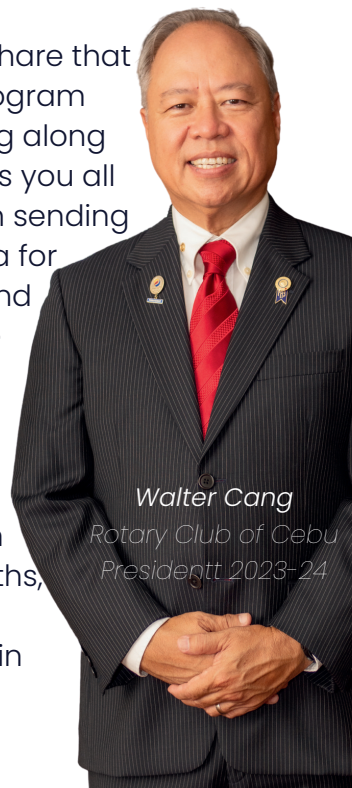

Hello everyone! We're fortunate today to have in our midst a friend and returning visitor, Kim Lee Hall. Only this time he is accompanied by his wife Lea! Welcome back to Cebu and RCC. To our newer members who may not know him, Lee first came to Cebu around 2018 if I remember right. He was here to join the Ironman race that was being held here. He lost his watch days before the race and appealed to his friends in the Filipino community back in Houston where he calls home, to see if anyone can hook him up with someone from the triathlon community here to lend him a watch. As luck would have it, PP Bernard heard the call and reached out to him. Not only did he find him a replacement watch to use for the race, he hosted Lee like only PP Bernard can, he brought him around Cebu, and to our meeting.

Lee learned about our club and decided he wanted to donate to a project through RCC. Not only that, his employer back then, Google, matched his donation! He did this again the

following year and asked that it be used to fund a scholarship for a poor but deserving student. But Covid 19 interrupted his visits before we could implement his instructions.

Fast forward to today, he is back with his wife Lea, and we are finally in the process of selecting a scholar through our community partner, Daredemo Hero. Lee will also be our speaker today, and his deep knowledge with AI will be an interesting topic as this technology is taking the world by storm

I'm also glad to share that our Gift of Life program continues to chug along and save lives. As you all know, we've been sending sick kids to Manila for their operation and they come home as healthy kids with the help of our partner hospital and the medical team. In the last few months, we conducted 2 special missions in Bacolod city in a hospital that was

Walter Cang
Rotary Club of Cebu
President 2023-24

owned by our partner medical facility in Manila. We funded the plane fair of the medical team and they operate on the assembled patients from Negros and Panay. It costs less to fly in the doctors than for the patients and parents to go to Manila so it made a lot of sense.

Next week, we will be conducting the 3rd and final Gift of Life mission in Bacolod city with 12 patients lined up. We reached out to the President of Rotary Club Bacolod West to see if they would be interested to find out about what we're doing in their backyard. They replied favorably and we're now in the process of coordinating for their presence as observers in our program. May our program inspire them to start their own and make them a Gift of Life advocate in their city.

On another note, the efficiency of the implementation of our Gift of Life program meant we are accommodating more patients than ever, in a short span of time. The downside to this is that it also means we are using up funding and resources way faster than ever. As such, we will deplete our funds by next month at our current rate. If this isn't bad enough, we're at the cusp of undertaking surgeries in Cebu as we signed an MOU with UC Med Hospital yesterday!

This is significant as this will be the first time we are undertaking surgeries in Cebu with the help of our Manila based doctors. This has always been my hope that we, a Cebu based Rotary club, should run the Gift of Life program in our city. With the depletion of our remaining budget looming, we may need to slow down our Manila surgeries in favour of getting our Cebu program jump started.

At the same time, we are hoping to work with our partner from Gift of Life International, Rob Raylman, to undertake another Global Grant for us and see if he can source additional funding through another donor, Heart Gift. The success of this endeavour means we can continue our Cebu program for the rest of the Rotary year or have to wait for new funding in the next Rotary year. Do keep your fingers crossed!.

Today marks the last day of February and that means March is literally upon us. This month is significant because that's 3 months left to the year and it means we're up for a visit from our District Governor. This annual event means the Board is

 032.406.1127

 rotaryclubofcebu@gmail.com

 +63.917.779.9194

preparing reports and updates to all our activities this year. Despite the challenges we faced with our WASH global grant, we still managed to get a lot of things done.

I'm told she's keen to know how our members are engaged in our activities and how much we are giving to TRF. If you have been involved in our club affairs this year, then you're good. Otherwise, do take time to join us. As for our giving this year, I have regularly encouraged our members to do their part in giving to TRF or to our Foundation and I continue to enjoin everyone to do their part. I don't have the final numbers yet but hope it will be one worthy of a club like RCC.

PROJECT VISITS OF RC FUKUSHIMA SOUTH

15 Feb 2024

On Feb. 15, 2024, 16 members of the Rotary Club of Fukushima South visited their Global Grant Project in Talisay. In true Sisters of Mary School Girls Town style, we arrived to find ourselves welcomed and serenaded by a gym full of students in their school attire and various costumes. For an hour or so, we were treated to many performances, from dancers who performed Filipino, Oriental, and western dances, to music from a rondalla band, an

orchestra, and songs from their choir that culminated in a group song and dance. Our hearts were full! Much time was also spend touring their facility, witnessing a slow but sure transformation as the school had began unpacking the tools and assets needed for their new vocational training rooms such as call center operations, programming, and elderly care.

Later that day, we accompanied our Japanese guests to a meeting with Daredemo Hero Members of the Rotary Club of Cebu and spouses gathered at the beautiful home of a member to celebrate Christmas. Located in the foothill of Ma. Luisa Estate Park the venue , the venue offered a magnificent view of the city matched no less by clear skies and comfortable temperature. There was lots of food and drinks to partake in as we enjoyed the company of fellow Rotarians.

The highlight of the evening included the announcement of Pres. Walter that the club has gained a new endowment fund in the name of Past Preside Renato and Lady Jocelyn Kintanar! Our heartfelt gratitude to this Christmas gift that will surely benefit our community!

It didn't take long for Lady Joy, a gifted pianist, to find her place behind the baby grand piano and begin playing our favorite Christmas tunes on the keyboard. And no sooner had the tunes started that members of the club began to wander in and sing along. It's been many years since I have taken part in such a activity but just singing the first few notes quickly drew back memories of what Christmas is all about, a celebration filled with laughter, good food and warm company as we commemorate the birth of Christ, bound by the happy spirit of the season.

It was truly a wonderful evening, and a perfect club activity to end our year. As always, our fellowship chair once again outdid himself. Many thanks to PE Shige Onda for making all the arrangements and Rtn. Edward and Lady Danessa for opening their home to us all. and had the chance to visit their learning center serving the children living inside the Carreta Cemetery. I told Kim Rockell, our Nihongo speaking Kiwi guest, that it was my first time to visit this community, although I've heard about them in the past. It was mind boggling and I was shocked by what I saw. Clearly the place we were at was in the fringe of the sprawling property. It was overgrown and strewn with broken headstones and vaults said to contain

bones. I spied a few that were cracked and our host from Daredemo Hero said that it was not unusual to see contents spilling out, mixing with refuse and sewage.

I admit I was flabbergasted. But I was also moved by the laughter and the high spirit of the residents. The children gathered were still able to smile and recite their welcome message to the guests and extend a warm reception despite the squalor they were in. One often needs these reminders to realize how grateful we must be for the life that we live.

Later we proceeded to the main center of Daredemo Hero where our guest spent the next hour listening to a presentation in Nihongo to clearly explained their mission, vision and overall operation. While I couldn't understand what was in their presentation, our guest later told me it was a moving experience to be there and to listen to their story.

HAPPY BIRTHDAY

Rtn Aris

GOODBYE TO OUR HEART WARRIOR

18 Feb 2024

After several health episodes, a member of our club and champion of our Gift of Life program, Rtn. Mike Edenburn, passed away on Feb. 15, 2024. Members of the Rotary Club of Cebu gathered to bid him adieu and consoled his grieving widow, Epifania Edenburn and his 3 daughters before they embarked on his last journey to his resting place in Calbayog City. Rest in peace and enjoy eternal rest our dear friend.

WHAT IS A ROTARY FOUNDATION GLOBAL GRANT SCHOLARSHIP?

Established in 1947, the original Ambassadorial Scholarship program, valued in excess of \$20,000 was designed to further international understanding and friendly relations among people of different countries. With the launch of the Rotary Grants model, scholarships are now used to fund study by graduate students whose career goals support an area of focus. The funding is the same as a Humanitarian global grant with a minimum scholarship amount of US\$30,000. Upon returning home, Rotary Scholars share with Rotarians and others their experiences that led to a greater understanding of their host country, and what career they will go into in order to meet the six areas of focus and spread good will and understanding.

WHY DON'T YOU NOMINATE A GRADUATE STUDENT FOR A SCHOLARSHIP?
