MARCH is Water and Sanitation Month

During this time, it's crucial to raise awareness about the importance of clean water, proper sanitation, and hygiene practices. Let's work together to ensure access to safe water sources, promote hygiene education, and improve sanitation facilities for communities around the world.

INVOCATION

Lord, grant him eternal peace and rest. May he be reunited with loved ones who have gone before him, finding solace in Your presence. Comfort those who mourn his departure, and give us strength to carry on. We entrust his soul to Your loving care, knowing that death is not the end but a transition to a new and eternal home.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENT'S MESSAGE

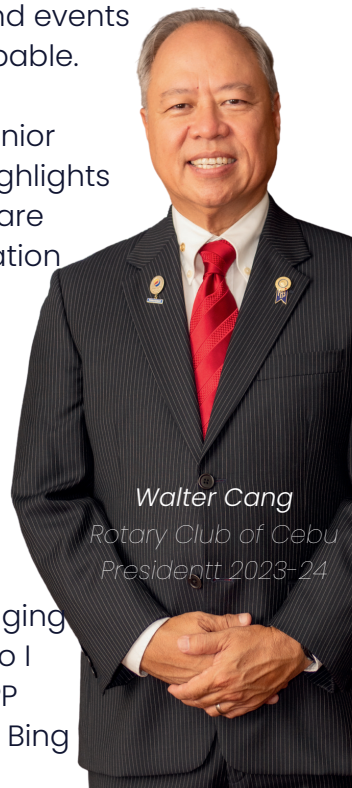

February 29, 2024

I have always treasured the presence of our senior members, especially those who have been with RCC for many years. They are part of the history of our club and carry with them valuable lessons from the past that help manage our club in the present. Their loss is felt profoundly as we not only lose a mentor, but also a piece of the fabric to represent our club.

This week, we sadly lost PP Joe. For the benefit of our many newer members who don't know him, PP Jose "Joe" Gapas joined RCC in February of 1996 (26 years ago). He often spoke of his years working for the DENR and was always willing to share his thoughts about our forests, and his efforts to combat illegal logging during his tenure. He was also an epitome of a very healthy senior citizen. He had a booming voice and firm handshake that often belied his age. In fact, not too many years ago, he displayed impressive core and upper body strength by doing enough push ups that put most guys half his age to shame!

Sadly, age finally caught up and PP Joe's health began to affect him in the last 2 years post Covid. This January, PP Joe Gapas notified the Board of his intent to resign due to poor health and the Board unanimously decided to bestow upon him Honorary membership status. Unfortunately, his health took a turn for the worse over the weekend and he passed away yesterday, the 5th of March. Goodbye and rest in peace PP Joe. We will surely miss your loud voice as you share your opinion in our open forums, and your absence in our club meetings and events will surely be palpable.

The loss of our senior members also highlights the need to prepare our future generation of "elders" in our club to step up. When I began to form my Board last year, I realised PP Rene and PP Baba, are the last 2 elders involved in managing our club affairs, so I decided to add PP Bernard and PAG Bing

*Walter Cang
Rotary Club of Cebu
President 2023-24*

as my advisers. I hope they will be joined by DRFC Stephen, DMC Mike, as well as PP Jacob (who will be AG next year) and be our future elder leaders. They consult and work with other Past Presidents led by IPP Hector who serve in the Board of Trustees of our foundation, CRCFI. And together with other Past Presidents, they lend their wisdom and foresight that helps chart our course towards the future.

It's that time of the year when we once again get ready for the annual District Governor's visit. It's still two weeks away but since we're having our Family fellowship next weekend, our regular meeting on Thursday is off. Sec. Charles, who recently finished his Tokyo Marathon with Lady Nicole, was kind enough to find a practical and elegant gift in Japan and we will be presenting it to our Governor.

During her visit, we will be walking her through our service projects, as well as our numbers for TRF. Based on the trend we saw this year; I don't think it can match what has been given in previous years, but I am confident that we will still be on track to end the year strongly like we always do. Our membership retention continues to be strong as we added seven new members, albeit with the loss of three members, for a net gain of 4 with 4 months remaining in the year.

We successfully conducted our new member's orientation 2 weeks ago and I hope our new members have a better understanding of how our club and Rotary International works. As they continue to join our gatherings, I hope they will continue to absorb information and may the seed that was planted in them sprout the passion to support our club through their presence and resources.

Meanwhile, we also continue to hand hold our two Interact Clubs, as they take their first few steps. Already, the officers of the Interact Club of St. Benedict CEC are gearing up for a trip to Taipei and have connected with one of the three English speaking Rotary clubs to arrange for a meet and greet. May their exposure to other clubs through the global network of Rotary International, open their eyes not only to the joy of meeting other like-minded youth abroad; but of serving their communities as well. The Interact Club of Cebu has also ramped up their own activities recently by hosting a gathering of heart warriors and their parents. Interacting with the kids for fun and games

As for our projects, all I can say is that I seem to be reaping IPP Hector's wish to "slow down" with service projects, though I know he declared it in jest last year. We haven't had much opportunity to reel in new global grant projects and the few that we are working on appear to be stymied or in a state of flux. I'm told this is not unusual, and in fact, most clubs aren't as busy as we were in previous years. Hence, we're just not used to the less frenetic pace with service projects. Still, we do have a few pokers in the fire so it's not like we have an empty pipeline. It is just that with the timeline necessary for the approval process, it will, in most likelihood, fall into the hands of PE Shige to carry the torch and get busy with global grants in his term.

24TH RCC WEEKLY MEETING

29 Feb 2024

Riveting

On the last day of February 2024, RCC welcomed back a friend, Lee Hall, as their guest speaker. He is an IT expert with years of experience working with the biggest names in technology such as Microsoft, Google, Oracle, Salesforce, among others. Lee is now a Director at Databricks, which he describes as the “Google” of Netflix data and AI.

Lee is a triathlete, and he visited Cebu back in 2018 to compete the Ironman race. He lost his watch just days prior to the race and appealed for help to find a watch that he can use during the race. That was how he was introduced to Past President Bernard Sia, who not only assisted him, but also invited him to our club’s luncheon meeting.

In our midst, he learned of our service projects and was touched by our members’ passion to help our community. It was then that he decided to channel his own resource to help the less fortunate in Cebu through our club, RCC. He made another trip the following year, but the routine was disrupted by Covid 19. Lee’s advocacy is now being implemented and

☎ 032.406.1127

📞 +63.917.779.9194

that will be another story coming out soon.

Riveting is a word that best describes Lee Hall's talk as he shared his passion and knowledge with AI. Lee didn't just share anecdotes on AI, he also showed the power of the tool. Not only did he extoll the virtues and promise of what AI can do, he also talked about its dark side, and the dangers it poses to human when used in an unregulated and unsuspecting world.

The takeaway of his talk can be best described as this: The disruption that follows in the next 3 to 5 years with the discovery and expected growth of AI, will one day be seen as one that is just as profound as the discovery of fire and electricity. Lee's talk was livestreamed and has been reposted on our Facebook page.

CALBASAAN ELEMENTARY SCHOOL SHELTER

15 Feb 2024

In 2023, over 30 Rotarians from District 3700 of South Korea visited Cebu to inspect one of their Global Grant Projects at the Calbasaan Elementary School in the mountains of Minglanilla. Moved by the sight of a destroyed classroom wrought by Typhoon Odette back in 2021, they passed the hat among themselves and raised over three hundred thousand pesos to go towards the repair of the classroom.

Sadly, the structure was deemed structural unsafe, and the only recourse was to demolish this. Mindful of the original intent of our visitors, we searched for additional funds and found one hundred thousand pesos remaining from the District's disaster fund to augment our budget.

Even then, we knew it was not enough to build a new classroom, but we decided the next best thing. Construct a sturdy shelter that can be used as an outdoor classroom and still shelter the students at this remote hinterland school from the rain and sun.

WORDS FROM A PAST ROTARY FOUNDATION AMBASSADORIAL SCHOLAR:

“THE ROTARY FOUNDATION’S PROGRAMS ARE ALL THE MORE IMPORTANT BECAUSE WE LIVE IN A WORLD OF SHARP CONTRASTS: FEAR AND HOPE, ILLNESS AND GOOD HEALTH, POVERTY AND WEALTH. WORSE, WE LIVE IN A WORLD IN WHICH INEQUALITIES OF INCOME, UNEMPLOYMENT – AND PRESUMABLY EXCLUSION FROM WELL-BEING – HAVE SENSIBLY INCREASED IN THE LAST FIFTEEN YEARS, NOT SO MUCH BETWEEN COUNTRIES, BUT WITH COUNTRIES, DEVELOPED AND DEVELOPING ALIKE. IN SUCH SITUATION, THE ROLE OF THE ROTARY FOUNDATION IS OF THE UTMOST IMPORTANCE.” FRENCH PROFESSOR RENE MUNIER, 1967–78 ROTARY FOUNDATION AMBASSADORIAL SCHOLAR
