INVOCATION

Dear Lord, We honestly believe the purpose of each life is to make a difference that we lived at all. We also are aware that nothing does itself... machines don't make or run themselves, bricks don't lay themselves, nails don't drive themselves, buildings don't build themselves, lessons don't learn themselves, classes don't teach themselves, words don't memorize themselves, food doesn't prepare itself, skills don't develop themselves, projects don't plan themselves. Someone has to do everything that is done, make everything that is made, and think everything that is thought. We know the next move is up to us, therefore, we pray for Your divine guidance in our every thought, intention and action. Amen.

NASUDNONG AWIT

Yutang tabunon, mutya nga masilakon. Putling bahandi, amo kang gimahal. Mithing gisimba, yuta's mga bayani; Sa manlulupig, pagdapigan ka. Ang mga buntod mo ug lapyahan, sa langit mong bughaw. Nagahulad sa awit, lamdag sa kaliwat tang gawas. Silaw sa adlaw ug bituon sa nasudnong bandila. Nagatima-an nga buhion ta ang atong pagka-usa. Yutang maanyag, duyan ka sa pagmahal, landong sa langit ang dughan mo. Pakatam-ison namo nga nagatukaw kung mamatay man sa ngalan mo!

GUIDING PRINCIPLES OF ROTARY

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENTIAL MESSAGE

R. Gordon R. McNally
President 2023-24

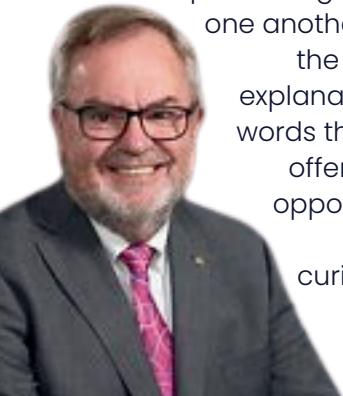

APRIL 2024

These are times that cry out for peace. The Middle East is in its most volatile condition in years. The war in Ukraine is the largest in Europe since World War II, and there are armed conflicts in Sudan and parts of Central Africa. Nearly every continent is experiencing a major armed conflict.

Rotary has a vital role to play in advancing the cause of peace – I often say Rotary needs to work toward peace as aggressively as those who wish to wage war. It's the spirit found in our vision statement: "Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves." We must never lose track of that last call – that to bring about change in the world, we need to foster change within.

It is up to us to model peacebuilding behavior among each other. We can do better than questioning the motives of

one another and jumping to the harshest possible explanation. After hearing words that might strain or offend us, we have an opportunity to ask, with compassion and curiosity, the intent of those offending words. And then

we have another opportunity to repair the breach.

If we wish to be a beacon to the world, let us start by being so to one another. Let's help each other find greater understanding and productive alternatives to words that cause hurt and distrust. And let's stick to our principles, but never doubt the sincerity of each other to end conflicts, not inflame them.

I'm reminded of a speech that U.S. Senator Robert Kennedy made on 4 April 1968, that dreadful day when the Rev. Martin Luther King Jr. was assassinated. Kennedy was in Indianapolis speaking to an audience in a predominantly African American neighborhood where people had yet to learn that Dr. King had been killed.

He shared the terrible news. He honored Dr. King for all he had done for the cause of justice and peace. And then he connected with the fuming, grieving crowd by saying: "For those of you who are Black and are tempted to be filled with hatred and distrust at the injustice of such an act, against all white people, I can only say that I feel in my own heart the same kind of feeling. I had a member of my family killed." It was the first time he had spoken publicly about President John F. Kennedy's assassination. And while many American cities exploded in violence that night, Indianapolis did not.

It is in times of crisis and despair that we need empathy most of all. Empathy is the most powerful tool of peace, and it is vital if we are to take the first brave, humble steps to Create Hope in the World.

PRESIDENT'S MESSAGE

April 11, 2024

Hello everyone. It's great to be back from our brief but memorable trip to Japan. Like most trips to Japan, our stomachs were constantly full as the sights and aroma of food and snacks were hard to ignore. If there was one word to describe this trip, it is fun as 10 men together ensured jokes were never in short supply. Our meetings with other Rotarians from RC Okasaki and RC Kasugai were warm and the hospitality from RC Kasugai was unparalleled.

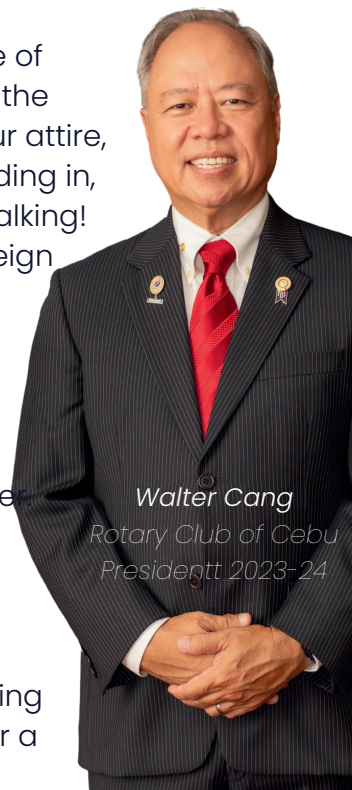

Saving best for last, our 3 days with RC Kasugai was one which the 10 of us will not forget. They met us at the hotel at a little past 8 and in 30 minutes, we were on board a chartered bus for a 3 hour ride to Takayama. What made it special was they had loaded a cooler with "refreshments" and snacks and I must say toasting to "kampai" before 9 in the morning was incredible!

The following day, they provided each of us with a set of traditional Japanese attire called Yukata and walked us through the proper way to wear the

garb. They even provide us with their traditional socks and wooden sandals. The experience was new to us except PE Shige, but more was to come as we were escorted out of the hotel to take a stroll outside along the Kiso river. The route was lined with cherry blossoms that led to the Inuyama Castle, and where the famed annual Inuyama Festival was in full blast.

Inuyama Castle is the oldest of 12 castles to have retained its tower intact. Among the 12 remaining main towers, the one at Inuyama Castle is designated as a National Treasure of Japan. We spent the next 5 hours in our attire, touring and blending in, until we started talking! I have toured foreign land that I know little of. But this is the first time I toured a foreign place in an immersive manner. The experience it brings is incomparable.

We are now starting an application for a

global grant to fund a Cleft Program. The objective is not to mount a “one-time big-time” annual mission like what is being undertaken by most, including our ROSAS mission. Our objective is to conduct monthly or bi-monthly surgeries for just a handful of patients. This is modelled after our Gift of Life program that has been running for several years. With this approach, we aim to reduce the cost of surgeries since we can schedule these around our partner hospital’s availability to accommodate the surgery.

I hope our members may take the opportunity to join our future trips not just to Japan but even to District events in our country or other countries in our region. The memories created and the bonds that form with your fellow Rotarians are bound to bring a smile to your face when recalled even years later.

Our program will tap local doctors with the help of a fellow Rotarian, Dr. Alaine Senerpida of RC Cebu Fuente. With fewer patients in each iteration, it presents a lighter load for everyone during the pre and post operation stage. Perpetual Succor Hospital has agreed to work with us and extend generous discounts outlined in our MOU. We have run this idea with RI and we have been told to put

the application down so it may go undergo review by their team.

There are 2 major District events left in this Rotary year, and that is DTA and Discon in Dumaguete and Davao, respectively. PE Shige and SE Joey left on Wednesday for their PETS SETS while the rest of us are leaving early this Friday morning for the drive down south. In less than a month's time, I shall be heading to Davao and I hope some of you can join me. I would like to extend a special invitation to our baby Rotarians to join the trip. Discon caps off our year and this is traditionally where the merits of work and giving undertaken by a club and its members are acknowledged. By joining us, it gives you a chance to meet other Rotarians, hear from other clubs and an opportunity to learn and understand Rotary.
