CLUB PRESIDENT

MARY GRACE P. VILLANUEVA
Life-Changing President
RY 2021-2022
Rotary Club of Central Butuan
District 3860, Area 3J

People struggle at some point in their lives - whether it would be because of poverty, their upbringing, a disorder, or some form of abuse, but it is unjust to limit a person's goals and expectations simply because they have had a difficult life.

Life-changing President Mary Grace P. Villanueva, born and raised in Butuan City, is the living embodiment of someone who is determined to rise up and make a change to live a better life.

She married Lyndon Gil in March 1991 and is blessed with three children - Kathren Jane, 31, Vanessa Joy, 30, and Jason Gil, 19.

Coming from a not-so-well-off family, she managed to graduate with the degree of Bachelor of Science in Chemical Engineering at the University of Bohol in Tagbilaran, Bohol. Although chemical engineering was a passion directed by her mother and not her own, she pursued this course in lieu of her mother's wishes.

Thereafter, she immediately pursued her passion for business through studying for the boards of real estate brokerage. She then practiced as a registered broker and eventually established her own firm in _.

Prior to her membership to rotary, she showed and exemplified her love for service through becoming one of the board of directors of Inter-Office Employees and Businessmen Credit Cooperative (IOEBCC) in _ and a volunteer in A-teacher party list in _.

Mary Grace joined Rotary Club of Central Butuan in 2016 with Real Estate Developer as her classification. Up to this day, she continues to be an inspiration of success in life to her family, peers, and the community through her unwavering hard work and dedication to service.

Turn-over of School & Infrastructure Supplies to
LA TRINIDAD CENTRAL ELEMENTARY SCHOOL

September 1, 2021 | 10:00 AM
LTES, Bonbon, Butuan City

venue:

La Trinidad Central
Elementary School

One of the areas of focus of Rotary is the Basic Education & Literacy, thus Rotary wholeheartedly supports Brigada Eskwela and Brigada Pabasa to aid the needs of school's preparation for the re-opening of classes.

Rotary Club of Central Butuan, represented by 7 club members and 1 spouse, had turned over facemasks, faceshields, alcohol, paints & brush, lumbersticks, bags of cement, broomsticks, bondpapers, notebooks, pencil & pens to the School Brigada Eskwela Coordinator.

Aside from the turn-over, we have also conducted a reading remediation/intervention for the learners who are considered non-readers and frustration-level readers. In this way, the club members were able to really interact with the students hands-on.

All in all, this activity has allowed us to achieve two things: 1) provide essential school supplies that would assist the general student population, and also 2) give emphasis to the disadvantaged students, in terms of reading.

1st Regular Weekly Meeting

July 3, 2021

venue:

Brgy. Ampayon, Butuan

The Rotary Club of Central Butuan has launched the initiative “Kasilyas Mo, Hinangon Ko,” in partnership with MG Villanueva Realty and Task Force COVID Bougainvillea.

The beneficiary of this project is the Castro family residing in Barangay Ampayon. The family is headed by Nenita Castro, a single parent breadwinner to her 3 young children, working as a small-scale vegetable vendor in their barangay. She is also differently-abled (PWD), due to the genetic disorder, cleft palate. This is why it was difficult for the Castro family to recover when their shelter was completely destroyed due to the unfortunate 2021 Ampayon fire.

Thus, RCCB and their collaborators made it their goal to alleviate the Nenita’s Situation by constructing the family’s very own durable and completely functional comfort room. This is important especially during this pandemic when sanitation and hygiene are strictly observed.

Someone once said: “Helping one person might not change the world, but it could change the world for one person.” This resonates to our action plan of helping an individual who has experience life from one misfortune to another. This project may be singular at present, but we at RCCB believe that nothing is impossible in the future, most importantly when it comes to serving to change lives.
