THE FOUR-WAY TEST

of the things we think, say, or do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life; and

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: Mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag, as the flag of peace unfurled
I shall serve my community
Help achieve universal unity.
Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal.

Refrain:

With the Four-Way Test, I'll pursue my quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four-Way Test, we'll pursue our quest
And if I, in a way help obtain Peace in the world
I shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth.
Let's join our hands,
There's no reason we'll divide
We shall all understand,
While the good Lord is our guide.

Refrain:

With the Four Way Test, we'll pursue my quest
And if we, in a way help obtain Peace in the world
We shall not have lived in vain.

Outro:

Peace be achieved, we shall not have lived in vain.

ROTARY'S MISSION STATEMENT

HISTORY

of the Rotary Club of Central Butuan

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily, we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least for of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, we were hatched as a new club ready to take the challenge. Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make them grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation, and it dawned on us - as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the lest of our brethren. And continue we shall, considering that "They profit who serve best."

Meet Our ROTARY INTERNATIONAL PRESIDENT

Jennifer E. Jones, a member of the Rotary Club of Windsor Roseland, Ontario, Canada, has been nominated to become Rotary's International president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president-nominee in October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that our ability to adapt would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness that historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) statement. I believe that diversity, equity and inclusion...begins at the top and for us to realize growth in female membership and members under the age of forty - these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian.

JENNIFER
Jones

Jones holds a Doctor of Laws (LL.D.) degree.

A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI Vice President, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts

Jones recently led the successful #RotaryResponds telethon which raised critical funds for Covid-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and the Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of the Rotary Foundation's Arch Klump Society, Paul Harris Society, and the Bequest Society.

ANTHONY
 Madayag Jr., PHF+2

Ton grew up wrapped with great humility, even from the very beginning. He dealt with mixed parenting and was still able to live the values he instilled within himself. He is a native of Tagum City. But destiny brought him to Butuan City, where he met and married his beautiful, lovely, and supportive wife, Marnelli G. Madayag. They were gifted with two boys, Ram and Robie.

He finished his degree in Agriculture at Visayas State University in the year 2000. He became a Farm Manager at a Fishpond company at Davao del Norte. He pursued his passion, which was not connected with his course but with the medical industry. He pursued what he wanted and became a Medical Representative. He even bagged the award as the Rookie of the Year and received other awards. Now, he was able to build his own company – a distributor and importer of medical supplies.

This company embodies the values and virtues he possessed. The operations of his company have also reached almost every area in Visayas and Mindanao. Now, he is steadily expanding his operations in Luzon, especially in the National Capital Region. With his hard work and consistency over the years, he truly reaped what he had sown.

NUTRITION MONTH

Drive S.L.O.W.L.Y (Saving Lives Of Women, Ladies & Youth) at GESU

July 2, 2022
Buenavista, Agusan del Norte

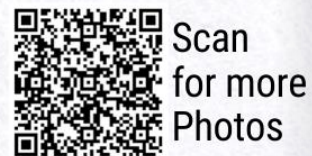

GESU Eucaristico Children's Inc. located at Barangay Manapa, Buenavista, Agusan del Norte is a home that provides utmost care and guidance for the young girls in need. A place managed by nuns, GESU has provided holistic development for the girls and even produced graduates over the years of serving its mission.

One of the sisters was a victim of the bustling highway. The Rotary Club of Central Butuan responded

to their call for donation for a road signage.

14 Rotarians, 3 Spouses, and 7 Rotaractors joined the Turnover of Road Signage for GESU Eucaristico Children's Inc. The GESU girls prepared a very heart-warming series of intermissions and messages to express their gratitude for the club.

The meaningful activity was concluded with a simple lunch with the RCCB family and GESU family paired with the best ice cream in town, Three Star ice cream of PP John Uy.

One of their concerns is the lack of visible and durable road signage that provides safety for all its people upon crossing the highway.

Valedictory Speech

MARY GRACE P. VILLANUEVA, PHF+3, PHS
 Life-Changing President
 RY 2021-2022

Fellow Rotarians, dignitaries and guest, it is my honor to report to you our accomplishments and service projects for the life changing year 2021-2022.

We were able to Achieve 6% increase in Membership Growth, 100% per Capita and Every Rotarian Every Year, End Polio Now TRF Goal achiever, Polio Fund Giving Club, 100% Membership Participation, 100% Sustaining Paul Harris Club, 2 Sustaining Major Donors; 3 Paul Harris Society Members; and I was able to donate also 1,000 USD to make us 4 Paul Harris Society Members; 13 Multiple Paul Harris Fellows; 1 new Paul Harris Fellow, 33 service projects conducted. For our Annual Fund contributions, our goal is 3,500 USD but our achievement is 5,415 USD as of July 04, 2022. For Polio Fund Contributions, our goal is 1,500 USD and we attained 3,764 USD as of July 04, 2022.

And on this year, we were able to charter a new club which is ROTARY CLUB OF CENTRAL SAN FRANCISCO which made us 100 Rotary Clubs in the Roster. In addition, we applied a District Grant and was approved in the amount of ONE HUNDRED FIFTY THOUSAND PESOS (150,000.00), the first big project of our club and hopefully more are coming, the project is a study Park at San Vicente National High School, and it is ongoing.

I would like to thank our to be inducted Rotarian Jame Hermosada for heading the construction. *WALA PA GANI NA INDUCT NAGSERBISYO NA.* My salute to you, Sir. I believed this project could benefit the students, teachers and parents as well.

The times also tested us, comes the Typhoon Odette. All clubs of District 3860 including our club responded the call of service of the affected families and not only Rotary Club of Central Butuan in collaboration with LGU, DHSUD, TEDSA, and friends of Rotary constructed a Rotary Village, 4 were completely built. Unfortunately, it was not yet turned-over due to political issues. So, this is one of my *pabaon* to you incoming Pres. Anthony Madayag.

For our Service Projects, we have implemented 33 and conducted 35 lively regular meetings.

Among the 33-service project two of which, I considered as a project that changed lives. One is "BAG-ONG BALAY, BAG-ONG PAGLAUM". When a disastrous fire happened in Brgy. Ampayon in July 2021, we identified a family with most special needs. Their breadwinner a single mother, with a cleft palate disability, works day and night selling only vegetables to provide for her 3 children. With our project "BAG-ONG BALAY, BAG-ONG PAGLAUM" our club had provided a full-pledged stable, house to provide her family not only a new shelter, but also a new hopeful beginning of their new life.

Another project worth-sharing was for AHON COMMUNITY CARE CENTER. The care center had been struggling on the sustenance of the 23 children at their custody. Selling of baked goods is their prospective business, but they were massively lacking the raw materials. With our collective Rotarian effort to provide the startup for their business, we have given these children a learning opportunity for new skills, and moreover, a sustainable and systemic solution for their means of living.

Inaugural Speech

ANTHONY C. MADAYAG JR., PHF+2
 Imaginative President
 RY 2022-2023

To be honest, I felt too much pressure in becoming a President, it's undoubtedly a great responsibility, and I am to lead this whole club composed with wonderful and successful people. And also, the past presidents have set the bar so high that it has become so challenging. I know I have big shoe to fill. But I will take this as a challenge, and I will do my best to continue their legacies.

I know it's a big duty, but I know it's beyond fulfilling. I was pressured, yes, but what motivated me was the chance to see the happy faces of the people whom we have helped. It made me realized that we are not only helping but also connecting, not only sharing but also serving. Whenever we are in a city or even in areas full of establishments and infrastructures, we can really say that a lot of successful businesses, organizations, and industries have come of age. They all have flourished, and it all started with a plan, it all started with that single drop of imagination.

Imagination is a powerful gift that an individual possesses. We plan, we imagine, and if we really put action into it, you can turn that imagery into reality. Einstein famously said: "Imagination is more important than knowledge. For knowledge is limited to all we know and understand, while imagination embraces the entire world. Way back, it was merely a fascination to be a President of our Rotary Club one day. It was because I was too hesitant to even join the club in the first place, but here I am now, realizing, that it was one of the best decisions I have ever made in my life.

To be a president in this club is a great blessing. It's like providing a huge gate for me to also be a blessing to other people. This is where true happiness comes from. We make living by what we get but we make life by what we give. Finding your gift and sharing it with others is the meaning and purpose of life. Meaningful work gives you a reason to live and ties you to a greater purpose. Whatever talents, skills, or gifts we have, I truly believe that it's significant for us to share it with the community because with it, we are not only helping one another but also creating an impact in our society.

I can imagine that I will become part of the solution by being a contributor in providing our service to the society. Imagine, a world with less conflict. Where groups of dedicated people work to create and promote peace in their communities. Imagine, finally achieving our goal of completely Ending Polio. No child will have to experience the devastating effects of the disease again. Imagine, remote areas having access to clean water. This will reduce their vulnerability to water related risk. Imagine, a world where children don't experience malnutrition. Where they have access to basic health care? This will help us reduce the number children's death. Imagine, reducing the numbers of illiteracy among out-of-schools youth and adults. This will help us ensure the future of the next generation Imagine, where local entrepreneurs and community leaders of impoverished community have access to proper training and well-paying jobs. These will greatly develop our economy. Imagine, communities will not be severely affected by climate change because of the rotary projects. Although it may seem impossible, but if we put our minds and hearts into it, we can succeed.

All of this will started with an imagination. And we can never do that without an effective plan, we can never do that without imagining first the possibilities and the potentials this organization can achieve. I can never do that by myself. We must collaborate as a team and support one another in order for this imagination to be achievable. Imagination without action will never yield any result.

So, let us all turn this imagery into reality. That's why it's not a question why right now, we should start imagining the success of the Rotary.

Live Radio Guesting

Rotary Day of Service Bloodletting Activity

Hosted by: Rotary Club of Central Butuan

July 16, 2022 | SM City Butuan Events Center

The Imaginative Rotarians have once again lived up to this year's Rotary Day of Service: Bloodletting Activity. At the moment, having a sufficient blood supply is critical because safe blood save lives. One person's kind contribution makes this life-saving blood possible.

The gift of blood is one of the most valuable gifts someone can offer. This event was made possible by the collaborative efforts led by the Rotary Club of Central Butuan, in collaboration with the Rotary Clubs of Area 3I and 3J, as well as the active participation of the Butuan Masonic Lodge no. 299, Philippine Eagles - Caraga Region, 1501st Ready Reserve Infantry Battalion, Rotaract Clubs in Butuan, and most especially, the Philippine Red Cross.

Rotary International District 3860 made this step not only to directly contribute to the community's blood supply, but also to urge others to participate in bloodletting drives and to create overall awareness about the practice of regular blood donation.

The event concluded very successful as an overwhelming 127 total number of bags were collected. Indeed, "Success is best when it is shared" – Howard Schultz.

We would like to thank also our other partners - SM City Butuan, FMR Butuan, and Love Radio Butuan.

Rotaract Club of Central Butuan | Rotaract Club of Central Butuan-Caraga State University

4N'1 HAPPY KAARAWAN

July 26 2022
Feeding the Precious Lighthouse Inc., Limaha, Butuan City

A Celebration of Hope and Love is a flagship activity of Rotaract Club of Central Butuan - Caraga State University during its club's 6th Charter Anniversary.

The Club conducted a series of sessions to ensure that this flagship activity would be worthwhile without compromising the interests of the attendees, the first activity was the Dance Zumba. The club also demonstrated the steps in doing proper hand washing - and distributed COVID-19 kits. Lastly, the most highlighted and inspiring part of this activity is the Story Telling session. The Club President also asked the kids their dreams and aspirations in life, which made the *ates* and *kuyas* more emotional.
