THE 4-WAY TEST

of the things, we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL and BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: Mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

THE HISTORY OF OUR CLUB

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily, we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least for of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make them grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us - as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the lest of our brethren. And continue we shall, considering that

4 "They profit who serve best."

“This Rotary Year’s theme is to Create Hope in the World - reminds us that the very essence of Rotary is to provide Hope in the face of Adversity. It is our duty to nurture hope in the world and to never give up in the pursuit of better tomorrow.”

Valedictory Address

ANTHONY C. MADAYAG JR., PHF+3, PHS
 Imaginative President
 RY 2022-2023

I stand before you today filled with gratitude and humility as I address you as the outgoing President of our beloved club. And If I ever achieve success, I want you to understand that it's not solely my doing. The credit goes to the Lord who has supported me throughout my journey. It is His presence and

As I look back, I am overwhelmed with a sense of fulfillment. Our club has been united by a common goal: to make a positive impact on our community. Through countless service projects and meetings, we have shared collective experiences and created memories that will last a lifetime. Together, we have faced challenges head-on, overcome obstacles that came our way. The lessons we have learned during our journey have taught us the true power of imagination and the difference we can make when we work together for a greater cause.

Each of the club members has unique characteristics, but when combined, they make the club more vibrant and diverse, and that's what makes the Rotary Club of Central Butuan what it is.

Tonight, as we celebrate our achievements, let us take a moment to recognize that our club has executed 36 service projects, which have left a profound impact on our community.

I am also delighted to announce that we have successfully accomplished over 90% of the district goals, demonstrating our commitment and dedication.

We have also achieved a remarkable 100% of our club goal, showing our exceptional performance and unwavering determination.

We have also reached an all-time high for our TRF (The Rotary Foundation) with a remarkable contribution of over \$12,000. I am really grateful to all the members for their wholehearted contributions, which have been instrumental in the success of our club.

During my term, our club has also experienced numerous significant events for the first time. Such as winning the award as "The most Vibrant Club" during the recent DISCON...And

For the first time, our club have also hosted the DTTS & PETS-SETS here in Butuan. I am deeply grateful for the opportunity to have our club serve as the host for such a significant district event. I extend my heartfelt gratitude to everyone who supported us during the event, and to District Governor Twinkle, for choosing the Rotary Club of Central Butuan.

For the first time, we have established a remarkable milestone by forging our sister club partnership, with the Rotary Club of Makati Poblacion represented by President Patricia Di and Rtn. Edgardo David. This collaboration has opened up endless possibilities for greater impact and collective growth. A shining example of this is our Jetmatic Project in partnership with RC Makati Poblacion, which has provided a stable water supply to the residents of Barangay Dulag. We have also our Flagship projects. One these project is the "Agos ng Pag-asa" initiative led by Rtn. Jame Hermosada, in partnership with Travellers Insurance Surety Corporation which has brought hope and assistance to 110 families in Sitio Lawan-lawan. Through our efforts, we have provided them with a water source that is very essential in their lives. Additionally, we have successfully executed the District Grant Project, which was initiated by our Immediate Past President Mary Grace Villanueva. Furthermore, our Reading Park and Study Shed project stands as a testament to our commitment to education, offering students a safe space to study.

For the first time, our Rotarctors have also hosted a District event. I would like to express my sincere appreciation to our Rotaractors for their outstanding efforts in hosting the RDLT (Rotaract District Leadership Training).

This year, we have truly showed our dedication in organizing these events to ensure their resounding success.

All these projects and accomplishments of the club would not have been possible without the unwavering support of our club members, their spouses, and the Rotaractors. I am truly grateful to each and every one of them for their invaluable contributions.

Inaugural Speech

First of all, I would like to express my deepest gratitude for entrusting me the position of President of the Rotary Club of Central Butuan. It is an honor to lead this club in this Hope-Creating Year. As you can see, before this speech, all the Past Presidents are here showing their support that deeply touch my heart and I cannot wait to be one of them after the end of this Rotary Year. The support from all of our club members really inspire me to give my best, to continue the legacy that all those past Presidents' labor to help make this club one of the most vibrant and active club in the district.

Five years ago, I was invited by Past President John A. Uy for a Rotary Club Meeting in Y Hotel here in Butuan City. I did not know that it was the start of my service to Rotary which I greatly enjoy due to the feeling of belongingness and family. But, just a Trivia, "Did you know that PP John is responsible for Sponsoring 26.82% or 11 out of 41 active members in our Club?", Pwedi na kaayo ni si PP John mag Charter og Iyang club, " The Rotary Club of John Uy the Recruiter".

Of all the Rotarians gathered here tonight, I know of someone whose face cannot hide the happiness and excitement he felt, KABALO MU KINSA? **EXCITED NA KAAYO NI TAWAGON SA IYA NEW TITLE OR DESIGNATION. Of course si IPP Anthony "Ton" Madayag Jr. AKONG IDOL! IPP Ton you raised the bar of service, and that is one of the reasons why we are so proud to be a part of this club. I know the reason why you are so so so happy, KABALO MU NGANO? KAY PWEDI NA NI SIYA MAG ABSENT SA MGA MEETING KAY HUMANA IYA TERM! DILI BITAW. I know why IPP Ton is happy, he is happy and fulfilled because he really did do his best, he nailed it, and in his term, the club reached the highest contribution to TRF in the history of the Rotary Club of Central Butuan, OG MAO NA ANG RASON NGA GE KULBAAN NAKO DAAN KAPON PA.**

But, nothing to be worried about, IPP Ton is my Treasurer, og willing pod kaayo ni siya mu tapal, and my secretary in this Rotary Year is no other than The Most Handsome, Photogenic, wholesome AG of District 3860, Assistant Governor Ryan Jae G. Yap. PAKPAK Ta. BITAW, as long as all the Past Presidents are here, our Future Presidents, our very supportive Club Members with their spouses, our talented Rotaractors nga pang District level na ang talent, we don't have to worry. Furthermore, I cannot forget the support system I personally have, who are present here tonight, my Family, My Papa Nelson, Mama Vangie, my sibings, Junnel and Kevinson, all the way from Sibagat; and the most important person in my life is here this evening, the most beautiful woman, my one and only, my Spouse Mary Grace Gorres Pulleros, my love.

Now, this year's Rotary Theme: "Create Hope in the World" reminds us that the very essence of Rotary is to provide Hope in the face of Adversity. It is our Duty to nurture hope in the world and to never give up in the pursuit of a better tomorrow. And I am here to tell you that hope is not just a feeling or an emotion, it is a powerful force that can move mountains.

Through our projects, we will give hope to countless people in our community and to the world with our collective efforts. From providing clean water to communities, to supporting education and health care initiatives, we will transform lives and give joy where there was once despair.

So, let us pledge to continue our work with renewed vigor and a sense of purpose. Let us be the beacon of hope for those who have lost faith in the world. Let us show the world what humanity is capable of when we come together for a common cause.

To end this speech, let me share to you a quote from Laini Taylor. "Hope can be a powerful force. Maybe there's no actual magic in it, but when you know what you hope for most, and hold it like a light within you, YOU can make things happen, almost like magic."
