THE 4-WAY TEST

of the things, we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL and BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: Mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

THE HISTORY OF OUR CLUB

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily, we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least for of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make them grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us - as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the lest of our brethren. And continue we shall, considering that "They profit who serve best."

"By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world — a more hopeful world."

ROTARY TRIUMPHS: STORIES OF HOPE

READING PARK AND STUDY SHED

By: Pres. Ryan C. Pulleros
Rotary Club of Central Butuan

Watch it here: <https://youtu.be/QCQvAN-oB64>

This Reading Park and Study Shed is a District Grant Project by the Rotary Club of Central Butuan. A wonderful initiative by Past President Ryan Jae Yap and Past President Mary Grace Villanueva, and a continued legacy of Immediate Past President Anthony Madayag Jr. to promote learning in a creative and engaging environment and to create an inspiring outdoor learning space that fosters a love for reading and provides a quiet study area for students.

Designed with shaded spaces, and aesthetically pleasing surroundings on its Phase 1, Hope-Creating President Ryan C. Pulleros hopes to improve the project for its Phase 2 with comfortable seating and desks for writing, bookshelves, educational signages, as well as beautification of the surroundings with plants, flowers, and other greenery to create a tranquil and inviting atmosphere.

During the TRF Night, the Rotary Club of Central Butuan was awarded as Third Place in showcasing the club's video on Reading Park and Study Shed in San Vicente National High School.

The competition invited the clubs under District 3860 to showcase their creative talents, and capture the spirit of Rotary in powerful and engaging video. Each video demonstrated the powerful impact of Rotary's work and passion that drives Rotarians to create positive change in their communities. The top three videos were selected for their creativity, storytelling and ability to inspire.

HANGOP SA KAUGMAON

by: Rtr. Shekinah Eupeña

In the heart of community service, there exists a beacon of hope and education—HANGOP SA KAUGMAON. This transformative project aims not only to provide free tutorial services but to kindle a flame of knowledge that lights the path to a brighter future for the children of Bethany Homes. The project's name itself encapsulates the essence of this vision - a nurturing embrace for the future.

"Hangop sa Kaugmaon" was conceived with the vision of creating a positive impact on the future of the children. The Rotaract Club of Central Butuan, a dynamic group of young leaders, recognized the potential to effect lasting change by focusing on education, skills development, and community engagement.

Education is the key that unlocks doors to opportunities. Hangop sa Kaugmaon seeks not only to nurture academic excellence but to instill in each child the belief that their dreams are achievable.

In partnership with AdvenTutorial Learning Center Inc., headed by the club Vice-President Sheila Burdeos, the club offers free tutorial services specifically on mathematics, reading and arts to sixteen (16) students at Bethany Homes. The project addresses educational gaps, ensuring that no child is left behind and that each one has the opportunity to thrive academically. To this day, there are a total four (4) sessions and the club members are committed to provide more sessions for the benefit of the children and for the sustainability of the project.

It is not only about acquiring knowledge but also about fostering a sense of belonging. Creating a supportive learning environment where children feel valued, heard, and encouraged. In the shadows of societal challenges, this project emerges casting a light on the transformative potential of education. It demonstrates that, regardless of circumstances, every child has the right to dream, learn, and aspire to a future filled with promise.

Hangop sa Kaugmaon is not just a tutorial project; it's a testament to the profound impact that community-driven initiatives can have on the lives of children. As the project unfolds, it becomes a chapter in the inspiring story of how education, when coupled with passion and community support, becomes a force that can shape the destinies of individuals and communities alike. The children of Bethany Homes are not just recipients of knowledge; they are torchbearers of a brighter tomorrow.
