## THE 4-WAY TEST

of the things, we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL and BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all?

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

**AS A ROTARIAN,** I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: Mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

## THE HISTORY OF OUR CLUB

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily, we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least for of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make them grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us - as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the lest of our brethren. And continue we shall, considering that "They profit who serve best."

"By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world — a more hopeful world."

# Distribution of **BEARS OF JOY**

In the heart of Butuan, an inspiring initiative has captured the spirit of giving during the holiday season. The Bears of Joy Project, a collaborative effort between SM City Butuan and the Rotary Club of Central Butuan, headed by the Hope-Creating President Ryan C. Pulleros, PHF+1, PHS has not only brought joy to the community but has also become a symbol of compassion and collective goodwill.

The Bears of Joy Project, much more than a seasonal campaign, revolves around the simple yet powerful gesture of giving teddy bears to children. These cuddly companions represent more than just toys; they symbolize love, warmth, and the joy of childhood. The project has a dual impact, bringing smiles to the faces of children while simultaneously supporting meaningful causes championed by the Rotary Club of Central Butuan.

These cuddly bears have found their way into the arms and hearts of 252 beneficiaries from different barangays and centers last December 28, 2023, with the support of SM Mall Butuan which is our partner in distributing these bears.

Rotary International, known for its commitment to community service, has been instrumental in ensuring the project's success. The club's dedication to making a positive difference in the lives of individuals aligns seamlessly with the spirit of the Bears of Joy initiative.

As the Bears of Joy Project continues to touch lives, it stands as a testament to the success that can be achieved when businesses and service organizations unite for a common cause. This collaboration showcases the power of partnerships in creating meaningful change.

Through the Bears of Joy Project, joy is not only being spread through teddy bears but also through the collective spirit of giving that defines the holiday season.
