THE 4-WAY TEST

of the things we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life.

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to: Mentor young people, help these with special needs, and improve people's quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

HISTORY

OF THE ROTARY CLUB OF CENTRAL BUTUAN

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least four of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are as young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make the grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us – as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the least of our brethren. And continue we shall, considering that "They profit who serve best."

Inaugural Speech

Good evening everyone! My respect to our District Governor Nominee, Engr. Arlene E Adlawan. [Madam], protocol observed.

Before I share the journey of my presidency, I would like to extend a warm welcome to each and everyone of you who took time out of your busy schedules to witness this meaningful occasion. Your presence truly enriches this event, and I am deeply grateful for your unwavering support.

I would also like to specially thank my beautiful wife who introduced me straight from the heart - no scripts, just sincerity. Nagbinootan man gud ko ani niya sukad adtong January. Thank you so much Lovey. To our Immediate Past President Jame Hermosada, your unwavering dedication, selfless service, and outstanding accomplishments have left an indelible mark on our community. Words alone cannot fully express our gratitude, so I invite everyone to stand and join me in honoring Immediate Past President Jame Hermosada with a well-deserved round of applause.

Thank you Sir Jame for your exceptional leadership and commitment. Your dedication will never be wasted; it will yield lasting rewards, uplifting both the community you serve and your own journey.

The position as president never came into my thought, not even a single moment in my entire life had I dreamed to become a president, more so in a prestigious organization such as the Rotary Club. But when duty calls, one can not escape.

It was two years ago on a Rotary family day, when our club president, now an Assistant Governor called and ask me to join the said annual activity. I don't know why I responded the call that I would come, when I obviously knew that at this gathering there will be casting of vote for PN and or PND. And for years, I always escape this occasion by giving all the world's excuses, but this time I was there!

During the program proper of the event, there was a voice few meters away from where I was standing that got my attention when one of the key figure of our club said: *"Kamo galikay2x ma presidente moabot ra gihapon inyo panahon"*. This statement struck my heart so much and interpreted in my mind as saying Jehoven you are already an overdue Rotarian, you need to grow up! STRIKE 1!

After the council of presidents conveyed, the nomination for PN started, and another key figure of the club nominated my name as one of the candidate. STRIKE 2!

Back in my head I reasoned, I can get out of this by turning down the nomination and run away, but before I started constructing justification in my head, another key figure of the club whispered at my back saying: *"Ayaw pagbalibad ha"*. THE FINAL STRIKE that sealed my destiny to be the President in RCCB for 2025-2026.

"Wala pa raba ko kapananghid uban ani nila nga apil sila sa ako speech, but dli nako ni palabyon na panahon sa pagpasalamat nila." Thank you, Assistant Governor Anton Mandayag Jr., for that single, impactful phone call; Past President Mario Chu Jr., for the very powerful reminder that deeply resonated within me; Past President Rodora Canlas, for your brave nomination; and my friend, TESDA Provincial Director and Past President Romel Natad, for the calm encouragement that helped me overcome my hesitation to lead. The four of you were instruments from the Almighty God in guiding me to embrace my calling to this presidency.

Today, I stand before you with humility and a heart full of dedication, ready to embrace this calling and carry it forward with purpose. This journey would not be possible without the compassion, generosity, and unwavering commitment of the members of the Rotary Club of Central Butuan.

But as we all know, true impact happens when we come together. Our individual efforts may move us forward—but united, we can transform lives. When we, as one Rotary family, Unite for Good, we ignite the power to create real, lasting change.

To my fellow Presidents—my classmates in leadership—this is our moment. Let us rise together, work hand in hand, and build a legacy of service that speaks louder than words.

As Helen Keller once said, *"Alone we can do so little; together we can do so much."* Let this new Rotary year be a chapter of bold action, shared purpose, and meaningful impact.

I, Jehoven Moncano Guilot, by the Grace of the Almighty God, signed in as the 15th president of the Rotary Club of Central Butuan. Thank you and good evening.

CHARTER COMMEMORATION: EDUKASYON, SUSTANSYA AT PAMILYA

Rotaract Club of Central Butuan-Caraga State University Celebrates 9th Charter Anniversary with Community Outreach

BUTUAN CITY – The Rotaract Club of Central Butuan-Caraga State University officers marked its 9th charter anniversary on July 26, 2025, by hosting a community outreach program that benefited 70 daycare children and their families in Barangay Maug, Butuan City.

In her opening remarks, club president Danica Louise Lucernas delivered a message that underscored the event's purpose beyond the simple act of giving. Addressing the children and their guardians, she stated: "Maong kids ug mga ginikanan, sa among gamayng pahalipay kaninyo, unta kini magpabiling ihimplo kaninyo, to always or atleast do something good every once in a while."

The event, titled "Charter Commemoration: Edukasyon, Sustansya at Pamilya," was held at the Barangay Hall of Maug and focused on providing essential resources. Each of the 70 children received new school supplies, and a feeding program was conducted, offering a warm meal of "pospas" (a local rice porridge).

As a gesture of support for the entire family, the Rotaract members also distributed rice supplies to the guardians of each child, aiming to ease a household burden.

The successful implementation of the program was made possible with the support of its "mother club," the Rotary Club of Central Butuan, and its "sister club," the Rotaract Club of Central Butuan.
