THE 4-WAY TEST

of the things we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service.

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life.

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

HISTORY

OF THE ROTARY CLUB OF CENTRAL BUTUAN

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least four of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are as young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make the grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us – as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the least of our brethren. And continue we shall, considering that "They profit who serve best."

NOVEMBER
THE ROTARY FOUNDATION MONTH

ROTARIAN IN ACTION

As your District Paul Harris Society Coordinator and Rotary Club of Central Butuan's Rotary Foundation Chair, I sincerely encourage all our fellow Rotarians to consider giving generously to The Rotary Foundation—whether to the Annual Fund or the Polio Fund.

Our donations are not just contributions; they are investments in hope, peace, and a better future. Every peso we give empowers life-changing projects—providing clean water, saving mothers and children, supporting education, growing local economies, and most especially, ending polio once and for all.

Importantly, The Rotary Foundation consistently ranks among the most trusted and effective humanitarian organizations in the world. Our gifts return to our communities through grants that allow us to serve bigger, reach farther, and transform more lives.

Let us remember the motto of the Rotary Foundation:
“Doing Good in the World.”

By donating, you help ensure that Rotary continues doing exactly that—today, tomorrow, and for generations to come.

Let us give from the heart and be part of creating lasting change. Together, we can uplift communities and bring hope where it is needed most.
