# HISTORY

## OF THE ROTARY CLUB OF CENTRAL BUTUAN

---

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5<sup>th</sup> of November 2010. While waiting, at least four of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4<sup>th</sup> of December 2010, we learned that our club got the resounding approval effective 26<sup>th</sup> day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are as young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make the grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us – as if during the 6<sup>th</sup> day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the least of our brethren. And continue we shall, considering that "They profit who serve best."

# OFFICIAL TURNOVER

**DECEMBER 9, 2025**

The Official Turnover of the Besties of Joy Project marked a meaningful chapter in the collective effort to bring hope, comfort, and happiness to children in the community. This special event symbolized more than just the handing over of donations; it represented the power of partnership, compassion, and shared purpose among organizations, volunteers, and individuals who believe in the importance of spreading joy, especially to those who need it most.

Rooted in the spirit of generosity, the Besties of Joy Project was designed to offer children not only toys but also a sense of warmth, security, and companionship. Each Bestie carried a message of love and care, reminding young beneficiaries that they are valued and supported. The turnover highlighted how simple acts of kindness, when done with sincerity, can create a lasting impact on a child's life. Smiles, laughter, and moments of genuine happiness filled the venue as the project came to life through the faces of the children it aimed to serve.

The event also celebrated the dedication of everyone involved in making the project possible—from the planners and partners to the volunteers who tirelessly worked behind the scenes. Their efforts reflected a shared belief that service is most meaningful when done with heart. Through teamwork and unity, the Besties of Joy Project became a testament to what can be achieved when communities come together for a noble cause.

More than a one-day activity, the official turnover served as a reminder that kindness has a ripple effect. It inspires others to give, to care, and to take part in creating a more compassionate world. As each Bestie found its way into the hands of a child, it carried with it a promise of hope, comfort, and the reassurance that they are never alone.

Indeed, the Official Turnover of the Besties of Joy Project was not just about giving—it was about building connections, nurturing hearts, and planting seeds of joy that will continue to grow long after the event has ended.

# BESTIES OF JOY

The Besties of Joy project, in partnership with SM Cares and SM City Butuan, brought smiles and hope to children in need through the gift of plush toys. Using the Buy 1, Donate 1 concept, every purchase helped place a "Bestie" in the arms of a child.

At Anticala Elementary School, 426 children joyfully received their Besties, each symbolizing warmth, friendship, and comfort. This collaboration between the Rotary Club of Central Butuan, SM Cares, and SM City Butuan showed how small acts of generosity can make a lasting impact.
