**The Four-Way Test
of the things we think, say or do**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE CENTRAL FAMILY SONG

We all belong like the words
In a song we're a family
We have between us this feelings
Of trust and loyalty

We've got a world out there,
A whole wide world to share
Come, join in our song,
Let's sing in harmony

We all belong like the lines in a
poem,
We're a melody
The world is a mix-up of men
But I know that you will agree
That love, love is the key,
And through it all, we can be free
We know we'll get along
in Central Rotary

Refrain

Write a song for all to sing
A catchy song, an easy rhyme
Love is music for one thing
Love's a song that will last for all
time
We all belong like a medley of song
To rhapsody

Through each of us has our own
Different voices,
We blend perfectly
So come, let's sing our song
For you and I, we all belong
To one big family in Central Rotary.
(Repeat Refrain)

EDITORIAL NOTE

As the Public Image Director, I am proud of the important initiative, which involves a mutual dialogue born from the wisdom and experience of all members, to address particular challenges facing our society today. Among these, I would like to mention poverty, violence, sickness, hunger and the many forms of injustice and social and economic inequality which today harm everyone, especially women and children. Also of concern is the fact that many Filipinos are exposed to extreme environmental and climate changes, some of which are the result of the uncontrolled exploitation of natural and human resources. Consequentially, they not only experience environmental deterioration but also a human and social deterioration that puts the lives of the Filipinos at ever greater risk.

It is my hope that Rotary Club of Central Davao can contribute to the development of concrete local and regional policies, aimed at meeting these challenges more effectively and strengthening the awareness of everyone's responsibility to take care of our common home. In these months of pandemic we have become increasingly aware of our fragility and consequently of the need for an integral ecology that can support not only physical ecosystems, but also human ones.

Since "everything is related, the authentic care of our own life and of our relations with nature is inseparable from fraternity, justice and fidelity to others". For this reason, an attitude of solidarity and respect for every person, created in the image and likeness of God, is even more necessary, in combining sincere love for our brothers and sisters with a firm commitment to solve the environmental and social problems that afflict those vulnerable Filipinos. I am grateful for the constant efforts made to build brotherhood and defend justice in the societies where we belong and I trust that the work done will be a sign of the important role that my Club can play in fostering the growth of a more humane and inclusive world. With these sentiments, I cordially invoke God's blessings of wisdom, strength and peace upon the members of the Club.

Julius
